FINANCE AND TRADE,

OFFICE OF THE PITTSBURGH GAZETTE, MONDAY, March 16, 1868.

Gold opened strong at 139¼; advanced to 139¾, declined to 139⅝, and closed steady at that. The demand for gold is still limited, and the rise is only engineered by the foreign exchange dealers who hold a large amount of commercial bills which they are anxious to sell at about 140.

The investment demand for bonds is very light; the sudden decline during last week has freightened the small investers, and to buy at an advance, has always cost them a six months' interest. The fact is that the large holders of bonds have mostly sold out and the middle classes are the holders of our national securities at present, and can ill afford to lose ½ or 1 per cent. by buying above the average market value.

Stocks are dull to-day and lower, with little disposition to buy. In Erie, North Western, Cleveland, and all the Western Railroad companies the decline has been from 4 to 7 per cent. The unfavorable bank statement, together with the general bearish feeling of the operators, has cast a gloom over all the leading dealers which almost amounts to a panic. Local stocks are very dull, and a national decline in some of the Railway bonds are noticeable. Bank stocks are dull and difficult to sell, except at a concession.

Columbia (oil) is offered at 10 to 11, and other stocks sell far below their actual value. Money market tight.

Closing quotations as received by Ph. R. Mertz:

—The Boston money market has experienced a rapid change since our last, and even now may be said to be in an unsettled condition. Rates for call loads have advanced from 5 and 5½ to 6, firm, and at the last named quotation the demand exceeds the supply. Most of the dealers in government have increased their lines of call money, and there is noticeable a speculative demand for short loans, from parties who believe in an early advance in the price of some of the securities in the market. Three and four months paper of the very best character is discounted at 6½@7, and there is a good deal offering at the close of this week. A few of our bands are still crowded with small national bills; but the stock of these notes is being fast reduced. New York funds are still very scarce, and have sold very frequently during the week at a shilling a thousand or more, premium.—*Boston Post, 14th.*

PITTSBURGH PETROLEUM MARKET.

OFFICE OF THE PITTSBURGH GAZETTE, MONDAY, March 16, 1868.

CRUDE—The market was quiet but firm to-day, and while there was but little done, holders are obstinate and refuse to make concessions in order to effect sales. We have but a single transaction to report, one thousand barrels for June at 9c. There is no spot oil in market; all the month may be quoted at 8 to 8¼c, and the last sale reported for April was at 8¼c, but we do not believe that it could be duplicated for less than 8¼c. May may be quoted at 8¾ to 83/4c; June at 9c, and all the year, buyer's option, at 11 to 11¼c. As noted last week, the fact that there is no margin in the business at present tends to retard operations, as dealers do not seem disposed to invest in an article which promises no return, and the handling of which is attended by so much risk.

REFINED—There was a firmer feeling manifested in the market for bonded oil to-day, and prices, especially for future deliveries, are a shade better. We can report sales of 1000 each for August, September, and October at 29c; 1000 and 500 each for same months, at 29c—making a total of 7500 bbls. All the month may be quoted at 21½c; April, 25c; May, 25½c, and a "line," running from May throughout the year, may be quoted at an advance of from one-half to three-quarters of a cent for each subsequent month—offers to buy at the inside, and offers to sell at the outside quotation. As has been the case for some time past, there is but little oil offering, and even a slight advance does not seem to be sufficient inducement to cause refiners to enter the market.

—Since the above was put in type, we have the following additional sales reported: 1000 for June at 9c; 1000 for July at 9¼c; 1000 for August at 10c; 1000 for September at 10c; 1000 for June at 9¼c; 1000 for May at 9c, and 1000 for July at 9¼c.

PITTSBURGH MARKETS.

OFFICE OF PITTSBURGH GAZETTE, MONDAY, March 16, 1868.

The general markets were moderately active to-day, there being a fair volume of business in the aggregate, although the transactions were mainly of a local and unimportant character. The arrivals, both by rail and river, appear to be increasing, and while the supply of almost everything seems to be fully up to the demand, there are no important changes in values.

GRAIN—Winter Wheat is in limited supply and steady at $2,43 to $2,45 for Red, and $2,53 to $2,55 for White. Oats quiet but firm at 69c to 70c, on track, and 73c to 75c, in store. Corn is dull and neglected, but unchanged; may be quoted at 95c to $1, on track and wharf, and $1,05 to $1,10 in a retail way. Rye is scarce and firm with an upward tendency; may be quoted at $1,65 in first hands, and $1,70 to $1,75 in store. Barley is scarce and in demand at $2,00 to $2,10.

PROVISIONS—Bacon is steady at 11½@11¾c for Shoulders; 13½@15c for Ribbed and Clear Sides; 17@17¼c for Sugar Cured Hams, and 16½c for Breakfast Bacon. Lard is unchanged; prime kettle rendered is quoted at 16c, in tierces, and 16½c, in kegs. Mess Pork, $25@25,50.

FLOUR—Is steady, with a fair local demand but unchanged. We continue to quote at $10,50@11,25 for Spring Wheat; $12 @12,50 for Winter Wheat, and $14@15 for fancy brands. Rye Flour is firm at $8,25 per barrel, and Buckwheat is steady at $4,50 per cwt.

SEEDS—Cloverseed is quiet and unchanged at $8@8,25. Timothy Seed is dull at $2,75@3. Flaxseed is in active demand; sale of 100 bushels, on private terms.

