The Hittsburgh Gazette PRIDAY, DECEMBER 18, 1807.

the bargain with Russia and thus defeat sined that the House is bound to to or not, or that the Secretary of the Treasury would be authorized to pay the money by reason of the ratification the treaty, even if the House failed consent graven objected. This is a free Ulmeration of the fact that the Consti

produce in the Southern States a condition of affairs analagous to that which interest from its perusal. Its characters prevails in Treland; only with the infe- are wrought out in powerful language, bilities, and this followed by severities

ntended to repress dissatisfaction, but the space of three hundred years, and the ready of the Science of Numbers by

governing" never existed in this world, and never will, until human beings shall be transformed into celestial creatures.

When a people are denied a kand in the government they are compelled to obey they have nothing to expect but a dear potism, and they will get nothing else however much they may expect if. Ir.

miserable existences, and dic. Raiably and from her own kitchen. It contains denouement, which is all that could be to population there are many more of these inferior ones among the present colpts. This work will be found there these inferior ones among the pressni calpts. This work will be found thorgeneration of blacks than among the oughly practical, and must be regarded lieve, is the initial specimen of this new whites, and for good reasons: but taking with greater favor than many of the publishing firm, who enter into the busiwhites who do not take proper care of the this character, whites who do not take proper care of themselves, and have not sufficient force in convenient form, and comprises 67 themselves, and have not sufficient force of character to do so, as there are blacks. In equity one rule should be applied to all these incompetents. We do not be all these incompetents. We do not be classes to tutilage would help their caser. There is a black on the classes to tutilage would help their caser. There is a black on the classes to tutilage would help their caser. There is a black on the classes to tutilage would help their caser.

dianship or governmental nursing. They more. Life is presented in different are now freemen. What we demand is forms, throwing light and shade upon that all their rights as such shall be re- he panorama. It will, doubtless, find a specied. The rest they must do for before the melvis. If they cannot endure the inevitable pressure that comes from contact, with civilized society, they must go under, and the sooner the better.

We apply this same reasoning to the under, and the sooner the better.

We apply this same reasoning to the weapply this same reasoning to the Indian; and hence we have found a coccasion to indulge in any of the puerlle sentimentality over their fats, either actually groupective, which is common in cartain circles. If they cannot or will not accept civilization, and hold their rown against the inevitable competition, their fate is so sure that it can neither be awarted or hindered. This is the ordination of nature, and any amount of whiling about it, is of no avail.

The blacks are among us, not by their choice, but by our own. They did not intrude themselves, but by the rankest violence were forced in. There is no rational prospect of their going away.

their fate is so sure that it can neither be averted or hindered. This is the ordination of nature, and any amount of whining about it; is of no avail.

The blacks are among us, not by their choice, but by our own. They did not intrude, themselves, but by other rankest violence were forced in. There is no rational prospect of their going away, or being transported against their wills. Expatriation, without consent, would be a figgrant wrong to them and an indelible disgrace to all who should be concerned therein. The best that can be done with them is to give them an equal chance, and no favors, and then if they fall the responsibility will rest on their own heads.

But we cannot help remarking, in this bonnection, that the class of the Irish in this country that have filled, and are filling, the civilized world with wall over the oppressions inflicted on them and an ordination of this search of the responsibility will rest on their own heads.

The profit of this beautiful and the if the thitteenth volume of this beautiful and the interest.

The admirable fall paged illum, and this beautiful in the bit take of interest. The admirable fall paged illum, and the same of mall, we have of mall on the arm of the present and the pres

the oppressions indicted on them and their's by the English, are the most vinder's the inhabitants of this country in their language and demeanor towards the blacks. If allowed to have their way, they would trample them into the very mire. Why is this? Do they who carry sorrows learn no leason the secondary of the secondary the side of justice and the secondary the secondary the secondary the interest of and senses when I achirch, and frequently into the very mire. Why is this? Do they who carry sorrows learn no leason the secondary the secondary the interest of and senses when I achirch, and frequently into the very mire. Showing his sympathies to be largely upon the side of justice and the secondary the interest of and senses when I achirch, and frequently into the very mire. Showing his sympathies to be interest the prescription of the volume, and or the sentiments of the sentiments. The sent action of the sentiments of the sentiments. from them? Do griefs only Larden the hearts that endure them? Does companionship in suffering beget no sympanionship in suffering begit no pathy? Has this enigma in character Yet to this animosity, which defeares conton or a work that has attained a continuous, the Democratic party coarsely panders, because to this section of our people it owes the strength that saves it from contempt or makes it formidable, more business than they would other.

The design of the image, and by a perseverace is its use of the image, and its use of the i Yet to this animosity, which defies rea-IN NEW YORK, all the way from Albary to Buffalo, it snowed several days last week, finally winding up with a northeaster, which made excellent sleight.
