PROPRIETORS,

Office, 356 Penn Street, Pittsburgh, Pa. The best Ecrilizer in use; and recognized by a farmers who have given its trial, to be the standard for raising large crops of Wheat, Bre. Oats, Corn, Pats toes, ac., We have published for gratification a pamphlet containing interesting land rainable estements of this Rectilizer, copies which will be seat free to any sending us their adRIVER NEWS.

The Allegheny river was falling slowly at this point last evening with a little over twenty feet in the channel. At Oil City early in the day it was reported rising with fifteen and a half feet in the channel. The Monongahela was also receding last even ing with scant twenty feet by the marks. The weather yesterday was clear and pleasant and all that could possibly be desired for the transaction of out door business.

The arrivals since the date of our las report include the St. Charles from Cincin-nati and Bellevernon from St. Louis. The Wild Duck from New Orleans and Glasgow. from St. Louis were due last night and will doubtless be found in port this morn

The Bellevernon left for St. Louis last evening almost flying light. She has considerable freight engaged at Wheeling. The Importer was sold at auction vester-day for seventeen thousand dollars to Capti James Rees. She is a good boat, but little over two years old and cost when new something over forty thousand dollars. She will be sent to the Upper Mississippi, with Capt. John A. Williams, of St. Louis in command. n command.

Owing to some alterations which it is found necessary to make, the Leni Leoti has given up her mountain trip to the Yorktown, and will go on the dock. The Yorktown will be in charge of the veteran Capt. Wash Ebbert and she will take her leparture on Saturday evening.

The Wauanita, Capt. Thomas Shuman, is filling up rapidly for the Missouri river, as also the Lorena, Capt. Samuel Shuman for St. Louis. The R. C. Gray, Capt. An-derson is up for Cairo and Memphis, and the America, Capt. Poe is np for Nashville. The Bellevernon, Captain J. J. Darragh, will leave Wheeling for St. Louis on Fri day evening.

The Wild Duck and barges, Capt. Anawalt, are announced to leave here for St. Louis on Saturday. Says the St, Louis Republican, of Sunday: Says the St. Louis Republican, of Sunday:
Operations with the mountain flect commence in earnest to-morrow, the following
steamers leading off, viz: Only Chance,
Capt. Thos. Townsend; Cora, Capt. Joe. B.
Kinney; Success, Capt. Tom. W. Rea;
Gerard B. Allen, Capt. John P. Kesser; H.
D. Adkins, Capt. Win. Terril, and Walter
B. Dance, Capt. Geo. W. Boyd. The officers commanding these steamers are well
known in the mountain trade, and their
names are a guarantee that successful trips
will be made. Other steamers will fall into will be made. Other steamers will fall into line as fast as needed. The merry fleet of six barges, towed by the Ocean Wave, lelt yesterday for Dubuque under the command of Capt. Alex. Grant. Capt. Jake Sedam has purchased of the St. Louis and Packet Company, the stern-wheel steamer Lacon, Capt. S. left last evening on the city of Pekin to bring the Lacon to this port, when she will be put in order for a trip to Benton. The Arabian left Little Rock on Friday,

with a fair cargo for this port. Ben. Johnson and Fred. Dozier have purchased the side-wheel steamer Isabella, for \$8,500. Capt. John D. Adams, of the Memphis and Arkansas River Packet Line, is now in our city on a business trip. The steamer Ill-inois, of the Peoria line of packets, came in yesterday, having in tow two of the M. V. T. Co.'s immages because T. Co.'s immense barges, heavily laden with produce from the Illinois river, which goes through without breaking bulk. The Camelia, of the "O" line, follows the Glascamein, of the "O" line, follows the Glasgow to Omaha, leaving on Tuesday. On the same day the Jennie Lewis, of the "Star" line, leaves for Lexington. The Success, Capt. Tem Rea, was receiving freight yesterday for Fort Benton, being the first boat of the season.

A St. Louis telegram, under date of Monday, says: The river is rising but slowly. There is a gradual decline of the upper rivers going on. The weather is uncomfortably warm. Business on the wharf and rivers is particularly active. Several steamers are at the wharf, having made freight arrangements. The Cagrie arrived from Pittsburgh vesterday, partially loaded mountains. Four feet in the Mi souri below Lexington, and falling. In the case of the collision between the steamers

having large freights of general merchan-dise. Shipments were moderate. Cotton receipts are steadily decreasing. The weather remaining cloudy and warm, anything but pleasant or invigorating. Advices from the upper rivers give reason to appro-hend an overflow in the Lower Mississippi, which is nearly bank full and advancing steadily, with thirteen or fourteen feet in the channel to Cairo; added to which we have the information that White River is out of its banks, and a big rise in Black River, to say nothing of the late rise of twenty feet in the Arkansas.

We clip the following from the Cincinnati Gazette of Tuesday: nati Gazette of Tuesday:

The Delaware probably arrived from Pittsburgh during the night, heavily loaded, mostly with Nashville freight. She will receive some lots here, and is announced to leave this evening. Mr. W. R. Shaw left for Pittsburg last night to take charge of the office of the Waunanita, loading at that place for Fort Benton. Capt. George Baker, forward, of the Sherman. Left for Pitts. formerly of the Sherman, left for Pitts-burgh by rail last evening to attend the auction sale of the Importer, which takes
