that gentlemen of the large experience of Thirds, Favne, Pages and their as

Legislature as to the object of the Mexican expedition, and, at various stages, as to the progress made in it; of having held confident language when it knew that success was impossible; of cowardly treachery to Maximilians; and of having been the cause of his death, as well as that of many Frenchmen.

At this point occurred one of the most remarkable passages of the discussion. M. Favre was speaking of an article in

remarkable passages of the discussion.

M. Favne was speaking of an article in an official journal:

"And where it appeals to the Divine right Ireply that the fate of the humblest child of France who dies obscurely on a foreign soil in the performance of his duty is more worthy of sympathy than that of a prince who perishes in defence of his throne." (Cries of "order, order,")

"Ommon, Allegheny. The changes will be of such a character, that the whole will be completely metamorphosed throughout, inside and outside. This improvement will give the Episcopal Church a position it has never attained before in our sist; reity. The progres stresteps of other bodies has given them them the of his throne." (Cries of "order, order, order

The President intimated that persist-too. Whenever old Trinity, on Sixth sace in such language would compel street, occupying like the First Presby-

upon her bead. In a free country min-isters would be impeached; it is only in France (interruption) that they are not responsible, and therefore it is another who should be placed at the par." The President here so far forgot him-

distillers in defrauding the Treasury. The Secretary ought to have little diffiwith this business than they are doing.

THE Gettysburg Star, after carefully currence. There may be other projects and ably reviewing the nature and ten dency of Mr. Sharawood's decision as to at this time, which we will te glad to satisfie for an office, courting room or dwellow. unstitutionality of legal tender notice as they transpire.

country."

Each don't a protest from the New York country."

Each don't a protest from the New York country."

Each democratic party of Cumbers and teachings are declared to be "un-land country there is an active mutiny sound and dangerous," and their publication meets their strongest disapprobation. Mr. Tilton, the editor of the International country of the International Country of the sential country of the country of the sential country of the sential country of the country of t

Church building has become more modernized to presume that, since the construction of code, 15,741 and 15 check, 25, 25 check. 15,741 and 15 check, 25, 25 check. 15,741 and 15 check, 25, 25 check. 15,742 and 15 check. 25, 25 check. 25

"Hare I speak of the Chamber? It it did not resist, that was from a sentiment I respect—the consideration due to the povernment—to the chief of the state. Hear I have always been among those who in France have rought liberty under a monsrch, but there are two species. The first, where a prince governs through ministers, but without consulting them—in fact, absolutely. The other, a chief of the state, having respectful and deviced ministers, but them in the window concerning and arranging with them through ministers, but in the concerning and arranging with them through ministers, but them in the deferring to him with respect, and in case of difference, supporting—them selves on public oblicion. This latter is the cone to which I have devoted missing the more than forty years, and the one it wish for my country; and I am sure that the tree friends of the government will desire that it pass as 8000 as possible.

First and foremost is the new Third Presbyterian Church on Sixth street, which is progressing towards completion, which is progressing towards completion, which is progressing towards continued to the state. The congregation are provided the state in the reare redord to the state. In a street, absolutely for the various congregational services. The Presbyterians in Alle-the most of difference, supporting—them selves on public oblicion. This latter is the one to which I have devoted myself the most elegant structure of cut stone in the city. All the most elegant structure of cut stone in the city of the state, on a supporting—them they deferring to him with respect, and in case of difference, supporting—them they deferring to him with respect, and in case of difference, supporting—them they deferred to be supported. The other is the case of which I have devoted myself the state of the state, on a supporting—them they deferring to him with respect, and in case of difference, supporting—them they deferred to the state. The congregation is the case are related to us as follows. With the case are related to us

charged with effectricity. He boldiy actually ac

unction between victims." M. Farne continued:

A considered with the continued of the special because I repel all distinction that I pronounced the words which have excited the Chamber. No reasons of political necessity can justify the conduct of the government curing the latter period of the expedition. Machinillan went of the fish that of the propose of the prop

East Common. It will doubtless be a grand sfair, and will occupy one of the best sites in the city. We do not know when the main building will be erected, but received the state of the process of the state of the but presume at an early day. Propie cap at too much of Nature, trige with their health and their constitu The Methodist Episcopals have entered

The President here so far forgot himself as to say that these words would fail upon the head of their author in the eye of the entire country. M. FAVRE's reply to this censure was characteristic:

"No person in this chamber, not over our honorable President, whom I respect, is entitled to hold such language to me-to me, who am one of that minority which, when it was in power, so the entire country which, when it was in power, overthrew the scafold for political crimes, which you have again set up. [Loud expressions of dissent] I have always protested from this place in favor of the inviolability of human life, and it is the bad staken these protested to this place in favor of the inviolability of human life, and it is the bad staken these protested to into infavor of the inviolability of human life, and it is bad staken these protested from this place in favor of the inviolability of human life, and it is bad staken these protestations into the solution of the inviolability of human life, and it is bad staken these protestations into the solution of the inviolability of human life, and it is bad staken these protestations into the solution of the inviolability of human life, and it is bad staken these protestations into the solution of the inviolability of human life, and it is bad staken these protestations into the solution of the inviolability of human life, and it is bad in the solution of the inviolability of human life, and it is the bad staken these protestations into the solution of t to ms—to me, who am one of that minor to me. The minor more than the encouraged by them, and indeed, by the more more than the sorting which, when it was in power, overthrew the scaffold for political crimes, which you have again set up. [Loud expressions of disecut] I have always protested from this place in favor of the involability of human life, and it you had taken these protestations into consideration, perhaps we should not be always and deficient of the consideration, perhaps we should not be always great are not protestations into consideration, perhaps we should not be always great are not provided in the consideration of the involation of the involvement of the more forms. The standard that we week a go the Centenary Church, and we deploring the calamity that has occurred. [Great signation.]