BUTTER—Is coming in more freely, and the market is a shade easier, though, as yet, prices are unchanged—prime to choice Roll, 48@52c.

EGGS—Quoted at 24@25c.

DRIED FRUIT—Peaches firm but unchanged; regular jobbing sales at 11½@11c. Apples steady at 7@8c.

HAY—The arrivals will, no doubt, be light for some days, as the roads are in very bad condition. We continue to quote at $18@24, as to quality.

LARD OIL—Is firm but unchanged; regular sales of No. 2 at 98c@$1, and $1,28@$1,30 for No. 1.

GREEN APPLES—Steady but unchanged; sales at $3,50@5,50 per bbl, as to quality.

POTATOES—As noted last week, the demand is more active, but prices are unchanged; we continue to quote prime Peach Blows at $3,25 per bbl.

CRANBERRIES—Are being sold at from $15@17 per bbl.

BEANS—Scarce, and in fair demand, with sales at $4@4,50 per bush.

HOMINY—Is unchanged; regular sales at $6,25@6,50 per barrel—$6,75 in a retail way.

ALLEGHENY CATTLE MARKET.

OFFICE OF THE PITTSBURGH GAZETTE, MONDAY, March 14, 1868.

CATTLE.

There was a very light supply of Cattle on sale to-day, and with a fair retail demand, the market was a very stiff one, and nearly all the Cattle on sale had changed hands by eleven o'clock. Compared with last week, common to medium stock may be quoted from one-half to one cent per pound higher, while prime to extra fat Cattle have undergone but little change. There was also a very good demand for stock Cattle, and we can report sales at 5½@6 to 6¾c, as to quality and condition; bulls may be quoted higher, selling at from 5½@6 to 7c. There were several sales of show Cattle, at prices ranging from 9½c to 10c. Upon the whole, the market was sharp and quick, and holders had it pretty much all their own way, in consequence of the very limited supply, and the butchers always buy with less hesitation when the supply is light and the yards are rapidly being cleared, as was the case to-day; indeed, we believe that a much larger number could have been sold than was offered, as many of the butchers did not get all they wanted, and we noticed some of them lounging round after the pens were pretty well cleared. The following are the sales:

Stakely & Bro. had 23 head on sale; sold one pair of six-year old oxen to Greenwald & Kahn at 8¾c, and the balance, consisting of cows and heifers, were sold at from 4½ to 6¾c.

Myers & Needy sold 30 head of good Chicago cattle at 8½ to 9; 30 head of Ohio stock at 7¾ to 8¼; 4 head Licking county Ohio, oxen at 10; one extra cow to L. Shamberg at 9½, and 20 head of stockers at 6¾.

E. H. Davis wholesaled 80 head of pretty good Ohio steers to Myers & Needy at 7½.

Glass, Lafferty & Co. retailed 13 head of mixed stock at 7¼ to 8¾.

L. Keefer retailed 15 head of Penna cows heifers and bulls at 5 to 7½.

Marks & Trautman report having sold about 100 head of Ohio and Illinois cattle at 7¼ to 9 for good to extra, and 5½ for similar stockers.

Hazlewood & Blackstock sold 6 head to Hasson at 6¼ to 8¼; 10 head for E. H. Davis at 6 to 7, and 14 head for Graham & Munroe at 6¾ to 8¼.

John Kerwin reports having bought 1 head of bulls at 5 to 6¼. John is now regarded as being the best bull buyer in market, as he is an excellent judge of this class of stock.

E. Katz sold 21 head of inferior to common Ohio stock for Roenbaugh at 4½ to 6.

L. Rothchilds sold 27 head of Chicago cattle at 7,30 to 8.

Kraus & Haas report having sold 41 head of Chicago cattle at 7 to 9.

Greenwald & Kahn sold 45 head of Chicago stock at 8¼ to 9½.

Beeler sold one pair of prime Penna oxen to Stakely & Bro. at 8,45.

Our old friend Carr had no cattle to-day and the same was true of Jas. McAllister, Hedges & Taylor, Hariman & Shamberg, M. Verner, and Smith & Talmage.

SHEEP.

There was quite an active demand for Sheep to-day, and with only a moderate supply, the market was a remarkably stiff one, and compared with last week, prices have still further advanced. Beside the butchers, there was some inquiry for shipment, and as a consequence, holders experienced no difficulty in selling, and the rise, too, at the advance above noted. The following sales were reported:

Aull & Myers sold 61 head of prime fat sheep to Tesh & Bro. at 7¾; and 20 head to Richardson at 7.

Sargeant wholesaled 50 head of good Ohio Sheep, averaging 90 lbs, to Myers & Needy at 6¾.

E. Katz wholesaled for Roenbaugh & Myers & Needy 43 head at 6,40.

Stakely & Bro. had 67 head of Pennsylvania Sheep on sale—we did not get the prices.

Rinn & McAllister wholesaled 121 head to Myers & Needy, averaging 86 lbs, at 6¾, and retailed 118 head at 5 to 7.

HOGS.

The marke for this class of stock is firm but quiet, and the exorbitant prices now prevailing, is having its effect in diminishing very much the demand for fresh pork. We now quote in a retail way at 9c to 9½ gross, as to quality and condition.

Myers & Needy report having retailed 1 head at 8,50 to 10.

Emerick & Co. report having sold about 200 head at 9 to 11.

Rothchils & Myers report having sold 1 head at 9.
