PITTSBURGH MARKETS.

OFFICE OF THE PITTSBURGH GAZETTE, WEDNESDAY, August 26, 1868.

The general markets are dull and devoid of any new or important characteristics, worthy of special notice. We can report a fair local or consumptive demand for most of the leading commodities, and with a fair volume of business in the aggregate, there are no important changes in values.

GROCERIES—The grocery market is quiet and a little dull, while prices have undergone no quotable change. The demand for Sugars is not near as large as usual at this season of the year, which is owing to the partial failure of small fruits, and our grocery men who expected a big business in sugars are considerably disappointed.

SUGARS—Cuba, 12½c for good grocery 12¾ to 13c for prime; and 14c for choice; Porto Rico—good, 13c; prime, 13½; choice, 14½ to 15c; Clarified Cuba, 14 to 14¼c. Refined—Standard Hard, 17½c; A, 16¼c; B, 16½c; Extra C, 15¾c; Sugar House, 10½ to 11.

COFFEE—Rio ranges all the way from 22 to 27c for common to strictly prime. Java 37 to 38c.

SYRUPS—Lovering's, $1,05; Silver Drips, $1,05; White Drips, $1,15; medium brands, 75 to 85c; common, 50 to 60c; Booth & Edgar Syrup, 95.

RICE—Rangoon, good, 10c; prime to choice, 11 to 11½c; Carolina, 12 to 12½c.

MOLASSES—New Orleans, 90 to $1; Cuba, 65 to 70c; Porto Rico, 70 to 85c.

SPICES—Cassia, 80 to 85c; Cloves 50c; Pepper, 38c; Allspice, 35c; Nutmegs, $1,50.

STARCH—Madison, 8c; Silver Gloss, 12½c, and Corn Starch, 13½c.

FRUITS—Layer Raisins, $4,75 per box; Valentia, 20c per lb; Prunes, 17c; Currants, 14c for new.

BAR LEAD—12c; Shot, $3,50 per bag.

SODA—"Babbit's," 12c; "Oakely's," 11½c; Bosin, 6 to 7c; "Dobbin's" 15c.

CANDLES—Mould, 18c; Star, 23c.

CONCENTRATED LYE—$8,00 per case.

BI CARB SODA—$8,50 per 100.

FISH—White Fish, $9,00. Lake Herring, $5,00; Mackerel No. 1, $22; No. 2, $18,00; No. 3, $13,50; in half barrels, 50c more.

BUTTER—Is quiet but steady with regular sales of prime to choice at 33 to 36.

CHEESE—Is quiet and unchanged at 14 to 15c for Western Reserve and Hamburg; 16 to 17c for Factory; 18c for Goshen, and 20c for Sweitzer.

EGGS—Firmer, under the influence of diminished receipts, and we now quote fresh packed at 18c.

SEEDS—Flaxseed is scarce and in demand at $2.25. Sales Timothy Seed at $3,35 to $3,50. Cloverseed is nominal at $7,50 to $8.

HAY—Is selling from country wagons at $20 to $30 per ton, as to quality.

GRAIN—Winter Wheat still commands $2,10 to $2,15 for prime to choice Red, though it takes a choice article to command the outside figure; we have sales reported to-day at $2,10 to $2,15, on spot, and $2,15, delivered. Rye is in steady demand at $1,35, and but little offering. Oats are reported unchanged at 60 to 65c—we hear of some few sales in first hands at 65c. Corn is quiet and unchanged at $1,06 to $1,12 for mixed to prime Yellow. Very little Barley offering—we continue to quote at $1,75 to $1,80.

MILL FEED—The mill prices are unchanged, as follows: Screenings $1; Bran $1.10; Shipstuffs $1,30; and Middlings, $2,20.

SALT—Is dull and unchanged at $1,75 to $1,80, to the trade, for Allegheny River brands, and $2 for small lots in store.

LARD OIL—Is firm but unchanged at $1,20 for No. 2, and $1,50 for No. 1.

PROVISIONS—Bacon is steady with regular jobbing sales at 14 to 14½ for Shoulders; 18½ to 18¾ for Clear Sides, and 22,50 22½ for Sugar Cured Hams. Lard is still quoted at 19½ to 20 for prime kettle rendered. Mess Pork $30 to $30,50.

APPLES—Continue very dull, with supply largely in excess of the demand; quotations cannot fairly be given above $2 to $3 per bbl.

POTATOES—Scarce, and we now quote at $3,50 to $4 per bbl, the outside figure for fresh.

MELONS—are quoted at $25 per 100.

