## RIVER NEWS.

Both rivers were again rising yesterday with twelve feet six inches in the Allegheny, and about eleven and a half in the Monongahela. The weather yesterday was unsettled with occasional showers of rain.

Advices from the headwaters of the Allegheny report as follows: Oil City—five feet nine inches and falling; weather cloudy and warm. Tidioute—forty-six inches and falling; weather getting colder.

The arrivals since our last include the Bayard, from Parkersburg; St. Charles, from Cincinnati, and Lorena, from St. Louis. The Alice V. was due from St. Louis last night, and will doubtless be found in port this morning.

The St. Charles, for Cincinnati, and Robt. Moore, for Portsmouth, constitute the departures. The St. Charles, we presume, would not get out until after dark, as she would be unable to get her freight on board before that time.

The R. C. Gray, Capt. Anderson, is filling up steadily for Cincinnati and Louisville. The Gray will receipt freight through to Memphis and New Orleans.

The Grey Eagle, Captain Brennan, is the regular packet for Parkersburg to-day, leaving promptly at noon.

The Importer, Captain Williams, will positively take her departure for St. Louis and Fort Benton to-day, and the Silver Lake, Capt. Todd, is also announced to leave for the same points this evening. These boats are both connected with the "Rees' Line," and are in all respects well adapted for the long voyage they are about to undertake.

The Bellevernon, Capt. Darragh, and Mary Davage and barges, Capt. Campbell, will be the first boats to leave for St. Louis. The Bellevernon will receipt freight to all points on the Upper Mississippi, in connection with the "Northern Line."

The Leni Leoti is on the dock undergoing repairs. It expected that she will be off sometime next week.

We have no further details in regard to the sinking of the Carrie.

The Spray is to be sold at Marshal's sale at Cincinnati on Monday next.

Capt. Henry Miller, of Evansville, has purchased one-half of the steamer Fannie Brandies, and will run her in the Evansville and Nashville trade.

The Glendale, en route from St. Louis to Pittsburgh, was at Cairo on Wednesday. She has 800 tons of iron ore for Steubenville; 76 tons of pig metal, 600 bbls sand; 466 bgs millfeed, 200 bbls flour, and 30 tons of sundries, for this port.

The Ida Rees and Glasgow left Louisville on Wednesday, en route for St. Louis. The New York was to have left Cincinnati for Pittsburgh on Wednesday night.

A St. Louis telegram, under date of Wednesday, says: The Silver Cloud, from Dubuque yesterday, loaded to the guards with St. Louis, New Orleans, and Ohio river freight, leaves to-morrow for Pittsburgh. Armenia left last evening for Pittsburgh; will have a full load, having engagements below here.

A late Cincinnati paper says: The purchasers of the Leonora No. 2, which boat was sold at Marshal's sale, a few days since, after passing over their check for the amount of purchase money and receiving bill of sale, proceeded to take possession, but found the Sheriff had a man in charge, who informed them that he had been "Captain" for Seventy-seven days and did not relish the idea of being discharged. This not meeting the views of the owners, they stopped payment of the check until matters were satisfactorily adjusted.

The depot quartermaster, at St. Louis, invites proposals for the transportation of 382 tons of grain to Fort Sully, 87 tons to Fort Rice, and 564 tons to Fort Thomson. This is a pretty good opening for those steamers of the mountain fleet that have abandoned the idea of going to Fort Benton.

The Louisville *Courier* says: Since fast runs are in vogue we can cite the best coal run, if not the biggest on record. The tug towboat Dick Fulton No. 3, Captain W. S. Packer, made the trip from this port to New Orleans, in seven days and twenty-three hours, with a fleet of barges containing 7,500 tons of coal. This was a feat in the towing line hard to beat. The pilots were Burrett & Taylor.

Captain T. O. Sweeney writes to J. Cunningham & Co., of Cincinnati, that he has concluded to run the St. Marys as weekly packet between Cincinnati and Pittsburgh, leaving there every Friday evening, and Pittsburgh every Monday evening. She will be here to leave Friday of next week.

The St. Louis *Republican*, of Wednesday, says: Capt. W. R. Haslett left yesterday for Pittsburgh, and as he has abandoned the idea of establishing a line of boats to the moon, will not go by Madison to Louisville.
