HOLL TO COURT ..... UNION PACIFIC RAILROAD

Are now ilnished and in operation. Sixty miles of are now unissed and in operation. Sixty miles of track have been last title spring, and the work along the whole line between the Atlantic and Pacific States is being justed forward more rapidly than ever before. More than twenty thousand men are employed, and it is not impossible that the entire track, from Omaka to Sacramento, will be dushed in 1869 instead of 1870. The means provided are ample, and all that energy, men and money can do to secure the completion of this

CREAT NATIONAL WORK, At the carpeat possible day, will be done.

The UNION PACIFIC RAILEDAD COMPANY .- A GOVERNMENT GRANT of the right of west. and all necessary timber and other materials found along the line of its operations.

II.-A GOVERNMENT GRANT of 12,800 acres of land to the mile, taken in alternate sections on each side of its road. This is on absolute do-nation, and will be a source of large revenue in the future.

II.-A GOVERNMENT GRANT of United States Thirty-year Bonds, amounting to from \$15,000 to \$48,000 per mile, according to the difficulties to be surmounted on the various sections to be built. The Government takes a second mortgage assecurity, and it is expected that not only the interest but the principal amount may be paid in services rendered by the Company in transporting troops, mails, &c. The interest is now much more than paid in this way, besides securing a great saving in time and money to the

V.-A GOVERNMENT GRANT of the issue its own FIRST MORTGAGE BONDS, to aid in building the road, to the same amount as the U.S. Bonds, issued for the same purpose, and no more. The Government permits the Trustees for the First Mortgage Bondholders to deliver the Bonds to the Company only as the road is completed, and after it has been examined by United States Commissioners and pronounced to be in all respects a first-class Rail-road, laid with a heavy T rail, and completely supplied with depots, stations, turnouts, car-
