FINANCE AND TRADE.

OFFICE OF THE PITTSBURGH GAZETTE, FRIDAY, June 19, 1868.

The excitement in the gold market is over. Those of the importers who got alarmed at the firm tone of the market and bought, will be very careful before buying again on a rising market when the chances of a decline were entirely in their favor. Those had sagacity and firmness enough to resist the temptation to buy may congratulate themselves, else they might have had to suffer to the exent of three to five per cent. The offer of the Assistant Treasurer to pay the 1868s before maturity has had a wholesome effect on the gold room, and they may desist for some time to run up the price of gold.

Government securities were firmer today, but the transactions were limited. Union Pacific Railroad bonds, which were to be had two weeks ago with all the gold interest on at currency rates, were sold up till to-day at par, ex-coupons, but to-day the company raised the rate to 102, with niterest from date, but cannot furnish bonds at once; those who secure a lot before July next by subscription will certainly go in a handsome premium, as from that date the rate will be ratsed to 105. The banking house of Ph. R. Mertz, on the corner of Wood and Fifth street, has secured a large lot at former rates, and may be willing to accommodate his friends at a concession of the regular prices.

Stocks are dull and inactive. Express shares declined considerably.

Mining shares are firm, but State stocks are still advancing.

Money easier. Business quiet.

Closing quotations as received by Ph. R. Mertz, were as follows:

Gold, 140¼; U. S. 6's, 1881's, 117¼; 5-20's, 1862, 113⅜; 5-20's, 1864, 110¾; 5-20's, 1865, 111¼; 10-40's, 106⅜; 5-20's, January and July, '65, 113¼; 5-20's, January and July, '67 113¼; June 7-30's, 109⅞; July 7-30's, 109⅛; May Comp., 1865, 119,-30.

IRON AND NAILS.

OFFICE OF THE PITTSBURGH GAZETTE, FRIDAY, June 19, 1868.

A number of the mills, on account of the extremely hot weather, have reduced their production from double to single time, and are now preparing to stop their works during the months of July and August. Prices now ruling do not warrant manufacturers any margin to continue production. The demand for Iron continues very fair. Western consumers are buying largely for their summer work, and the merchant trade is fully equal to that of last year at this date. The demand for Nails had fallen off somewhat, but is still almost equal to the production. We have no change to note in prices.

PITTSBURGH MARKETS.

OFFICE OF THE PITTSBURGH GAZETTE, FRIDAY, June 19, 1868.

There is no improvement in the tone of the general markets, and as the demand for almost everything is very much restructed, we have but very few round lots sales to record. In regard to values, there are no important changes, though as a general thing the tendency is downward.

GRAIN—Wheat is in fair milling demand, and we can report sales of Red from wagon at $2,20, and in larger lots at $2,25 to $2,30. Oats in consequence of limited receipts, continue steady, at 78 to 80 on track, and 83 to 85 for small lots in store. Corn is dull but not quotably lower; we can report a sale of prime Yellow (shelled) at $1,05; ear corn is in better demand than shelled, and may be quoted in $1,07 to $1,08. Rye is nominal, in absence of sales in $1,50.

BUTTER—There is a very fair local demand, and we can report sales of prime fresh packed, at 25 to 27.

EGGS—Very dull to-day and under the influence of increased arrivals, prices are droping; we can report sales at 26c.

CHEESE—Is in steady demand, with regular sales at 14 to 17c, according to quality.

POTATOES—Prime Peach Blows for small lots in store, at $1,25 per bushel. New crop Potatoes, $6,50 to $7,50 per bbl, as to quality.

DRIED FRUIT—Is very dull, though without quotable change. We continue to quote at 6 to 7c for choice Apples, and 11½ to 12½c for Peaches.

FLOUR—Continues quiet and dull but unchanged; we can report small sales of Spring Wheat at $10 to $10,50; $11,00 to $11,50 for Winter Wheat, and $14 to $15 for fancy brands. Rye Flour, $9,50 to $9,75.

HAY—Weighmaster McNulty, at the Allegheny Diamond scales, reports sales of 38 loads at $12 to $20 per ton.

STRAW—Sales 6 loads at $12 to $15.

SEEDS—Flaxseed is scarce and in demand at $2,50 to $255, while Clover and Timothy are seldom mentioned.

SALT—Is dull and nominally unchanged; $1,75 to $1,80 to the trade, and $2 for small lots in store.

PROVISIONS—Bacon is quiet and unchanged, with the exception of Shoulders, which may be quoted at 13¼ to 13½c. Sides, 16½ to 16 for Ribbed, and 17½ to 18c for Clear; 17¼ to 17½c for Plain Hams, and 19½c to 20c for Canvassed Sugar Cured Hams. Lard, 18 to 18½c for prime kettle rendered. Dried Beef, 22 to 23c. Mess Pork, $28 to $28,50.

LARD OIL—Unchanged at $1,23 to $1,25 for No. 2, and $1,43 to $1,45 for No. 1.

PITTSBURGH PETROLEUM MARKET.

OFFICE OF THE PITTSBURGH GAZETTE, FRIDAY, June 19, 1868.

CRUDE—The Crude market was again fairly active to-day, the reported sales reaching about ten thousand barrels in the aggregate; though, as will be seen, prices have still further declined, both here and at Oil City. The sales were: 2,000 bbls on spot at 12¾; 700 do do, at 12½; 1,000 to be delivered between the 1st and 10th July at 12¾; 1,000 between 20th and 30th same month, at 12¾ 3,000 bbls, measured in tank, at 12½. Private telegrams from Oil City report holders asking $5, with no buyers; sale of 1,000 bbls—made by a dealer here—at $4,90 delivered on Allegheny Valley Railroad cars. According to the sale above noted, oil has declined from 50 to 60 cts per bbl at that point.

REFINED—There was a fair business done in bonded oil to-day, and while spot oil was reported a shade easier, the late months, compared with yesterday, do not appear to have undergone any material change. Sale of 500 bbls for the last half of July at 31½c; 500 August at 32½c; 500 September, 32c, 1,000 August, 31½c; 1,000 September, 32½c; 500 August, 32½c; 500 September, 32½c. There may have been some other sales, but the above were all we had reported, and these are sufficient to establish the general tone of the market.

ARRIVALS—The arrivals of oil reported to-day were as follows:

PITTSBURGH METAL MARKET.

OFFICE OF THE PITTSBURGH GAZETTE, FRIDAY, June 19, 1868.

The receipts continue very light, particularly as relates to standard Forge Irons. The tone of the market is decidedly buoyant, favorite brands being sought after. Foundry descriptions continue inactive, but the feeling is firmer than at the date of our last report. We quote the following sales:
