CROSS PURPOSES. love my charming Polly, and My charming Polly, she s fond of Dick, who'd give his hand For Fan, who dotes on—me. Each day I try my Poli to meet, My Polly pines to see Young Dick who lounges every street For Fan, who hunts up—me.

I frown when Fanny's path I cross.
Fan young Dick to see,
Dick swears, the rorgue! at Poll, who'll toss
Her head at sight of—me. Oh would some kindly fate transfer. Fan's love to Dick, and he But no! it is the lot of man:

That Poli loves Dick—while Dick loves Fan.
And Fan is sweet—on somebody else. VARIOUS TOPICS.

—The ice still holds at Montreal. -A \$100,000 cotton mill is to be erected at Peoria, Ill.

-1,500 barrels of eggs are daily consumed in New York city.

-Baden has a Jew for Finance Minister in its new Cabinet.

-Judy wants to know what is the female name answering to mandamus. -The New York plasterers have sent \$500 to the strikers in Boston.

-For maple sugar this has been the best year ever known in New Hampshire. -One hundred dollars per acre are made

this year, in North Carolina, by the pea nut -St. Pudentius is the title of Cardinal Bonaparte. Pope Pudentius would sound

quite novel. -Mrs. Alphabetical Southworth is what

the Chicago Post calls the renowned novelist and woman of letters. -General Forrest is supposed to be the

head centre of the Ku Klux Klan. A fitting representative of the society. -Father McMahon, one of the Fenians

imprisoned in the neighboring Dominion, is lying at the point of death.

—It is unlawful to spin tops in the streets of Nashville, Japanese citizens will find this ordinance oppressive and unjust. -A young married man lost recently, at

a single sitting, \$100,000, at a Paris club. Gambling is very fashionable in that capital. -The Present Baron O'Neil, the descendant of the famous King of Ulster, "The O'Neil," is a clergyman, the Rev. William

to defeat the Arcade railway bill for New York; but a combination of capitalists for once defeated him

-Some one says that if Drew has the last chance, he will have a monument of himonly to cost \$250,000.

-Mrs. Howard Paul, who with her husband gave some delightful entertainments here a year ago, has charmed England this

season as the Grand Duchess. -Mr. John Masker, of Trenton, N. J., was bitten two months ago by his wife's pet dog, and a few days ago he died. Moral-

"Beware of your wife's pet dogs." -The Turkish government has decided to send \$500,000 on a two turret monitor few police seem to do better than the many tian monitor for the infidel ports.

a team of horses, while engaged in harrowung, and all found dead together, at Pottsville, Iowa.

Co., will it is now said, receive their claims able and pious clergyman, opposed to the in full with interest, the assets of the firm having proved larger than the liabilities."

-The 78th Highlanders at Montreal having found the weather milder than it was, have taken off their trowsers, and go round in kilts and bare knees once more.

-Dr. Chapin's salary is \$12,000, and his congregation recently made him a donation visit, during which they presented him with the house in which he lives, valued at \$38,-

-Vociferous is the latest corruption of Vesuvius that the funny men, who spell things wrong and pretend they know better, when they don't, have been inspired to

ge, off. -Mr. Bonner has siezed upon Miles O'Rielly for the Ledger. Why Mr. B. should depart thus from his usual good taste in the selection of contributions, we are un-

able to state. -The Minnesota Historical Society has come into possession of a treasure, the real and only scalp of Little Crow, the leader of the Indian massacre of 1862. It is tanned and will keep.

-Edwin Forrest pays \$40 a day each to Barton Hill and Miss Lillie. \$40 a day is. \$12,480 a year leaving out Sundays, or very nearly \$25,000 for the two. Mr. Forrest's income must be very large.

-It is a mooted question whether cardinals or ambassadors have the right of precedence at the Tuilleries, and it is one that gives an immensity of trouble to the master and mistress of ceremonies.

-Doylestown, Pa., has not a single fire engine of any description. The people have been talking about getting one for years, but will probably wait until some

great fire destroys half the town. -It turns out that the poet Swinburne knows nothing about Menkon, and that the joint photograph of the two is a mean concoction gotten up by some of the enemies of

England's greatest modern poet. The Illustrated Police News has been so thoroughly opposed by Superintendent Kennedy, of the New Kork Police, that wholesale dealers sent the whole edition back to

the publishers at Boston last week. -The town council of Liverpool decided to erect a Fine Art Gallery at a cost of \$90,-000, but their pecuniary liabilities are so

great that they have changed their plans, and no Fine Art Gallery will be built. A man in New Orleans committed suicide with a bomb shell. He shut himself up in a room with the projectile, and calmly

was blown into a thousand pieces and eternity at the same moment peofs tomas on The Boston Post is responsible for the yura a statement that there is a widow in Kumulayoung has often been recommended, but there is such a thing as over doing every.

is nothing like being exact in imparting news to the public.

-Madame Celeste will take her farewell of the stage shortly in London, under the patronage of the Duke of Edinburgh. Upwards of thirty years have passed since she first trode the boards in Pittsburgh. She was then a danseuse.

