Satis, and a choice solutions of itterary and set. More that is a solution of the set of solution of the solu and scientry by the Civit Conff of Alityhary a blould be represented by ignorant jurors, is evening, as reference in superious interact, code invasion and in a science of the science o and it statesmen object to ignorance, in a good rat. The general opinion, how the jurybox, the proper way is to set off ever, seems to be that the drams is quite any set of the isly to work to eradicate the cvil as good as the story, which may be con-

strued as either praise or centure, as the different readers see fit. John S. C. Abbott, who has written LIVE OF THE QUERIE OF LOOKS, LIVE OF THE QUERIE OF EFGLARD, From the Norman Conquest. By Agnes Strick-land, author of the 'lives of the Guesans of Scouland." Abridged by the scukor, Revised and edited by Caroline 6, Perser, Pp.675. New York: Marper and Brokhers, Pittaburgs: Henry Miner. more careless histories than any other man, and who is to blame for half the of Scotland." Abridged by the action, Revised and collect by Carline G. Parker, false ideas of historical percents held by Pp. 65. New York: Marper and Brothers. Pitaburgi: Henry Mines Among the valuable contributions of try, has written another book of biograa historical character, is the "Lives of phy called the "Lives of the Freidents," the Queens of England," by which the "mich we do not intend to read. Collyer author attained an enviable position in too, the Chicago preacher, is writing a MARTYLE BOLLDING, Kee, Si and M JUAR STREE, FULDERG, Kee, Si and M JUAR STREE, FULDERG, Constry papers in Western Francyivalia, and the literary world. Its popularity has not been transient; and the work is subsers and sead.ag much sought after by the lovers of this subsers, and sead.ag much sought after by the lovers of this subsers, and sead.ag much sought after by the lovers of this subsers, and sead.ag much sought after by the lovers of this subsers, and sead.ag much sought after by the lovers of this subsers, and sead.ag much sought after by the lovers of this subsers, and sead.ag much sought after by the lovers of this subsers, and sead.ag much sought after by the lovers of this subsers and sead.ag much sought after by the lovers of this subsers and sead.ag much sought after by the lovers of this subsers and sead.ag much sought after by the lovers of this subsers and sead.ag much sought after by the lovers of this subsers and sead.ag much sought after by the lovers of this subsers and sead.ag much sought after by the lovers of this subsers and sead.ag much sought after by the lovers of this subsers and sead.ag much sought after by the lovers of this subsers and sead.ag much sought after by the lovers of this subsers and sead.ag much sought after by the lovers of the to writing secular fiction. Clergymen Statement of the preference to BOSTETTER'S BY MACR arted especially for the use of schools and families. Everything necessary to rep. families. Everything necessary to ren-der it pleasing and instructive for schol-saite purposes, has been retained and by for the present, the new period of carefully chronologized. The series of royal biographics begins with Matilds of gueror, a woman of much grace and beauty of person, down to her Majesty, Queen Victoria. It comprises the lives of forty in number. An interesting fea-ol families, and the schol the books, and have the old familioned school books, and have the The Becretary of the Treasury already of forty in number. An interesting fea-old fashioned school books, and have the protain, it is a proper in the source and the result of assessment in the source and the printers, and there is much anxie ty to see it. The source and the s PRESERVENT JORNSON has said that he wards y internal set of the se as his sermons are among the most pow- The Greatest Success Known of any standing, that publishes works of diction, secular that is, has at least one edition issuing or issued. Mrs. Btoddard, witcot the Boston poet, is about to publish a novel of American Biod active for any incident ing disease. The fam Biod solution is about solution is a solution of on Biod solution is about solution is a solution of on Biod solution is about solution is a solution of on Biod solution is about solution is a solution of on Bisic, and in many cases has gone 'ar beyon down and the solution is a solution of the solution of on Bisic, and in many cases has gone 'ar beyon bisic, and in many cases has gone 'ar beyon the solution is a solution of the solution of the solution is a solution of the solution of the solution is a solution of the solution of the solution is a solution of the solution is a solution of the solution is a solution of the solution of the solution is a solution of the solution of the solution of the solution is a solution of the solution of the solution is a solution of the solution is a solution of the solution o partment of letters, as all his writings indicate. The transistor has done her life, to be called. Temple House. Mrs. Stoddard's short stories have been do-The to be called. Temple House, Mra Biodiard's short stories have been do-mentic and entertaining, and we suppose, of course, her movel, although it is the first, will be just as good. Carleton & Co., who publish all of the Bouthern novels and all of the profes-sedly comic books, are about to lease an other of the former, called Vanyunded, by Miss Agnes Loonard, a now apprant for the weighty laurels which Miss Bee-lish Evans has placed on her polygiot HATTI AND JAMAICA are threatened part well, and she truthfally remarks in with an insurrection; therefore, say the beneveracy, negroes are unfit for polit-fairies, each of whom has a mission to cal power. Italy and Ireland are some-correct some childish fault, but who does ion. Does this her work so attractively and unobirus. prove that Italians and Irishmen should irely that the children for whom it is designed nover think of rebeiling against the moral which it is sought to convey. BECRETARY BEWARD has had an in-terriew with Thaddeus Storens, and ob-tained his promise of supporting a bill expropriating seven millions in gold for the partness of the Islands of St. Thom-the partness of the Islands of St. Thomfor the weighty laurels which Miss Bes-lah Evana has placed on har polygiot bers for a stream of the stream of the stream of the stream of the book. brow.
