adopted that employees may have leisure time for needful recreation. CINCINNATI is progressing in wicked bran new ness. On Sunday and Monday last there was atraw a straw a venue at a venue at

mess. On Sunday and Monday last there were enacted in its vicinity two murders, and three persons destroyed their own lives. This, with numerous small crimes, together with ninety common cases in the tombs, is doing very well for a city of the proportions of Cincinnati.

The cession of the Russian possessions that United States is to be Associated. It is a long to the common case in the United States is to be Associated to the control of Court that least itself such as the United States is to be Associated. It is the United States is to be Associated.

the will of two men instead of one. It is plain that the authority here given to the military officer amounts to absolute depotism. But, to make it still more unendurable, the bill provides that it may be delegated to as many subordinates as he chooses to appoint; for it declares that he shall "gulab or cause to be punished." Such a gover has not been wielded by any monarch in the provided that there will be military that the provided by any monarch in the provided that there will he field.