-Vetoes are popular. The veto fever has gotten up to Maine. The Mayor of Bath, not being able to veto anything else, exercised his powers in that line on an ordinance increasing his own salary. Putnam is the name of this heroic man.

-Two thousand five hundred dollars worth of valuable silks and laces were stolen from the dry goods shops of E. Will, on Arch street, Philadelphia, on Tuesday night. False keys were used, and no clue

to the robbers has been discovered. -A commission among the learned, is being held in Paris by the French Navy authorities, to find some means of utilizing petroleum on board of the French Navy. Had not the Pittsburgh Petroleum Associa-

tion better send on a committee at once. -A new single span suspension bridge over the Schuylkill from Bridge to Spring Garden streets, in Philadelphia, is proposed. The old Fairmount wire bridge would then be given up to the Park. Eight hundred thousand dollars is the price of the proposed

improvement. -Two hundred French tradesmen have left the capital of Egypt and gone back to France because they charged too high and the Viceroy took his custom from them. The present descendent of, or successor to the Pharaohs is not the man to be charged too much with impunity.

-"No Popery" riots are convulsing Rochdale, the home of John Bright. Intense excitement, several murders and the demolition of a Roman Catholic chapel as well as the dwellings of some citizens professing that faith, have made the town rath-

er an unpleasant place to live in. -The old house on Broadway, between Seventy-fifth and Seventy-sixth streets, New York, said to be the oldest in the city, and known as that in which Louis Philippe taught school in this country while a refugee, -Mr. A. T. Stewart used all his influence is to be torn down to make room for the widening of the Bloomingdale road into the

new boulevard. -Dietrich unexpectedly lest the English opera troupe at Cleveland, and Caroline Richings assumed the baton and directed self costing £300,000, because Vanderbilt's is the orchestra herself. She is the most energetic and pushing of women. We actually believe that if Campbell, Castle and Mrs. Seguin were to leave suddenly, she would sing baritone, tenor, soprano, everything in fact and chorus to boot, and do it well too. -A man named Henry Clemens was robbed of his watch and money and so badly injured that he died the next day. This

outrage occurred in Philadelphia at Eighthand Walnut early Monday evening. Our which shall be built in England. A Christin in the Quaker City, At least we have no knowledge of any highway robbery and On Wednesday of last week a boy and murder taking place in one of the principal streets of this city. -Below we give a paragraph, absurd in

its utter falsity, which is going the rounds of -The creditors of Overend, Gurney & newspaperdom. Dr. Dix is a very popular, heresies of some of his brethren, but in no more danger of being removed than is Mt. Vesuvius or Great Britain:

"Rev. Morgan Dix, D. D., rector of Trinity Church, New York, and a son of Gen. J. A. Dix, Minister to France, has been suspended for false doctrines and Ro-

manistic tendencies." -Cleveland is going to have a natatorium, or swimming pond. Why can't we? Swimming is healthier and much more uscful than skating. It is pleasant. Our rivers are either too muddy or too oily for bathing in, and females cannot well go to them anyhow. New York, Philadelphia and Boston have natatoria; why cannot the Smoky City have one, too? As an investment they are exceedingly profitable every place else, and would no doubt be so here. Let some

one try the experiment or start a stock company. -The Young Men's Christian Association of Troy, N. Y., permit games to be played in their rooms, chess, draughts, backgammon and cards. Of course no betting is allowed, and yet the rooms are crowded, and several of the keepers of low places of amusement are trying to get up an excitement against, the Association because their business has been ruined. This sounds well, but we know of some places where the people would, we believe, rather have the young men do anything, no matter how helious, rather than have them play a game of cards, so great is the prejudice existing against these pieces of printed pasteboard.

SINCE THE contemptible charge that Gen. Grant is an intemperate man has been so overwhelmingly refuted, I see that the Democrats say, "Well, at least, Grant is not a church-going man." This objection, in view of the singularly devout Democratic party, must be so serious that I hasten to relieve their burdened could be the statement. relieve their burdened souls. Gen. Grant and his family are, I believe, Methodists. The General quietly gave \$10,000 to the Metropolitan Methodist Church to be erected in this city. He has generally worship-ped at Wesley Chapel, but has recently tak-en a pew at Dr. Sunderland's church, and your correspondent sees him with his fami-ly almost every Sabbath in that pew. Dr. Sunderland is one of the formark. y amost every based in and pow-junderland is one of the four preachers in Washington who were outspoken loyal men, and Grant likes him. The simple fact is, Grant is a modest, temperate, honest, brave, faithful, clear-headed man. He is worthy the love and honor of the American people, and will receive it in spite of malignant slanders of any man or party.—Correspondent Rochester Democrat.

An Atlanta paper tells of a chap who came down from one of the upper counties and encountered a man with a hand organ covered with green cloth. The man began to turn and the country has put down a quarter, which the other immediately took prieces and eternity at the same moment.

The Boston Post is responsible for the same fate, and then another, which shared the same fate, and then another. The transger, inding his rile getting low, turned to a by stander and asked: "Mister; what sort of a game is this, any how?"
