A WORTHY CANDIDATE.
The late vote of the health
and no lighter tribute to the work and
character of Judge Williams than the
following complimentary notice in
the only daily Democratic paper of
Western Pennsylvania the day following
his nomination: "It is a pleasure to
see the nomination of the Hon. Henry
W. Williams as a candidate for Judge
of the Superior Court in a good
and the best man before the elec-
tional Convention, and another that
will be a credit to the party and a
benefit to the people." Both parties have
been faithfully discharged by the
nomination of a man of such high
reputation, and we are confident that
the people will be satisfied with the
result. It is an auspicious sign of
the health of the party, and we
are equally fortunate in the selection of
the electors, and we are confident that
the result will be a credit to the party
and a benefit to the people. The