FLOUR—Is quiet and rather dull, but unchanged. The City Mills continue to quote White Wheat at $11,30 in barrels, and $11 in sacks; and Red Wheat at $10,50 in barrels, and $10,50 in sacks. Rye Flour unchanged at $9,25 for old.

WHITE LEAD AND ZINC PAINTS.

OFFICE OF THE PITTSBURGH GAZETTE, WEDNESDAY, August 26, 1868.

The advance in Pig Lead, and the reduced stock of dry Lead, warrants us in believing that there will be no decline in prices for some time; but, on the contrary, should there be any very marked increase in the demand for the fall trade an advance may be looked for on White Lead. Messrs. Harris & Ewing, wholesale druggists, corner of Liberty and Wayne streets, quote the following brands:

Strictly Pure, White Lead, J. E. & I. Son	14½c
Pittsburgh White Lead Works, Pure	13½c
Banner, Pure	12½c
Eagle, Pure	12½c
Pacific, Pure	11c

PITTSBURGH DRUG MARKET.

OFFICE OF THE PITTSBURGH GAZETTE, WEDNESDAY, August 27, 1868.

Since our last review of the Market, we note many and important changes in the value of leading articles. Some of these changes arise from legitimate sources and have the appearance of remaining as at present for some time; others are either the result of speculation, or caused by the fluctuations in Gold, and will continue to fluctuate, from day to day. Congress having at length settled the question of the tax on Distilled Spirits, it is to be hoped that the trade in Alcohol and its products will soon fall into a legitimate and healthy channel. At present the market is very unsettled, and inasmuch as the Distillers have not commenced operations to any extent, under the new law the price does not at present bear a fair proportion to the cost of production and rate of tax; most of the Alcohol now in the market having been removed from bond at an increased value. We note a reduction in the price of Ethers, Chloroform, Spirits Nitre, Hoffman's Anodyne, Granville's Lotion, and all alcoholic preparations. We also note a deline in Tannin, Sugar of Lead, Syrup Iodine Iron, Gum Kino, and Croton Oil. We anticipate a decline in some of the leading Patent Medicines, having for their base, distilled spirits. Citric Acid, Tartaric Acid, Cream Tarter, Rochelle Salts, Seidlitz Mixture, Refined Camphor, Blue Vitrial, Roman Chamomiles, Flake Tragacanth, Castor Oil, Olive Oil and Oils of Lemon, Peppermint, Sassafras, and Spearmint are somewhat higher. Bismuth and its preparations continue to advance, and in consequence of the overflowing of the mines in Saxony, we do not anticipate any decline for several months. Opium is firm at the advance, having re-acted strongly from a temporary depression, and as the new crop is but about two-thirds of the original estimate, we presume the present prices will be maintained. Morphia is held firm, and as it does not yet bear its true relative position to the price of Opium, a further advance may be looked for. Quicksilver and all mercurials are higher, partly in consequence of the advance in Gold, and partly, perhaps, in view of the fact that the market is controlled by one or two leading houses. Under the circumstances, a still further advance would be justifiable and not unexpected. All preparations of Gold and Silver, and all imported goods harmonizing with the fluctuations of the Gold market, are higher. Madder continues high, and will probably remain so. Extract of Logwood and Bi-Chromate Potassa are one cent per pound higher. The Pennsylvania Salt Manufacturing Company have again advanced the price of Concentrated Lye 50 cents per case, dating from 1st inst. Spirits of Turpentine and Naval Stores generally have ruled low during the past two months, but now tend upward.

LINSEED OIL—We anticipate a decline in this article, but the very general complaint of the yield of the Flax crop, which a month since promised so abundantly, has caused a rapid advance in Linseed Oil, and quotations, except for the moment, are quite nominal. Sales have been made within a day or two at $1,16 and $1,18 for Raw, but the article is now held higher.

Messrs. Harris & Ewing have recently introduced to the public two proprietary articles, viz.: Dr. Harris' Electic Summer Cordial, a pleasant, safe and speedy cure for Summer Complaint in children, and for Diarrhœa, Dysentery, Cholera Morbus, &c.; whether in cases of adults or children; and Dr. Harris' Cramp Cure, a specific for Cholera, Cramps, Pain in the Stomach, &c. We are warranted in saying that these remedies are the very best kind ever offered to the public, and certainly more satisfactory in their action than any medicine heretofore on the list of proprietary articles. Dealers who purchase from them are authorized to have the merits of these preparations tested at their expense, and they will in all cases refund the money where the medicine fails to give satisfaction.
