## FINANCE AND TRADE.

OFFICE OF THE PITTSBURGH GAZETTE,
TUESDAY, June 2, 1868.

Gold opened dull and lower in the morning at 138⅝, but as the day advanced, the market became strong, and it closed at 140½. The demand for export continues unabated, and the imports of general merchandise are nearly equal to the largest figures during the war, whilst our exports have dwindled down to about one-third of the imports. Under such circumstances, unless a large demand arises for United States securities abroad for investment, the shipments of coin have to increase rather than decrease. At the rate of gold exported during the last three weeks, the supply in Bank now would just last to July next, and, consequently, the premium will rule high.

Government bonds suffered a decline today of from ¼ to ½ per cent., but since the investment demand is on the increase, it must be inferred the depression is merely temporarily and artificial. It is surprising to see people now to invest at present prices, 113¾ for 1867s, that would not pay 108 for them. Seven Thirties are coming in freely, and by next July there will be few left to be exchanged.

The stock market was dull and lower today. Fort Wayne, after having reached 116¼, suddenly broke down, and was offered at 113½, a decline of three per cent in almost a moment. Fort Wayne carried down the balance of the list. In Express stocks the same dullness and entire absence of purchasers prevails. Mining shares were less active to-day, but quotations were well maintained.

Business is very quiet and money is scarcer. None but first-class borrowers can be accommodated. Some inquiry is made for bank stocks at high prices, by parties who do not wish to buy Governments.

Closing quotations as received by Ph. R. Mertz, were as follows:

Gold, 140½; 1881 bonds, 116; 1862 5-20s, 112½; 1864 do, 110⅝; 1865 do, 110⅝; Consols, 113½; 10-40s, 105½; 7-30s, 109½.

Railroads—Cleveland & Pittsburgh, 68½; Fort Wayne, 113½; North Western, common 69; North Western—preferred, 81½; New York Central, 134⅜; Erie, 68½; Old Southern, 89⅜; Ohio & Mississippi, 30¼; Merchants Union Express, 30; Western Union Telegraph, 38¼. Mining Shares—Corydon, 30; Quartz Hill, 115; Quicksilver, 29.

The New York Times, of Monday, says: Governments continue in good demand for all classes, and the desire to operate for an advance is unabated. The investment demand continues very heavy, and large blocks are taken by lenders of money who are unable to place their balances at better than 3 per cent., and prefer this mode of getting a fair rate of interest. The enormous conversion of Seven Thirties for the past week has prevented the issue of the coupons of 1867 as fast as the demand of investors required, and dealers who have converted notes and sold the bonds find themselves short and are active borrowers. The day's business was the heaviest ever done in Wall street, and the demand continues to increase every day, and much higher prices are predicted by the large operators.

The same paper also says: Money continues easy, and the amount offering at 3 and 4 per cent. is largely in excess of the requirements of the speculative demand in the street. The banks who during the late money pressure were so eager to make shares, and used their utmost endeavors to exact large commissions from their dealers, now find great difficulty in placing their funds, brokers preferring to take the money of banks and bankers who accommodated them during the panic at higher rates of interest than those offered by these over-sharp dealers, who will find that in the long run it is for their interest to relieve instead of intensifying a money panic. At the close money was offered in large blocks at 3 per cent., and holders were unable to place funds at any price. The money market is now easier than at any time within the past six years, and promises to remain so for the next 30 days.

Closing quotations received by James T. Brady & Co.:

Gold, 140; U. S. 6's, 1881's, 116; 5-20's, 1862, 112¼; 5-20's, 1864, 110⅝; 5-20's, 1865, 110⅝; 10-40's, 105⅝; 5-20's, January and July, '65, 113½; 5-20's, January and July, '67, 113⅝; June 7-30's, 109⅜; July 7-30's, 109½; May Comp., 1865, 119-40.

### New York Dry Goods Market.

[By Telegraph to the Pittsburgh Gazette.]

NEW YORK, June 2.—The weather is gloomy and trade dull; the market consequently is lacking in buoyancy. The only important changes noticeable to-day is the reduction in price of New Market A Brown Sheetings and Great Falls M to one shilling per yard. Heavy standard Sheetings bring 16½a17½c, and standard Prints 12½a13½c.

