minating Gen. Grant for President

upon the payment of seven millions of dent and Senate were by express provis-

ade treatles, the House was impliedly bound to make any appropriathat body to vote money against its

principles which all publicists of authoity unite as regarding to be essential to ident and Senate have an exclusive and engagements whatsoever, why did the Executive appeal to the House to lend its sanction by formally consenting The President, much as he has assur dare not put his hand into the Nationa to do that thing. The reason is obvious of Christ, by reading the word of God treaty making departments have competent of themselves to fulfil. Any treaty, not involving the payment of money, they can conclude independently of the House; but when they presume This species of women's rights needs to make a bargain that requires money for its consummation, they are constrained to ask the consent and participation of the Bepresentatives of the People.

And this is well. The Secretary of the Treasury is certainly infatuated with the belief that we can buy the Government the benefit of the process of women's rights needs collargement and more attention from the stream. This species of women's rights needs collargement and more attention from the stream. This species of women's rights needs collargement and more attention from the stream. This species of women's rights needs collargement and more attention from the stream. This species of women's rights needs collargement and more attention from the stream. wife all the wild speculations into Charlemagne, A'exander, Cmiar, eac were strong, but not strong enough for vast an undertaking. It is folly for

Twenty years ago it was the fashion to speak of wars as belonging to an earlier and ruder age, and to exult in

nlished only siluring on t

ers of like character, in a series with

had issuggrated the reign of peace At the Prosbyterial Convention, reamong the nations, destined to widen cently held in Stenbenville, Ohio, it was medicine which, sithough you can't carry it is and deepen until it should include all reco were appearances in the actual condition cources of revenue were dried up, and al Conference of the Meth codented liabilities. After a quarter of suspended. It thinks the Church has a century of strife, and tumult, and writers enough to enrich such a magabloodshed, and overturnings, repose was zine with solid and delightful thoughts;

NEW ADVERTISEMENTS. not only grateful; it was indispensable. to make it sparkle with words of beauty Even ocean cannot always maintain the and wisdom; to manufacture it into a turbulence of its wayes.

But, whatever incidental inconvesheculying men. It thinks it would be rienced, in that stormy era, strotching from 1769 to 1815, there was much in the retrospect to recompense for all the sacrifices endured. When the bloody drams opened, feudalism existed in the plenitude of its strength in all the continental nations; when the curtain fell upon the field of Waterloo fendalism was numbered among the relies of the past. In the convulsions of the times it went down to death; or, rather, those convulsions were produced by the rising up in wrath against it of the oppressed masses. The struggle was after, prolonged, bitter; but the finits theroot were pleasant to the eye and sweet to the teste. That terrifice ra stands interjected between the ancient and the modern world; and constitutes a historic barrier which the old barbarism can never pass over.

But, though the people gained much in that high controversy, they did not gain all. Having rested for a generation , horrors the nations expe-

But, though the people gained much in that high controversy, they did not gain all. Having rested for a generation to resuperate their wasted powers, the contest was renewed in 1848, under new creased the memberahip to fifteen hun-pretexts and indifferent forms; and with changing results has been continued to the contest was renewed in 1848, under new creased the memberahip to fifteen hun-pretexts and indifferent forms; and with changing results has been continued to the contest was renewed in 1848, under new creased the memberahip to fifteen hun-pretexts and indifferent forms; and with changing results has been continued to the contest was renewed in 1848, under new creased the memberahip to fifteen hun-pretexts and indifferent forms; and with changing results has been content to this contest was renewed in 1848, under new creased the memberahip to fifteen hun-pretexts and contraria contrarious curve with changing results has been content. The first colored Conference of the southern Methodist Church has tust been in the top violate the seat, there complaint, deep pint, real time, one time of the seat, there complaint deep pint, real time, one time of the seat, there complaint deep pints, real times content of the c will not be until Civil Liberty shall be held at Jackgon, Tennessee. SATURDAY, DECEMBER 21, 1567.

THE nine hours' is port system went into operation in the sifterest abops of the Reading Railroad Company on Monday, 91a inst., with a corresponding reduction in the wages of the employees. This must be the inevitable result so admitted to full participation, are fully resolved to be admitted to full participation, and interpretation in the wages of the employees. This must be the inevitable result so admitted to full participation in political rights. These two elements have four are said to be High Church, and the proposal of the proposa

crs to adjust this problem on the basis and speak under the inspiration of the dictated by France, shows that this peril to tranquility is now as active as at any former period.

| Application of the positive problem of the procession of the proc

former period.

