SUBSITY OF THE PEACE.

Sarsh A. Hawn, of Shalerville, by made information before AlMcMasters, against William Litfor surety of the neace, alleging threatened to do her bodliy harm in was issued for his arrest.

LLEGAL LIQUON SELLING.

Statterly resterday made inforbefore Alderman McMasters,
Mary Connor, charging her with
liquor without license. The dewas arrested and after a hearing
to ball in the sum of five hunliars for his appearance at Court,

Cliques and Isms.

The medical world has become divided A WEDDING.

The medical world has become divided into so many cliques, isms, and pathles, that the general confidence which herefore against John Neitherharen, him with affiliation. The parter of the medical world has been much its country, since which, it apintimacy of undue characters of between them, which was inth its natural results. The n was made, and after a best were the medical world has not only been violently slaken, but its usefulness has been much inspired, because of the wide-spread stepticism the wranglings of these have produced among the people.

Of late, years, however, a change seems the way of the midds and the stepticism the wranglings of these have been wrought in the minds and a late of the wide-spread stepticism the wranglings of the wide-spread stepticism the wranglings of these have been wrought in the minds and a late of the wide-spread stepticism the wranglings of these have been wrought in the minds and a late of the wide-spread stepticism the wranglings of these have been wrought in the minds and a late of the wide-spread stepticism the wranglings of these have been wrought in the minds and the wranglings of the wide-spread stepticism the wranglings of these have been wrought in the minds and the wranglings of the wide-spread stepticism the wranglings of the wrong a more generous feeling is exhibited in the different medical seets; the upright and honorable among them meeting each other on terms of equality on all genera-occasions, without allusion or paying the amateur, and was won by the former by enty-two points.
