The Pittsburgh Gwette.

BRIEF NEWS ITEMS.

-Alexander H. Stephens and Herschel -Nearly two millions in specie went to

An unknown man on Sunday entered Father Quinn's residence, New York, sat down against a door, and blew out his

brains with a pistol. -Colonel Einstein and Collector Gurnsey, at Philadelphia, have seized Lyons' distil-

lery with 3,000 barrels of whisky, and also Weaver's rectifying house. -Dispatches from Nevada annoucce considerable falls of snow in that State. At Austin the roofs of several houses were broken by the weight of snow.

-Hon. Edward M'Pherson has been hon-ored with the appointment of American editor, for the present year, of the Alma-nack de Gotha—a noted European publica-tion of high literary and scientific reputa-tion. Not a mean compliment.

-The new iron steamship Fanita, which left Philadelphia for Havana on the 6th inst., has not been heard from since her departure, and fears are entertained for her safety. A dispatch from Havana, last night, es the departure of the Fanita from

-The Treasury Office is now paying off in gold the principal of the United States Loan of 1848-68, with an abatement of the interest hence to the 1st of July, when the loan falls due; and it would be about \$700,000 of the \$8,000,000 was paid off on Tuesday and Wednesday.

-The "Little Western," a safe life boat built at Chicago, on a new model for the purpose of crossing the Atlantic ocean, went out on a trial trip on Sunday afternoon and capsized, drowning Captain Garrett and Harry Crisholm, a reporter of the Chicago Times.

escaped with it.

-W. Hanna, a prominent citizen of Camden, N.J., having been convicted of forgery, has been sentenced to ten years at hard labor. There were eighty-three indictments against him, and the forgeries of drafts, notes, checks, etc., amounted to about one hundred thousand dollars.

-The House Military Committee will soon report a bill providing for the payment of officers and soldiers and sailors who, by reason of wounds, sickness, cap-ture, or other sufficient causes, failed to get mustered at date of promotion, or at which service began in a higher rank, and from which they actually did duty.

the Department of the Tennessee, a correspondent of the New York Post, who was in pondent of the New York Post, who was in Tennessee at the time, says Grant was utterly ignorant of it when it was issued, being absent from headquarters. The officer gives her a stone, Heathenism gives her a stone, H who issued the order was reprimanded, and the order itself was revoked as soon as General Grant returned to his quarters.

During a recent storm in Charleston, S.

C., which blew down the mammoth tent of Ames. Circus, one of the spotted leopards, which had been left in the same cage with a tiger, was killed by the latter and half eaten before the occurrence was discovered. It had been usual to separate the animals for the night immediately after the evening's performance, but from some oversight this was neglected.

—A Port-Au-Prince correspondent, under date of June 8th, states the Revolutionists completely enoircle the city, but do not appear disposed to make a general attack. Solnaye's forts continued the bombardment of them and he seems more than ever de-termined to resist to the last. United States Consul Hollister, Commanner Eastman of the gunboat Penobscott, and a numerous suite, made a visit of courtesy to Solnave.

-Mr. A.S. Welch, the new United States Senator elect from Florida, was originally from Michigan. He was a Professor in the University of that State, and subsequently served in our army during the war. His opponents for the office were T. W. Osborne, of Gen. Howard's staff; Mr. Hart, a Unionist of Florida, and Gov. Marvin, who was President Johnson's Provisional Governor. Mr. Osborne was elected the additional Senator Saturday.

The Mississippi river is depositing a sandbar in front of the northern part of St. Louis, which threatens to make that city inaccessible for considerable vessels, the channel tending more and more toward the Illinois side of the river. The meas-ures hitherto adopted to arrest the mischief have made it worse, and the Water Com-missioners, with the approval of the May-or, recommend that a competent engineer be employed to devise a remedy.

—George W. Belding, of the banking firm of Belding & Keith, London, England, committed suicide in the Ludlow street jail, New York, on Sunday. He was confined on a civil process. His firm, which did a large American business, failed some time since, and he telegraphed a Boston creditor that he would come to this country for the purpose of effecting a compro-mise. Immediately on his arrival the Bos-

The Tariff bill reported by the Committee of Ways and Means will scarcely become a law, but the increase of the duty on copper ore, urged by a powerful influence from the Lake Superior region, may be in-creased by a separate bill. The Michigan members represent that fifty millions of capital invested in the mining region is ly-ing idle, and that thousands of miners have heen feed by chartery been fed by charity during the past winter owing to the low rate of duty on foreign

BLAIRSVILLE.

the North Western and Indiana branch V. Johnson, of Georgia, are urged to be present at the National Democratic Conteer," the only book in which we have been able to find the name of the place in print. Europe from the United States last week, making a total shipment since January of forty-six millions. it is discribed as lying on the north bank and on the same side it did a quarter, of a century since, for, reader, the old town has had the second stroke of paralysis and strike at the root of disease, thereby temoving the is now altogether unable to turn over. But, to speak of the river, little now remains to show where once flowed that beautiful stream. Once the boatman's song rang

merily upon its bosom, and the crowded wharf spoke of a thrift, unknown to the present generation. Now the lonely king-iisher filts along its banks and never finds The dam waters, tired of half a century's imprisonment, have burst their barriers and hastened away to take their place in the ocean billow. In Blarryllle we have a marked exception to the great law of nature that "death precedes life." It took Rome three hundred years to die; it took Blatrylle but too. Blairsville but ten. In this town decay has been at work for a decade of years, and now gloats triumphantly over a finished task. You look in vain for a throb of the pulse, some symptom of returning energy. In the outskirts of Blairsville stands the Female Seminary, nestled among the trees in the northern part of the place. This insti-

tution has been during the past year unde-the care of the Rey J. Jewett Parks, whose success and ability as a teacher, and charac-

ter as a gentléman have been unchallenge ter as a gentleman have been unchallenged.
The commencement exercises of the graduating class have just taken place.
On Thursday and Friday last very interesting examinations of all the classes were purpose of crossing the Atlantic ocean, went out on a trial trip on Sunday afternoon and capsized, drowning Captain Garrett and Harry Crisholm, a reporter of the Chicago Times.

—A man in Philadelphia drew a large amount of money from a bank on Saturday and placed it under the seat of his buggy. While he was unhitching his horse an adroit thief extracted a package containing five thousand dollars in greenbacks and escaped with it. handled his theme in a most masterly mannancied his theme in a most masterly man-ner. The sermon gave evidence of great care in its preparation, and marked stillity in the author. He selected for his text the first clause of the 45th verse of the first

chapter of Luke, "Blessed is she that be-lieveth." We regret that the crowded con-dition of your columns will not allow us to give a full report of the sermon. We can only present a very brief synopsis. The speaker began: "You all love this first chapter of Luke, Especially may the mothers in Israel and their daughters claim a large interest in it. Of all this sacred solume this is emphatically woman's chap-ter. In Elizabeth's song we detect the cawhich they actually did duty.

—The Government has abandoned its charge of treason against John H. Surratt, on the ground that under the Constitution it requires two witnesses of the overtact, or a confession of the accused in open court, to make a case. Surratt has, however, been indicted under the act of July 17, 1862, for giving aid and comfort to the enemy.

—Of Grant's order touching the Jews in the Department of the Tennessee, a correspondent of the New York Post, who was in what it is now in Pagan and Heathen counscorpion." The speaker closed with a beau-tiful peroration. His final sentence was, "In the name of the Church of Christ, in the name of your alma mater and her gen-eration of daughters, I pronounce upon