A fresh cause of uneasiness is added to
the public services of Bishop Domenec,

RELIGIOUS INTELLIGENCE. It is generally conceded that a majoriton of the case. Their position is that the nate can conclude any being almost entirely males, the field of toriety. treaty they will without the consent of scrive duty for female labor in the the House, provided an expenditure of churches is very greatly cheumscribed.

Much has been said in regard to increase er, named Ableitner, living near St stitution makes no exception to the reing their usefulness in this direction, and Charles, Minn. was called up at mi quirement that all money bills shall but little done beyond imposing certain night by three men, who, when he open

inate in the House, and lives no induties pertaining to benevolent moved the door, attacked and least him and stion of an obligation on the part of ments. Of late some of the leading finally shot him dead. Next day search evangelical denominations have felt that was made for the murderers, and a man inst coty to work money against its progression and specific that the moral power existed for the particular case.

This latter certainly has the advant age of comporting both with the lotter and spirit of the Constitution. It conforms, moreover, to those elementary principles which all publicies of suntry case of the particular case.

The latter certainly has the advant age of comporting both with the lotter and spirit of the Constitution. It conforms, moreover, to those elementary principles which all publicies of suntry case of the particular case. a wast waste of moral power existed for the fined Whitman, was the nonet active in the lack of suitable work for the female the work. A few weeks later Whitman Compide as Guilles Course in the Mormal Statics cles among the families of the respective er. Search was immediately institut congregations, and thereby createds of bin and he was slowly traced fro quickening influence that would be felt town to town to New York, from thence with great force, not only in the public to Reynoldsville, in the same Stat prayer meeting, but at the dispensation where his family was found residing; of the Word, and in revival seasons.

Then, too, it is believed their sphere of puncties of Michigan, wherethe murderusefulness in visiting the sick and desti- er was captured and confessed his guilt tute should be enlarged from simply per. scknowledging that he was on orming the tender offices of affording temporal relief and sympathetic manifestations for their social and same time refusing to betray his accom-Treasury, take out seven millions, and temporal comfort might be in plices. Surely the old German pass it over to the Russian represents tive. Nor dare the Senate counsel him work of instructing them in the things the "sun brings things to light." temporal comfort might be in-created by the higher and nobler is here excuplified, and sooner or later

making departments have to them, offering prayer, and religious regagements they are not counsel. This kind of missionary work

ment rich, provided the Senate will only pondent of the Presbyterian Banner calls attention to the discuss winting that the Senate is smitten with Ohurch?" in the late Caristian Convenwall as individual, are victims to the organization of the Young. Women's lust of territorial aggrandisement. Many a man is dissatisfied and perturbed because he cannot acquire titles to all the farms coterminous with his own. Not a few such have indulged their greed to Sabbath cervices, to read, talk and pray with them, and employ means for their conversion, discovered the existence of a shocking and alarming extent, far becond what they conceived existed in our nidst. This has suggested a new field this Republic to follow their example. of labor, and they deairs to rake the and well for the House to stand firmly effort to rescue these fallen ones, by placing them in a Home where they will be under religious influences. The burden of the article is the plea for such upon its prerogative as guardian of the noney chest, and refuse to bankrupt the Government or burden the people by

purchases prompted by ambition, and a Home, and urging Christians hereabouts to take steps to secure one, and that right epeedily.

The Evening Mail, of New York, advises clergymen to "strike" for higher salaries, and that they should respect the dignity of their office by insisting upon their rights. The great problem in such matters is for them to so act that they

mmended that the members should ples upon the face of the go two and two, as far as possible, and hold protracted meetings in the churc were appearances in the actual condition of affairs which excused if they did not justify these roseate felicitations. Upon the fall of Nispoleon the Great the Entropy of the fall of Nispoleon the Great the Entropy of the fall of Nispoleon the Great the Entropy of the fall of Nispoleon the Great the Entropy of the Entro es; and that in each church these serviwely exhausted. The young men suscitation of the National Magazine, silen before the soythe of war, the which was started in 1852 by the Generthe exchequers burdened with unpre- pal Church, but after a few years it was
