FINANCE AND TRADE.

OFFICE OF THE PITTSBURGH GAZETTE, THURSDAY, June 25, 1868.

Goverment securities suffered a heavy decline to-day, averaging from ½ to ¾ per cent, but at the close of business the market rallied again and closed firmer. The amounts now held by speculators is enormous, and any advance in the quotations is quickly followed up by these parties to realize. It is now very doubtful whether any higher quotations can be established, even under the present easy money market quotations are entirely sustained by speculators, while the people in the interior are selling out their bonds now in the hope of buying in at lower rates. In seven-thirties a lively business of exchanging is going on and parties are anxious to avail themselves of the privalege of the exchange into gold bonds, although the time is now extended.

Gold is rather weak, and any attempt to advance quotations is quickly frustrated by large offers to sell. The market is at present heavily oversold, and those who sold at 141¼ or a shade less, may be content to cover a little below 140, and thus keep the market steady at about 140, the price gent erally conceded as to be the lowest poin- reached for rome time to come.

Stocks are dull and lower, except North Western common and preferred, which have advanced some 2 per cent. within a day or two. The balance of the list has rather declined about 1 per cent., and Express stocks are also lawer, from the decrease in the earnings; other business being dull it is quite natural to notice a falling off in the receipts of these companies.

Money easier. Business very quiet.

Closing quotations as received by Ph. R Mertz, were as follows:

Gold, 140¼; 1881 bonds, 117⅞; 1862 5-20s, 113; 1864 do, 110⅜; 1865 do, 111⅛ new, 1865 and 1867, 113⅜; Ten Forties, 107¼; Seven Thirties, 109⅝.

New York Central, 134½; Erie, 68⅝; Michigan Southern, 91½; Cleveland & Pittsburgh, 90¼; Northwestern, common, 69; Preferred, 75; Chicago & Rock Island, 105½; Pittsburgh & Fort Wayne, 111⅝; Ohio & Mississippi Certificates, 30½; Merchants' Union Express, 28½; Western Union Telegraph, 34; Corydon, 34; Quicksilver, 25; Quartz Hill, 1.15.

—The Secretary of the Treasury gives notice to holders of Seven Thirties who desire to avail themselves of their right to convert the same into Five Twenties, that the notes must be presented at the Treasury Department at Washington, or at the office of the Assistant Treasurer of the States at New York, as follows:

"The notes that matured on the 15th of June must be presented on or before the 15th of July. That notes that become due on the 15th of July must be presented on or before the first day of August. The bonds to be issued in exchange for the notes will bear interest from the first day of July, 1868, and the interest on the notes will be calculated accordingly. The bonds will be of the issue of 1867 or 1868, as may be preferred, and they will be issued in the order in which the notes are presented."

—The Philadelphia *Ledger*, of Wednesday, says: There is still rather more demand for money, but we observe no change in rates, which still rule at 4 to 5 per cent. on call, and at 5 to 6 per cent. for prime discounts. The causes which produced this ease are still in active operation, and will not lose their force until after the payment of the July interest on the National debt, and the usual large payments on account of interest and dividends by States and corporations. These dividends will in a large degree be reinvested, and for some time cheap money and higher prices for for investment securities will be the natural order of things.

—Closing quotations received by James T. Brady & Co.:

Gold, 140¼; U. S. 6's, 1881's, 117⅜; 5-20's, 1862, 113; 5-20's, 1864, 110⅝; 5-20's, 1865, 111; 10-40's, 107; 5-20's, January and July, '65, 113¾; 5-20's, January and July, '67 113¾; June 7-30's, 109⅝; July 7-30's, 109⅝; May Comp., 1865, 119.30.

CENTRAL LIVE-STOCK MARKET,

OFFICE OF PITTSBURGH GAZETTE, THURSDAY, June 25, 1868.

CATTLE.

Business was unusually active at these yards this week, and with unusually large arrivals, the sales were larger than during any preceding week since last fall, and while prices were lower, everything presented a more cheerful appearance, and the number of dealers in attendance, was larger than for at least six, and probably nine months. Another important matter to be taken into consideration is the fact that the cattle on sale as a general thing, were of good quality, including a large number of prime Missouri, Ohio and Kentucky steers; there was one drove, of exceedingly fine Ohio steers on sale, but the owner being unable to get his price, shipped them east; he was offered nine cents, which he refused asking ten. If these cattle had been here, five or six weeks since, they would no doubt have brought ten cents readily, but within that time stock of all kinds has dropped fully one cent per pound. The number of cattle sold since the date of our last report reach nearly one thousand head, the great bulk of which were shipped to New York and Philadelphia.

