FINANCE AND TRADE.

OFFICE OF THE PITTSBURGH GAZETTE, THURSDAY, September 3, 1868.

—A novel failure has come to light in New York. A German doing a large business in woolens never kept any books, and notified his creditors he had failed, offering 75 cents on the dollar. One of the creditors offered to take the business and pay the other creditors in full, which offer was accepted, and the buyer, it is said, will make $75,000 or $100,000 by the operation.

—The Hartford Life Stock Insurance Compan, which during the past twenty-two months has sustained losses amounting to $410,000, has been suspended. The capital of the Compan is $150,000, of which $100,000 has been deposited with the treasurer of Connecticut, and $50,000 was kept by the Company for working capital. The $100,000 in the treasurer's hands will be used by the Company for paying losses and unearned premiums.

HOGS.

There is a good demand for choice, smooth hogs, averaging from 200 to 225 lbs., but the receipts of this class were very light and in small lots, making it very difficult for buyers to select out such lots as they might have orders for.
