tion of said tax, the amount of interest hereafter paid on any bonds or other securities of the United States, bearing interest at six per centum, shall be at the rate of only five per centum; and bearing interest at the rate of five per centum, shall be at the rate of only four and five-tenths per centum; if bearing interest at the rate of three per centum, shall be at the rate of two and one-tenth per centum per annum.

The Titusville Herald says: A large delinquency of all men have been in Washington for some time trying to get the tax removed from refined paper. It is now ten cents per gallon. The failure of the first tax bill was a serious blow to their hopes, for the bill now before the House does not include petroleum.