One thing that tended no doubt to increased the arrivals this week was the fact that the Fort Wayne & Chicago Railroad Co., reduced the freights on live stock between Chicago and this point, to forty cents per 100 pounds within the last few days. The fact that freights have been entirely too high has been a serious drawback to business at these yards all season, and while it would have been better, had the reduction have been made long since, it is better late than never.

As will be seen by reference to sales, prices ranged lower than last week; indeed there has been a decline of fully fifty cents per cwt. At the decline, however, there was a very fair demand, there being a goodly number of eastern buyers in attendance. We noticed several sales of pretty fair fat cattle at 7½ to 7¾, which a month ago would have brought 8½ and probably 9. Stock cattle may be quoted at 4½ to 5¾. We quote the following sales:

Holmes Lafferty & Co., sold for E. Webb to Landes 41 head of good stockers averaging 950 at 5¾, 20 head of fairish stock for Miller to Casterline at 6; 10 head for Daud to Pidcock & Co; at 7,25; 15 for Millegan & Steenbaugh, to same at 5; 5 for same to Elemer at 5½; 2 for Doud to same at 8.

Berry sold Crosby & Aull 51 head of good stock steers from Chicago, at 5¾.

Thompson sold 54 head of good fat steers to weighing 62,575, to Crosby and Aull at 7¾.

Hedges & Taylor sold 54 head of farish stock for Knox to Landers weighing 64,900 at 6½; 36 head for Bates to Hershy, weighing 34,725 at 5½; 15 for Griffin to James Aull weighing 17,000 at 7.56; 20 head of very common for Forbes to McGavery at 5½.

Bond & Simpson sold 101 head of good fat Illinois steers, averaging about 1,200, to W. Hedges at 7½.

Smith & Talmage sold 20 head fairish Illinois steers for Whitaker to Yost at 6¾.

Hood & Graham 17 head of good Ohio steers, weighing 1,280, to Stowffer at 8,10.

Sultzaough to Stauffer 16 head weighing 17,550 at 7c, and 2 bull, at 5.

Judy sold 18 head of good cattle to Miller, weighing 20,850 at 7,25.

Braham to Miller, 16 head of good fat cattle weighing 20,625 at 7¾.

Berry to Klemens & Maynes, 81 head of fairish Chicago steers, weighing 89,375 at 7.

Knapp & Co, sold 35 head weighing 42,925 to L Shamberg at 6,72.

Berry sold 20 head of good butchers stock weighing 21,475 to Young at 7,25.

Heskett sold 17 head of prime steers, weighing 21,825, to Davis at 8½, 8 to J Major at 7½ 18 to Smith & Havery at 7,75; 4 to Moses & Co. at 7, 7 to Musselman at 7.

Daniels to Croft 17 head weighing 16,100.

Hunter to Kline 34 head of good fat steers, weighing 41,925 at 8¼.

Daniels to Lavick & Co., 21 head weighing a little over 1,000, at 7,80; same to Klemen & Co., 2 at 8.

Goodwin to Landis 11 head at 8,65; 6 at 8.

Goodwin to Landis 16 head, weighing 20,150 8,30, and 1 at 8.

Hunter to Klemen 22 head, weighing 23,200, at 7½; same to same 54, weighing, 51,725, at 7,50.

Walker to Klemen 32 head good Southern Ohio steers, averaging about 1,250, at $100 per head, delivered in Philadelphia.

SHEEP.

There has been a very fair business done in this class of stock this week, the sales, in the aggregate, being fully up to the usual average. In prices there has been but little change; prime fat Sheep sold at from 4½ to 5¼c. gross, while inferior and common ruled at from 2¾ to 3¼c. We are cognizant of one New York firm having bought close on to 5,000 (4,990) head, at an average of 4¼, the range being from 3,50 to 5,35. A Philadelphia dealer bought about 2,000 head, none of which, it is said, cost above 4c. The supply was not very large during the early part of the week, but since then the arrivals have been quite liberal, and to-day the supply was somewhat in excess of the demand, the majority of the eastern buyers having bought all they wanted. The following are the sales:

Holmes, Lafferty & Co. sold 97 to Aull & Myers for Ogle at 2¾c per pound; 105 for Sargeant to Pidcock & Co. at 3,35; 59 for Holmes & Pfeiffer to same buyer at 4¾; 85 for Welsal to Aull & Myers at 3c.

Hedges & Taylor sold 200 head for Jones & Brothy at 4½; 115 for Bell to Pidcock at 3½; 355 for Orbersman & Merriman to Pearce at 3,90; 161 for Watts to Mayrick at 3¾.
