The case to which we alinded some weeks ago, of bristians Fisher, of Beaver county, is now entire confirmed by the appearance of Altes Fisher her-if, who to-day called on DR. KEYSER in person. her to ENTIRE AND FERFECT SIGHT. Miss Fisher has been nearly blind for four months. She was so blind that she could not distinguish any object so as to make out what it was. The case is remarkable, as hundreds of cases like her's are doomed to never-ending darkness, on the filmsy pretext that there is no cure, and nothing can be done. She was under DR. KEYSER'S treatment for two months, and before she applied to him, through her brother, Simon P. Fisher, slight hopes were enterstanted of her ever getting her right. Her case is well known in the neighborhood where she resides, and has been regarded as one of extraordinary recovery. We, the undersigned, know of the cure of Miss's lisher, and bear witting teatimony to the fact above stated. Christian Fisher, (brother,)
