TRE INDIAN QUESTION.

The desperate and almost universal hostility of the wild Indians of the remoter plains and the eastern alope of the Rocky Mountains—a hostility which manifests itself in marders, scalpings, rapins and robberles—has become a matter of the most scritous moment, and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which purple alike our most skilful soldlers and forced questions upon the country which aligned the proper system. Among the difference of the force of the four most skilful soldlers and forced questions upon the country which are

and, with fittee or no risk to themserves some Library to perpetuate their name to pounce down upon the other. It is impossible for regular troops to fight with such enemies; and to shield from attack all who need their protection would certainly be a monument of the

as the old system But there are serious doubts whether the Indians, under the malign influence of the agents and traders, can be brought to terms. The impunity with which they have committed their late numerous denredations, and the few small advan-

depredations, and the few small advan-itages they have had over our troops, have encouraged them to think that on the plains they are a full match, for the whites, and that they can stop the adinto their hunting grounds. The Com-missioners may lay before them the alion of their own power and prowes in their heads, what will they care for a

However abhorrent the idea of a resort minds of the great body of the Amerithe scenes of these savage depredations, it is nevertheless true that very many of hem into some place where they can do

But, as we have seen, this cannot be done in the summer season. The win-

Rarely indeed have men been inverted that there is no the persons came forward for with a more solemn and important trust than these recently appointed Commissioners. Their appointment is but an expedient in a desporate emergency. It may be successful; and if it is, let the most rigid and severe rules be established in regulation of all future intercourse between Indians and white men.

At the laying of the corner-stone of ROBINSON BROTHERS,

out of the question for the government to maintain them as papers from generstion to generation. THE OLD SLAVE. WHIP.—The rebel as they call themselves, are discharging such colored men as they had in their at the late election. They had better speal of the late General Assembly for hars a care what they do, for there is a movement on foot to confiscate the proplet of corps are the proplet of corps and who was a rebel West and South are such as to demand during the war, and who new abuses in liberal donations, not only by this body this way the clemency of the Govern- of Christians, but from all denominament in permitting him to retain his tions engaged in Home Mission work.

estate, which was clearly forfeited, and
We believe Rev. Dr. H. Kendall, forwho now makes it an engine of oppres-sion to loyal man, by discharging them from employment for such a cause, tive officer of the Home Mission Society. Bisvery, as an institution, was swept our of existence by one sovereign act of the writing from Rome, gives a graphic densition, but the spirit of slavery lingers scription of the canonization of the of gristence by one sovereign act of the nation, but the spirit of slavery lingers scription of the canonization of the long, and can only be killed by compelling it to strike its fangs into its own the transformation of the canonization of the long, and can only be killed by compelling it to strike its fangs into its own the represents that during an interval of the grand coremony, a litany, composed the grand coremony, a litany, composed

Victim of debility, who is responsible for your feebleness? Not yourself, you will say, for you have done all you could to core it. That's a misintence in that body, that he regards "human learning to qualify a young man to preach, is like parties marrying for property instead of for affection and good qualifies." In regard to Sunday Schools II. In regard to Sunday Schools

nobly defends these agencies, and expresses great surprise to learn that this people of the border are quite prepared for it. In their eyes an Indian is a murderer, an outlaw, a deadly and irreconcilable enemy, a wild beast; and they stalk as calmly of the eccessity and duty of exterminating them as they would of exterminating woives; and they stalk as calmly of the accessity and they stalk as calmly of the constant of

done in the summer season. The winter, when they are shut up in their villagrea and oldges, is the only time when
this dreadful work of butchery could be
accomplished. If, however, they can
be reached in the winter, why not cap
ture and disarm them, and then oblige
them to go to the allotted reservation?
This must be done, for we up very sucre
that the government will never sanction
a cold-blooded and deliberate massacre
of these wretches; neither must they be
suffered to roan at large, as they are
now doing, murdering our people whereerer they can find them. Nor can a few
normalic awarges be allowed to arrest the
progress of settlement and improvement
on our western border.

The wind the waster of the sale to occupie to a
stend this meeting.

Through the generosity, mainly, of
Americans, such as W. E. Dodge, Jaz
Brown, of New York city, S. D. Warren, of Boston, and others, Mr. Bliss,
the Bible agent at Constantinoplo, has
secured fifty-two thousand dollars, surpassing his estimate, to build a Bible
House in that far off oriental city.

Rev. A. B. Earle writes to the Independent, that since his arrival at Virginia City, Neráda, several days provious to the date of his better, great succer they can find them. Nor can a few
normalic awarges be allowed to arrest the
progress of settlement and improvement
on our western border.

lished in regulation of all future inter-course between Indians and white men. Let none but true friends of the Indian he admitted to intercourse with then Courch at Springfield, Mass., some time be admitted to intercourse with them, other than the military officers set over than the military officers set over them, and let their sole mission be to acting pastor; and Rev. II. M. Parsons. other than the ministry outcome set over them, and let their sole mission be to lead as many of them—as possible to the habits and ideas of civilized life. The game upon which the Indians have heretofore subsisted will soon be exterminated, Trafton. was a Methodist minister was the work of the minister of the ministe some time since in the New England Conference, and we believe is still connected with that body in a nominal way he having retired from the active work of the itinerancy to act as paster of the congregation who are creeting the new Memorial Church.
