## UNION PACIFIC RAILROAD

are now finished and in operation. 160 miles of track have been laid this spring, and the work along the whole line between the Atlantic and Pacific States is being pushed forward more rapidly than ever before. More than twenty thousand men are employed, and it is not impossible that the entire rack, from Omaha to Sacramento, will be finished in 1869 instead of 1870. The means provided are ample, and all that energy, men and money can do o secure the completion of this

CREAT NATIONAL WORK,

At the earliest possible day, will be done. The UNION PACIFIC RAILROAD COMPANY

I.—A GUVERNMENT GRANT of the right of way, and all necessary timber and other materials found along the line of its operations.

II.-A GOVERNMENT GRANT of 12,800 acres of land to the mile, taken in alternate sections on each side of its road. This is an absolute do nation, and will be a source of large revenue in

III.—A GOVERNMENT GRANT-of United States Thirty-year Bonds, amounting to from \$10,000 to \$48,000 per mile, according to the difficult ties to be surmounted on the various sections to se built. The Government takes a second mortgage as security, and it is expected that not only the interest, but the principal amount may be paid in services rendered by the Company in transporting troops, mails. &c. The interest is now much more than paid in this way, besides uring a great saving in time and money to the

IV.—A GOVEENMENT GRANT of the right to issue its own PIRST MORTGAGE BONDS, to aid in bullding the road, to the same amount as the U. H. Bonds, issued for the same purpose, and no more. The Government permits the Trustees for the First Mortgage Bondholders to deliver the Bonds to the Company only as the road is completed, and after it has been examined by United States Commissioners and pronounced to be in all respects a first-class Ra ed with depots, stations, turnouts, ca shops, locomotives, cars, &c.

.- A CAPITAL STOCK SUBSCRIPTION from the stockholders, of which OVER EIGHT MIL-LION DOLLARS have been paid in upon the work already done, and which will be increased as the wants of the Company require.

71.—NET CASH EARNINGS on its Way Business that already amount to MORE THAN THE IN-TEREST on the First Mortgage Bonds. These earnings are no indication of the vast through traffic that must follow the opening of the line to the Pacific, but they certainly prove that.

FIRST MORTCAGE BONDS

upon such a property, costing nearly three times their amount, ARE SECURE BEYOND ANY CONTINGENCY. The Union Pacific Bonds run thirty years, are for

\$1,000 each, and have coupons attached. They bear annual interest, payable on the first days of January and July, at the Company's Office, in the City of New York, at the rate of six per cent. in gold. The Principal is payable in gold at maturity The price is 10%, and at the present rate of gold, they pay a liberal income on their cost.

The Company believe that these Bonds, at the present rate, are the cheapcat in the market, and eserve the right to advance the price at any time.

Subscriptions will be received in Pittsburgh by JAMES T. BRADY & Co., corner of Wood HART, CAUGHEY & Co., corner of Wood

and Third Streets;

At the Company's Office, No. 30 Massau Street, and by JOHN J. CISCO & SON, Bankers, No. 59 Wall Street, and by the Company's advertised agents throughout the United States.

Ramittances should be made in drafts or other funds par in New York, and the Bonds will be sent free of charge by return express. Parties sub-scribing through local agents, will look to them for

their safe delivery.

A PAMPHLET AND MAP FOR 1868 has just been published by the Company, giving fuller in-formation than is possible in an advertisement, respecting the Progress of the Work, the Resources of the Country traversed by the Road, the Means for Construction, and the Value of the Bonds, which will be sent free on application at the Company's offices, or to any of the advertised agents.
