Our local columns present a full report of a case occurring on Saturday night, involving the rights and duties of the police authority, which should have the earnest consideration of every citizen.

KU-KLUX FACTS—THEORY AND PRACTICE.

Partisan opponents to Southern reconstruction make persistent efforts to suppress, from the knowledge of the Northern people, the facts which exhibit the horrible state of terrorism and violence already established in nearly every Southern State.

Two years ago, when the Soldiers' Convention was held in this city, the men of Philadelphia turned out in a handsome manner, and contributed largely to the success of the demonstration.

THE ADMIRATIONS made by FORBES, the notorious Tennessee rebel, touching the organization, numbers and designs of this band of assassins, will not be forgotten by the reader.

REBEL EXPECTATIONS AND FEDERAL HYPOCRASY. A correspondence has been made public between General ROSECRANS, the Federal Minister to the Virginia Springs, and some thirty or more ex-Confederate Generals and leaders assembled at that rebel "Court."

REPUBLICAN MASS MEETINGS. The Union State Committee announces a series of mass meetings, covering the entire Commonwealth, and to occupy the remaining period intervening before the October election.

A DESPAIRING CANDIDATE.

The mental condition of HORATIO SEYMOUR is clearly disclosed in his own letter just published as follows: UTICA, July 24, 1868.

THE FISCAL year of the Federal Treasury commences July 1st. As the appropriation bills were not generally passed in time to meet the proposed expenditures for July, it became necessary to carry these over to the next month, August.

THE CATTLE DISEASE in Ohio. The Cleveland Herald of the 5th says: It is reported that much excitement is being created in the towns of Twinsburg, Northfield and Mantua, Portage county, concerning the cattle plague.

IS YOUR DISEASE RHEUMATISM? Many persons, supposing they are suffering from this disease, have applied to Physicians and other Rheumatic Remedies without obtaining any relief.

HOW THEY LOVE THE CONSTITUTION. When the Southern rebels were fighting for the destruction of the Union, Frank Pierce, a former Democratic President, encouraged them to go on in their foul work.

CHRONIC DISEASES OF THE EAR. In observations and notes taken by Dr. KEYSER, of this city, on the various diseases of the ear, he has also noted that in some cases could be cured in their infancy if application were made to some reliable and competent auril surgeon.
