FINANCE AND TRADE.

OFFICE OF THE PITTSBURGH GAZETTE, THURSDAY, June 18, 1868.

Gold opened lower to-day at 140¾, declined to 140¼, but closed strong at 140¾, with a downward tendency. It seems the Government is determined to keep down the premium as near 140 as possible; the Treasury not being in condition to sell much gold at present, the Assistant Treasurer resorted to anticipating the 1868 bonds due July next, and in like manner will anticipate other July payments. This will keep the market supplied with cash gold until the regular July coupons become due, when a decline is confidently expected, although our foreign business would affect the market unfavorably for the present.

Government bonds became weak and dull, and declined about ¾ per cent. towards the close of business. The market needs the support of bona fide investors in order to sustain quotations, and it is the interest of the speculators now to run down the market in order to get an opportunity to buy in again before the July payments have any effect on the market.

Stocks are dull and lower, with but few exceptions; Cleveland & Pittsburgh is manipulated by a clique for the purpose to run up the price to sell out on. Pacific bonds are growing in favor with opeastors and investors; it is likely that Union Pacific will be put up to 103, on or after July next, and the Central Pacific to 105. Express shares are dull and lower.

Mining shares steady.

Business inactive, and money easy.

—The following is the text of the bill legalizing contracts payable in coin, which has passed the Senate, and now awaits the action of the House:

Be it enacted, &c., That any contract hereafter made, specifically payable in coin, shall be legal and valid, and may be enforced according to its terms, anything in the several acts relating to United States notes to the contrary notwithstanding.

Although contracts payable in gold have been made constantly and kept by honorable men, it has been impossible to enforce them in the Courts since the passage of the legal tender act. As all foreign trade is done on a gold basis, the business interests of the country require that the above bill should be speedily enacted into a law.

—Closing quotations received by James T. Brady & Co.:

Gold, 140¼; U. S. 6's, 1881's, 117½; 5-20's, 1862, 113; 5-20's, 1864, 110¾; 5-20's, 1865, 110½; 10-40's, 106¼; 5-20's, January and July, '65, 113¾; 5-20's, January and July, '67 113¾; June 7-30's, 109¾; July 7-30's, 109¾; May Comp., 1865, 119.-30.

CENTRAL LIVE-STOCK MARKET.

OFFICE OF THE PITTSBURGH GAZETTE, THURSDAY, June, 18, 1868.

CATTLE.

There was again a very fair supply of cattle on sale this week, although both in numbers and quality, it did not come up to that of last week. The market was moderately active, there being several eastern buyers in attendance, but one great drawback in the way, was that buyers and sellers were apart, the former as a general thing asking for concessions, to which the latter as a general thing were unwilling to accede, and as a consequence, a large number were shipped east on owners account. The great proportion of the cattle offered this week appeared to be from Illinois, with a fair number from Ohio, and, we presume, Iowa and Indiana were also represented; although the number has been largely increased during the past two weeks, there is still plenty of room for more and as soon as it becomes known that such is the fact there will no doubt be plenty of eastern buyers here every week. As will be seen by reference to the report of sales, prices are ruling lower, the highest figure reported this week being 8¼, while last week the same grade of stock would doubtless have brought 9. Light shipping cattle sold at firm 7¼ to 7¾, and stookers, in the absence of sales, may be quoted at 5 to 6. The following sales were reported.

Holmes, Lafferty & Co. sold 17 head of light grass cattle for Harp & Wendershot to Elmer, weighing 16,175 at 6¾; 2 head for Daud to same at 8; 51 head of prime fat stock for Campbell & Webb to J Pearce, at 8,25; 21 for Webb to Elmer, weighing 19,250 at 5,00; 4 head for Holmes & Pfeiffer to Jas Aull at 7; 18 for Milligan to Pidcock & Co. at 6; 10 for Daud to same at 7,25.

Hedges & Taylor sold 54 head of good western steers to Pidcock & Co. at 7,85; 5 head weighing 5,400 to Shusler a 7¾.

John Kerwin sold 24 head of very common stock weighing 23,100 to Roddy Maynes at 5.

Head sold 17 head of prime fat stock weighing 20,400 to Ohmes & Zidk, at 8¼.

M Young sold 4 head to Dawson at 7; and 14 head weighing 14,575 to same buyer at 7¾.

V Monroe sold 14 head of fairish shipping cattle weighing [illegible] at 8.

Cox sold 17 head weighing 14,925 to Moses & Co. at 5¾, and 2 head prime oxen to some buyers at 8,50.

Heskett sold 16 head of good cattle to Landis weighing 19,875 at 8,40.

Judy to Singmaster & Co. 16 head weighing 21,800—price not given.

Ross & Ward to D Evans 16 head of good shipping steers weighing 19,725 at 8¾.

