LONDON, NOV. 22—Dispatches containing the gradifying intelligence of the safety of Dr. Livingstone, the celebrated traveller: and explorer, have been received. The particulars are few, but the Doctor is known to have been safe and well in April last. He was then exploring the wastes of Africa, hundreds of miles from the sas coast.

THE DISASTER IN THE WEST INDIES.

LONDON, NOVUMBER 22—The Colonial Office is in receipt of dispatches from office is in receipt of dispat Government officials in the West Indies, relative to the alleged Tortola disaster, indicating that the accounts heretofore published have been greatly exaggerated, while it is true the West India lainds were visited by a severe hurricane, near the close of last month, there is no evidence that Tortola suffered any more, or in any other way, than the other islands in that quarter. To-day the Democratic Executive Committee meet to arrange a Convenities for the nomination of a straight Democratic city ticket. We trust that Republicannis will not be caught asping, and by any staying at home, and falling off in their vote give ground for a further cry of re-action. The Republicant have already nominated their ticket, and it is one fit to be elected. The must choose are such as we can rely upon to trainest the city beautiful the committee of the contract nd various News Items. n that quarter.
