TOLITICAL AND FINANCIAL UNRASINESS.

London, January 20.—Paris correspondents of the London press say a feeting of uneasiness is perceptible in political and financial circles. Though no one believes war is threatened from any quarter, still the great activity in the arsenal and dock-yards of France, and the pressure brought to bear upon the Corpe Legislatiff for the passage of the army bill, are circumstances which contribute to excite the public mind and to impair confidence in the stability of peaces.
