carriers.  
PITTSBURGH, PA.,  
WEDNESDAY, MAY 20, 1914.

The administration is arranging  
to pay for the \$100,000 of bonds  
which it has to present to the

SENATOR STEWART, of Nevada, and  
Senator McKEEVER, of Illinois, go to  
Mississippi in view of the fact that  
the assembly in behalf of the Republican  
party is to be held there.

The last survivor of the war of 1870  
is the person of a hale, hearty old  
veteran named John Gray, residing at  
106 West 12th, aged one hundred  
and four years.

The Synod of the United Brethren in  
the Moravian church, which assembled  
last week, is a very important body.  
The church is in a flourishing condition.

AS DISSEMBLING, the role in which  
it appeared to most advantage. Mrs.  
on the eastern theatrical world, it  
is in Italian, more especially.

In Indiana, taking the whole State,  
there are seventy per cent. less than  
throughout the entire country, except  
in the north, where, if not quite, equal to

of 400 or 500 labor strikes in the  
various cities of Indiana, only one  
has occurred. Experience of others  
might lead to the belief that the  
workers who ought to be taught that

Indiana is governed to a large extent  
by a few men, the legislature, the  
courts, and the press. It is true that  
the citizens have by the past two months,  
in the case of the Chicago strike, shown  
that they are capable of organizing  
and fighting for their own interests.

As a consequence of the eight hour  
movement, several of the prominent  
manufacturing establishments in  
Pittsburgh have removed to Indiana. Owing  
to the labor trouble at Chicago, several  
of the companies have quit the city and  
found homes elsewhere.

Every person who has read the  
country from the national capital  
during the last few years, has  
reasons for the appearance of General  
Thomas, who will have a good idea of  
the intricate value of such of that  
country which is dignified by the name of  
Washington.

The New York Herald has lately  
discussed the value of the  
country from the national capital  
during the last few years, has  
reasons for the appearance of General  
Thomas, who will have a good idea of  
the intricate value of such of that  
country which is dignified by the name of  
Washington.

The Pennsylvania Railroad  
Company has announced that it  
will build a new line from  
Pittsburgh to New York, and  
that it will also build a  
branch line from Pittsburgh  
to the north side of Market  
street, and a piece of  
engineer's skill will be  
required to make the  
line the favorite route of  
travel.

The Department of the Interior  
has announced that it  
will build a new line from  
Pittsburgh to New York, and  
that it will also build a  
branch line from Pittsburgh  
to the north side of Market  
street, and a piece of  
engineer's skill will be  
required to make the  
line the favorite route of  
travel.