### Chicago Cattle Market.

[By Telegraph to the Pittsburgh Gazette.]

CHICAGO, June 2.—Beer cattle firm and quiet at $6,50@7 for stock cattle and common steers, $7,25@8,25 for fair to good butchers steers, and $8,40@8,80 for good shipping steers. Hogs dull and 15@30c lower; sales at $8@8,25 for common, and $8a9,55 for good to extra choice. Receipts—880 live hogs.

## PITTSBURGH MARKETS.

OFFICE OF PITTSBURGH GAZETTE,
TUESDAY, June 2, 1868.

The general markets continue very dull and devoid of any new characteristics worthy of special notice. Flour and Grain continue weak, with a drooping tendency, and Provisions, also, are dull but unchanged. Eggs are steady, with a demand fully up to the supply. Dried Fruit and Potatoes are dull, while Butter, although the arrivals are falling off, continues neglected.

APPLE BUTTER—Is steady, with regular sales at 80 to $1 per gallon, according to quality.

ASHES—Quiet and unchanged.

POTATOES—Continue very dull; we continue to note small sales of prime Peach Blows, in store at $1,35 to $1,40.

DRIED FRUIT—Is very dull, and the arrivals are increasing; prices, however, are unchanged. Small sales at 12 to 13c for Peaches, and 6½ to 7½c for Apples.

GRAIN—Wheat is in better supply and very dull; parties who have held back all winter and spring expecting to get famine prices, are being sadly disappointed. We are cognizant of a sale of prime Tennessee White at $2,52½; which could have been sold three weeks ago at $2,80; indeed, that offer was then made, and, unfortunately for the seller, refused. Oats quiet and unchanged; we now quote at 82 to 83c, on wharf, and 85c, in store. Prime Ear Corn is in fair demand, with sales at $1,10 $1,12; mixed and white is nominal at $1,03 to $1,05. Rye is quiet and nominally unchanged at $1,90.

HAY—Is coming in more freely, and prices are lower; Weighmaster McNulty at the Allegheny Diamond Scales, reports sales of 78 loads at $15 to $24 per ton.

STRAW—Sales at $12 to $19.

HUSKS—Sales of two loads of Cornhusks at 3c per lb.

SEEDS—Flaxseed is scarce and wanted at $2,50 to $2,55. No demand whatever for Clover or Timothy.

PROVISIONS—Bacon is quiet and unchanged; 14c for Shoulders; 16c to 18c and 18½c for Ribbed and Clear Sides; 19½ to 19½c for Plain, and 20 to 20½c for Canvassed Sugar Cured Hams. Prime kettle rendered Lard, 18¾ to 19c. Mess Pork, $28,50 to $29.

LARD OIL—Sales at $1,50 for Extra No. 1, and $1,25 for No. 2.

CHEESE—Sales at 14 to 15c for W. R.

FLOUR—Is dull and weak, and notwithstanding the receipts are falling off and the supply light, prices are barely maintained. We now quote at $10,50 to $11 for Spring Wheat; $12 to $12,25 for Winter Wheat, and $14 to $15 for fancy brands. Rye Flour, $10 to $10,25.

### PITTSBURGH PETROLEUM MARKET.

OFFICE OF THE PITTSBURGH GAZETTE,
TUESDAY, June 2, 1868.

CRUDE—The market is quiet and dull, and devoid of anything that is new or interesting. Sales of 500 and 800 bbls, on spot, at 10½c, and 100 bbls "Smtth's Ferry," on spot, at 10c. There seems to be but very little inquiry, and, notwithstanding the offerings are light, and the stock of spot oil by no means large, the market, as we have already stated, is dull, and prices are nominally unchanged. Oil City telegrams quote nominally at $3,90.

REFINED—The market for bonded oil is also very dull and a little weak, and prices are nominally unchanged. But a single sale reported, 500 bbls for the last half of June at 28½c. Quotations may be fairly given at 28¼ to 28½c for June; 29c for July; 29½c for August; 30½c for August, September and October and 31c for the last five months.

ARRIVALS—The arrivals of oil reported to-day were as follows:

| | | | |
|---|---|---|---|
| Mawhi'ey & Bro. | 2900 | Bly & Pinkerton. | 640 |
