

CLEANINGS.
Yellow fever still rages in Mexico. Many cities are still closed to foreign travel. The Black Creek is dying of age at Toledo. Agents are being imported into this country. Montreal harbor is reported to be closing vessels. Lumber exchange has been organized in Dubuque. Two new skating rinks are in operation in Chicago. General Sherman was reappointed in Chicago on Tuesday. Robert Miller, a demagogue, is successful in Kentucky. Victor Emmanuel is styled Napoleon's Victory by his countrymen. Cassin M. Gray has been in very poor health for some time. A citizen of Mobile drew \$10,000 in the United States lottery at Charlotte, N. C. It is reported to be the best business in Europe at present. Young ladies with large resources are being sought in England. The United States navy is being reorganized. A lady, the vegetable dealer, died in Albany last week, aged 100. Utica is no longer a port. The skating rink contains 50,000 feet of ice. A recent legal decision deprived children of the privilege of being claimed as illegals. Thousands of people are said to be dying of starvation in the vicinity of London. Fifty-three marriages were registered in Boston during the first three days of last week. Why a woman like a cow? It is said that she both grew down—N. Y. Sun. A woman who had refused the wages of her play, is playing the woman in White in Louisville. An audience wants to know why anything is taken of a man who is called a dressed log? A case of eight notorious burglars was arrested and locked up in Burlington, Mass. on Saturday. A sandy morning rain has been falling since Monday night at St. Louis, and throughout the West. What are the ancient Greeks finding it profitable to plant? In the days of Croesus—Punch. It is said that A. T. Stewart has lost more than a million of dollars by the fall in the price of dry goods. An American weekly newspaper is to be started in Paris, to be published in the style of *Galignani's Messenger*. The big work which begins in Cincinnati has failed to meet its goal, although it had had new sales and two trials. The Diamond Edition of *The Saturday Evening Post*, which has been stopped, because it did not pay. Authors are poorly paid. A. J. Reynolds has been paid \$100,000 for his first novel. A Chicago paper says Mr. Howard to make haste to accept the presidency of the United States, or they will all be under the water in Chicago, or they will all be under the water in Chicago, or they will all be under the water in Chicago.
