☞**THE COMMITTEE OF ARRANGEMENTS** on behalf of the

Soldiers and Sailors of Western Penna.

WILL MEET AT

CITY HALL,

WEDNESDAY, Sept. 9th, at 3 o'clock P. M.,

To devise and arrange a programme for the Grand Union Republican Mass Convention to be held at Allegheny City, Sept. 24th. Prompt attendance is requested. By order of

se9:x11 CHAIRMAN.

☞**MEETING OF SOLDIERS.**

To all Honorably Discharged Soldiers and Sailors.

COMRADES: At an informal gathering of a few soldiers, not politicians or partizans, the question was raised as to how soldiers would probably vote in the approaching election. Those assembled, though in times past divided in political sentiment, proved unanimous in support of Gen. GRANT. It was determined to issue an Address to our comrades, calling a meeting of all who desire the election of Gen. GRANT, with a view to concert of action. This conclusion was arrived at without consultation with any politician or political Executive Committee, and uninfluenced by suggestions from such parties.

When Treason dared to attempt the overthrow of our Government, and the disruption of the Union, we waited not to consult our former political parties or their leaders, or to see on which side our party might range itself, but we all—Democrats, Republicans and Bell-Everett men—sprang promptly to arms to save our common country from its foes. And now that the excitement of conflict is passed, the clash of arms hushed, our muskets and accoutrements laid aside, amid the comforts and quiet of home we look back on our patriotic course with pride, mingled only with tears over the memory of our fallen comrades; not one feeling of self reproach mars the retrospect, although we recollect that among our companions in arms were many who had been our political opponents, and among our foes were some whom we had revered and followed as political guides and oracles.

At the close of the war, some who had gone away Democrats returned Republicans, but not a few came home with the expectation of again acting and voting with the once glorious Democratic party—hoping and believing that it had seen and repented its errors. Some of us have, indeed, since our return, supported nominees of the Democratic party.

But now that another general election impends, it is our duty again to choose sides—not as partizans, but as patriots. A true Union soldier can never become a mere party man.

Realizing this, the undersigned address this Call to their fellow soldiers, not in behalf of a political party or its nominees, but in behalf of the Peace and Prosperity of our Nation, which are again threatened. Had the Democratic party spurned the dictation of Wade Hampton and his co-traitors, and offered us a loyal, honest, Union platform, with Hancock or some other candidate having a good war record, some of the undersigned would not have joined in issuing this call. But with such a platform and ticket, championed by Wade Hampton, Forrest, Semmes, Cobb, Toombs, Wise and other like traitors, we cannot hesitate as to our course. To say that the threats of these known enemies of the Union mean nothing is worse than folly; they proved themselves terribly in earnest before, and we have every reason to believe that they are equally so now.

Regarding this contest as a renewal of that we helped to decide in the field, we have once more laid aside all party feeling and have re-enlisted under the noble soldier who led us to victory after others had failed. Gen. GRANT is not and cannot become a party man—he is a true, earnest, faithful friend of the Union. The Republican party cannot claim him; though the nominee of that party, he is, in fact, the candidate of the true Unionmen of the Nation, just as Horatio Seymour is the candidate of the Southern traitors, Hampton, Forrest, Semmes & Co., though nominally the Democratic candidate.

We invite all honorably discharged soldiers and sailors in the county, who, though ever ready to fight for the Union, yet prefer peace to war, to meet us at CITY HALL, on THURSDAY EVENING, Sept. 10th, at 7 o'clock, to consider the expediency of organizing an Independent Veteran Corps. If deemed expedient, we propose to organize, not a Republican Club, but a Veteran Union Phalanx, to support GRANT, COLFAX AND PEACE.

Come out in your might, and show the rebels who threaten our country that the soldiers of the Union in Allegheny county are not to be intimidated or inveigled from duty.

"LET US HAVE PEACE!"

This Company, National in its character, offers, by reason of the Large Capital, Low Rates of Premium and New Tables, the most desirable means of insuring life yet presented to the public.

The rates of premium being largely reduced, are made as favorable to the insurers as those of the best Mutual Companies, and avoid all the complications and uncertainties of Notes, Dividends and the misunderstandings which the latter are so apt to cause the Policy-Holders.

Several new and attractive tables are now presented which need only to be understood to prove acceptable to the public, such as INCREASING-PRODUCING POLICY and RETURN PREMIUM POLICY. In the former, the policy-holder not only secures a life insurance, payable at death, but will receive, if living, after a period of a few years, *an annual income equal in ten per cent. (10 per cent.) of the par of his policy.* The latter the Company agrees to return to the assured the total amount of money he has paid in, in addition to the amount of his policy.

The attention of persons contemplating insuring their lives or increasing the amount of insurance they already have, is called to the special advantages offered by the National Life Insurance Company.
