CHEAPEST BUILDING LOTS in the thirting villes of the sale in the MARKET are those offered for sale in the thriving village of Allentown, adjoining the Birmingham line, and only fifteen minutes' walk from the end of the Monougahela bridge. This town is growing rapidly. Uver \$70.000 was realized for lots sold last season, and over fifty neat dwellings were erected during the season. As a special inducement to mechanics, we are willing to close the balance of the lots at the low price of from \$200 to \$350 each, and on terms easier than paying rent. We are on the premises every afternoon from 3 to 7 o'clock or apply at our office, corner of Fourth and Bmitafield streets.

600 MILES OF THE

UNION PACIFIC RAILROAD Are now finished and in operation. Sixty miles of

track have been laid this spring, and the work along the whole line between the Atlantic and Pacific States is being pushed forward more rapidly than ever before. More than twenty thousand men ar loyed, and it is not impossible that the entire track, from Omaha to Sacramento, will be fluished in 1869 instead of 1870. The means provided are ample, and all that energy, men and money can do to secure the completion of this

CREAT NATIONAL WORK, At the earliest possible day, will be done.

The UNION PACIFIC RAILROAD COMPANY I.-A GOVERNMENT GRANT of the right of way

and all necessary timber and other materials found along the line of its operations I.-A GOVERNMENT GRANT of 19,800 acres of land to the mile, taken in alternate sections on each side of its road. This is on absolute donation, and will be a source of large revenue in

the future. II.-A GOVERNMENT GRANT of United State Thirty-year Bonds, amounting to from \$16,000 to \$48,000 per mile, according to the difficulounted on the various sections t be built. The Government takes a second mort-gage as security, and it is expected that not only the interest, but the principal amount may be paid in services rendered by the Company in transporting troops, mails, &c. The interest is now much more than paid in this way, besides securing a great saving in time and money to th

IV.-A GOVERNMENT GRANT of the right issue its own FIRST MORTGAGE BONDS, to aid in building the road, to the same amount a the U. S. Bonds, issued for the same purpose and no more. The Government permits the Trustees for the First Mortgage Bondholders to deliver the Bonds to the Company only as the road is completed, and after it has been examin ed by United States Commissioners and proced to be in all respects a first-class Rai road, laid with a heavy T rail, and completely supplied with depots, stations, turnouts, carops, locomotives, cars. &c.

VI.-NET CASH EARNINGS on its Way Business that already amount to MORE THAN THE IN-TEREST on the First Mortgage Bonds. These earnings are no indication of the vast through iness that must follow the opening of the line to the Pacific, but they certainly prove that

FIRST MORTCACE BONDS upon such a property, costing nearly three times Int. ARE SECURE BEYOND ANY

CONTINGENCY. The Company have abundant means in their treasury, and make no appeal to the public to pur chase their Bonds, as the daily subscriptions are en irely satisfactory; but they submit that, for entire security and liberal returns, there is certainly ne better investment in the market.

The Union Pacific Bonds are for \$1,000 cach, and have coupons attached. They have thirty years to run, and bear annual interest, payable on the firs days of January and July, at the Company's Office in the City of New York, at the rate of six per cen in gold. The Principal is payable in gold at maturity. At the present rate of gold, these bonds pay an annual income on their cost of
