Che Nittshurgh Gazette MONDAY, NOT REPER 4, 1867.

ABOTHER ENLARGEMENT. This morning we present the GAZETTE to its readers entered by by four ful one, making it by com The largest delly menupaper in the Com-Morroe county, and make complaint in due to fine a serior to law, and refused to comply; that they were afterwards requested to the serior to stand before the Constitutional Conversition, and clearly that they were afterwards requested to stand before the Constitutional Conversition, and clearly all the clear within their committed on Sunday last in that city row men quarrieled and then that they waited until the eve of the State legislature will consider a serior for the public would be used to these insured to stand before the Constitutional Conversition, and clear within their committed on Sunday last in that city row men quarrieled and then that they waited until the eve of the State legislature will consider the constitutional Conversition, and then initiated processing the state of these insured to the constitutional Conversition, and then initiated processing the state of these standards and the transfer of the waited on the constitution of the constitution and then initiated processing the state of the constitution and then initiated processing the constitution of the constitution and then initiated processing the state of the state of the standard processing the constitution and then initiated processing the state of the standard processing the stan

hwill be seen that the GAZETTE is main the city, and by large odds the chesp-

Jeneral from remarks made by savdrhanges, it is manifest that ion widely prevails that the the impedition widely prevails that the shry of electing a successor to Mr. Buck-alow, in this United States Senate, de will not be chosen until January

Union the presumption that Judge election to Congress, Hon. John H. Walker, of Eric, is named as his succes-

sion are succeeding in making Government over them was estab-

As this source the whites profess t the far of the blacks, and the autial apprehensions have some four-dation. The blacks have newly ac-quired political rights, and do not mean spring political rights, and do not mean to here them wrenched out of their pos-The whites largely refuse t therete, to decade the blacks of most

Taly is case of a rupture with France, as calls reports, is credible enough; but thy France and Italy combined did not wild the occupation of Rome by French control of several European compli-cation, dangerous to the peace of the positional, would have followed. paragrous to the peace of the president, would have followed.

The Peace of the pea manya.

in excuse reasons which have no bottom and pleading rights which were annial-lated by the storms of battle. When they become wiser, and consent to that which is absolutely inevitable, the day

place, large and constantly supplied with freal water, is more pleasant and more necessary than so many skating day.

It stands to reason that now the has not proved by years for steady conveniences. Not that we would say conveniences. Not that we would say conveniences with freal water, is more pleasant and more necessary than so many skating connected with skating conduct his complete reliability. But it should be remembered them for that position were trusted the says when were trusted the says without the conduction in the same individuals who were trusted the says without the same individuals who were trusted to a prevailant degree by the Republic sea party, and whose antecedents for short that we would can private swimming is all this, and necessarity does not interfer with the winter exist the stretch placed in them. Mr. John and public and private swimming is all this, and necessarity does not interfer with the winter exist and the winter stretch and public and private swimming the trust placed in them. Mr. John and public and private swimming the trust placed in them. Mr. John and public and private swimming and tanks, such as Boston, Rew gotten up at no greater or penuse than our parks and rink have been. Will no our parks and rink have been better.

OLIVE Losas, the would be scatting the rink rink parks of the falling body, and e no be uppeed. It stands to reason upon man will be taken for that position who has not proved by years jot steady a unfinishing conduct his complete the complete

decisiative corruption. | EDITORIAL GLEANINGS.

a per instant of \$12, as charged by our had been formed to damage the reputs had been formed to damage the reputs to one public man, and to affix an uncountries of the party will et 5 cents, as charged by them. Hence, deserved stigms upon the party with the Gazarra is maattack would readily present itself as offering advantages over most others, without entailing direct responsibility est. It will be our aim to make it Most men are so thoroughly convinced and early the largest and cheapest, but, of the prevalence of legislative profiles. These packages were taken to the Eror that it does not take the clearest or press office by the bank porter, but one strongest evidence to lead them to join of them very mysteriously disappeared in clamor against a suspected official.

in classor against a suspected official.

If political animosity or intrigue is been found.

The speaker of the House of Representally at the bottom of these proceedings, it is reasonable to conjecture they will be dropped soon after the pending election shall be over. Having accomplished, in that event, all the concoctors of the plot designed, or at least, all that was possible, they will gladly consent to let the matter drop into oblitions are the time for railroad accidents has a movement the single years of our Lord one thousand eight annotation to let the matter drop into oblition.

The travelling public will be pleased to learn that a statistician has amounced that the time for railroad accidents has like year of our Lord one thousand eight annowabilit the single years.

By the Governor: sarived. Many so

SOUTHERN DISABILITIES. IN THE POPULAR PRESENTMENT MADE by the democratic organs of the wrong by the democratic organs of the wrong doings of the Republicans, this constitutes the chief count, that "they have truthed the chief count, that "they have reduced ten sovereign States to a conditional truth whose united ages reached six and the chief truth whose united ages reached six and the nilliary government therein." It seems hundred shuffled off this mortal coll a tion of vassalage, and have established most highest so large a degree of talent, with a strong devotion to the interests to afford these organs a sort of dismal few weeks ago.

It is not very a sort of dismal few weeks ago.

It is not five constituents as well as of the natification to contemplate the present string their situation to the southern States, and to condition of the Southern States, and to remove that she is engaged to an Eng condition of the Southern States, and to condition of the Southern States, and to remove the she is engaged to an Eng createst appearance to the state of the states of the state of the states of the s
