

CITY AND SUBURBAN.

To Advertisers. An immense extra edition of the WEEKLY GAZETTE will be issued from this office Wednesday and Saturday of this week. The papers will be circulated widely by the parties ordering them, and will find their way into every city, town and village of Western Pennsylvania, Eastern Ohio and Western Virginia. A limited number of special advertisements will be taken for the occasion, which must be furnished before Tuesday noon, in order to insure publication.

Young Thieves.—James McLaughlin and Fanny Simpson, aged respectively eleven and twelve years, were arrested yesterday, charged with entering a cellar on Webster street and helping themselves to such eatables as they found there. They are in the lock-up awaiting a hearing.

Meeting of the Republican City Executive Committee. A regular meeting of the Republican City Executive Committee was held last evening at the headquarters, City Buildings.

Growth of the City.—Improvements Going Forward. If a stranger were to visit our city to-day and make a tour through its avenues in the old and new wards, he would be forcibly impressed with the enterprise of our people, which is evident on all sides.

Sequences in Medicine. In perusing our articles published in this paper from time to time, it will be observed that our peculiar system of practice depends entirely upon the fixed facts of science of its elucidation.

New Treatment.—For chronic diseases of the eye, ear, head, throat, lungs, stomach, liver, &c., at Dr. A. Horn's Medical and Surgical Rooms, 134 Smithfield street, half a square from the Postoffice. No charge for consultation.

Reception.—A number of the leading German Republicans of the city held a meeting at City Hall last evening for the purpose of receiving the reception of Hon. Carl Schurz, who is to address the Germans of this locality at City Hall on the evening of the 24th inst.

Alleged False Pretence.—Jacob Coblenz, of Ohio street, Allegheny, was before Alderman Strain yesterday, charged with obtaining goods by false pretence, on oath of a certain McGowan, who is a merchant doing business on Water street.

Report of Inspection Committee. The following report of the Committee on Inspection, appointed by the butchers of Allegheny, was handed to Mayor Drum last evening:

Allegheny Cattle Yards, August 10, 1868. We the undersigned, Committee appointed to investigate the Allegheny Cattle Yards, have visited them to-day and found everything satisfactory.

In a "Grip". A young man of rather fine personal appearance, but who had evidently been in bad company last night, judging from his nastiness, got into the Allegheny Cattle Yards, and was taken to the lock-up.

Another Sensation. A slight sensation was created among the frequenters of a fashionable "establishment" on Harrison street, Twelfth ward, yesterday, by the arrest of Mary Sinclair, the proprietress, on a charge of keeping a bawdy house.

Struck Him.—John Brown made information yesterday against John Gallagher for assault and battery. John N. 1 alleges that John N. 2 struck him and pushed him violently against a wall.

Slight Fire.—The alarm from box 73 at half past three o'clock yesterday afternoon was occasioned by a fire in the house of Mr. Clark, on Borough street, Seventeenth ward. The fire originated in the attic from a defective flue.

Attention, Eleventh Warders.—This evening, at 7 1/2 o'clock, the Grant and Colfax Club of the 11th (late 7th ward) will meet at the School House for permanent organization. Let there be a full turn out of all the citizens who are in favor of Gen. Grant for our next President.

Western University.—The faculty of this institution now numbers ten professors, each with his own department. Every effort is put forth for the advancement of pupils, while their habits and morals are watched over with paternal solicitude.

Carson Street.—We learn that the Pittsburgh and Birmingham Passenger Railway Company are paving Carson street with its entire width through East Birmingham, at their own expense.

Correction.—We stated yesterday in our issue that John Glunt had been committed to jail by Alderman Horton on a charge of burglary preferred by Wm. Mahan. The case should have been reported just the reverse, Mr. Glunt being the prosecutor and Mahan the defendant, and we accordingly make the correction.

Why is it?—We notice a habit or custom which seems to be becoming quite prevalent in this vicinity of funeral processions carrying through the streets on a pretty fast trot. Are we becoming such a fast and go-ahead people that even the last sad rites of humanity and civilization to the dead must be put through with a rush.

Attempted Burglary.—On Saturday evening some thieves attempted to effect an entrance into a dwelling in the rear of Rooker's undertaking establishment, on Ohio street, Allegheny, but a dog in the yard barked so furiously as to arouse the inmates of the dwelling. But the thieves made their escape before the police arrived.

Left Her.—Mary Shields made information yesterday, before Alderman Strain, against her husband, Frank Shields, for abandonment, alleging that he for some time past has refused to contribute anything for the support of herself and child, and absents himself from his proper domestic hearth. The parties resided on Wylie street. A warrant was issued.

Still Baiting.—The Republican conference of the 22d Congressional district held another meeting at Freeport yesterday, but up to latest news had not made a nomination. After voting ten times Dr. Dale renewed his motion offered at a former meeting, to adjourn and allow a choice to be made by the people. This motion elicited considerable discussion, which was still going on when our reporter left.

Domestic Squabble. Michael Britt and his wife Catherine, residents of Brownstown, have become involved in a series of domestic difficulties, from which they will find it troublesome to extricate themselves.

Alleged Larceny. Mark B. Kolbe, of Noblesston, made information before the Mayor yesterday, charging W. J. M. Hall with larceny. It appears that the accused was clerking for the prosecutor, who keeps a store at Noblesston, and had been in his employ for about a month.

The Licensed Cattle. Of the one hundred and forty-five head of diseased cattle forwarded from East Liberty Stock Yards to Communiapp, near New York, all but three were dead when the train arrived at its destination.

The Weed "Family Favorite" is only been in market since the Spring of 1867, and was first presented to the community by Major or the succeeding seasons.