SHEEP.

There was a very fair supply of Sheep this week, and while the market was, if anything, more active, prices, compared with last week, underwent but little change; to-day, so far as we could see, the pens were pretty well cleared, though, it is equally true, that the buyers were pretty well filled. The quality of the Sheep on sale this week was not near as good as last, and it is possible if we take this into consideration, that prices were higher; prime fat Sheep, suitable for retailing in the eastern markets, sold at from 4¾ to 5, and extra at 5,25 to 5,30. One New York firm report having bought thirty-five hundred head for shipment to that market, at an average of 4,60.

Aull & Myers sold 251 to Kittering, averaging 87 lbs, at 4¾; 43 head, averaging 84, to Lloyd, at 4¼.

Holmes, Lafferty & Co. sold 91 for M. Lanahan to Aull & Myers at 4c, 87 off; 206 for Zimmerman to A. Deitrich at 4c—4 thrown in.

Hedges & Taylor sold 107 head for Vanfossen to Aull & Myers at 3¼; 384 for Fisher to Lloyd at 2,35 per head; 186 for Paul & Co. to Lloyd at 3,65; 200 for Lewis Jury to Hill at 4,90; 201 for Walters to Pidcock & Co. at 4.

Smith & Talmage sold 195 for Kibbler to Pratt at 4,80; 284 for Chryst to Pidcock & Co. at 5; 94 for Rookenbrood to Crowl at 3½; 229 for same to same at $2 per head.

HOGS.

There was a fair supply of Hogs this week, and with a steady demand for shipment, there was a fair amount of business done, in the aggregate, though prices, if anything, were a shade lower than last week. We now quote prime heavy averages at 9½ to 9¾, although some two or three bunches changed hands early in the week at 10. New York Hogs may be quoted at 7¾ to 8, as to quality and condition. We quote the following sales:

Holmes, Lafferty & Co. sold 221 for Ward, Porter & McDonald to Crouse, Emerick & Co. at 9,35; 125 for Blue to C. M. Keys at 8,31½; 114 for Logan to Crouse, Emerick & Co. at 9,50; 517 for same to W. Hedges at 7,90; 10 for McFadden to same at 7¼.

Hedges & Taylor sold 94 to Crouse, Emerick & Co. at 9¾; 27 to Pidcock & Co. at 8; 57 for Jewett to C. M. Keys at 8,25, 9 and 9¾; 98 for Decker & Co. to Chalfant at 9.

Wesley Hedges sold 100 to Singer & Imhoff at 9¾. Bought 30 from Stemmell at 8; 7 from Farrell at 8; 12 from Freeze at 6½; 143 from C. A. Conklin at 7,85; 14 from Hedges & Taylor at 5½; 112 from Loughridge at 7,80.

Gilchreist & Co. bought 99 for E. Smith at 9,75; 122 from Tilden at 9,75; 99 from same at 9,75; 106 from Nichols at 9,60; 200 from Tilden at 10; 100 from Stemmell at 9,75; 190 from Allerton at 9,60; 10 from Erisman at 10,10; 198 for Turner at 9,75; 46 from Hedges & Taylor at 10,20—(extra); 198 from E. Smith at 9,75.

Singer & Imhoff bought 100 from Sherman at 9,30; 101 from Tilden at 9¾; 103 from Nichols at 9,65; 109 from W. Conklin at 9,75; 100 from W. Hedges at 9,75; 86 from Avery at 9,55; 5 from Keys at 8,50; 7 from Pidcock at 9,75. Shipped 382 from Chicago, costing 8,75 to 9.

Dripps & Stockton bought 99 from E. Smith at 9,75; 91 from Halligan at 9¾.

PITTSBURGH PETROLEUM MARKET.

OFFICE OF THE PITTSBURGH GAZETTE, THURSDAY, June 17, 1868.

CRUDE—The market for crude appeared to be a little weak to-day, and to effect sales holders were obliged to make a slight concession. We can report sales in lots of about seven thousand barrels, on spot at 12¾, and we heard of other offers to sell the same delivery at same figure. All the year—buyers option, may be quoted nominally in the absence of sales, at 13½, and July, sellers option, at 13. There is little or no change at Oil City; and so far as we could learn, there is not much doing there, as it is probable that buyers generally are afraid to take hold at the prices.

REFINED—The market for bonded oil was exceedingly quiet to-day but a single sale reported, 1,000 bbls for August at 32¼. The last half of June is still quoted at 31; last half July, buyers option, at 32; and August to December at 32¼. We heard of some negotiations pending but up to a late hour in the afternoon they had not been consumated, notwithstanding there was but little done to-day, prices have undergone, as yet, little or no change, compared with Wednesday, though the market was a shade weaker.
