RIVER NEWS.

The river appeared to be rising slowly last evening with three feet full in the channel by the Monongahela pier mark. The weather continues cloudy and unset-The weather continues cloudy and unset-tled with every appearance of more rain. There has been no arrivals or departures. since the date of our last report. If the water does not go down, of which there is but little prospect at present, we may ex-pect quite a fleet of tow boats in about Fri-day or Saturday.

pect quite a fleet of tow boats in about Fri-day or Saturday. The Bayard which boat left here on Tues-day tor Buffington, had no less than two hundred and five passengers, all of them tow boatmen. They were sent down to bring up quite a fleet of tow boats that have been laid up there during the greater part of the Summer. Capt. Dan. Moore left for Cincinnati on Tuesday to lead the McCullough for Pitts-

burgh. Capt. Geo. D. Moore went out in charge of the Bayard, Capt. Shepard being unable to leave home for the present.

The Messenger was hauled up to the up-per end of the landing yesterday and will, we presume, commence loading for some point -most probably New Orleans.

The Kate Putnam, Armadillo, Armenia, Grey Eagle, and a number of other boats are at the landing/ready to commence busi-ness as soon as there is an opening.

-The Camelia passed Marietta on Tues-day enroute form Pittsburgh to St. Louis. -Nashville papers of Sunday report the Cumberland rising again, with 4 feet on

-The little towboat Liberty No. 3 was sold at private sale at Cincinnati on Satur-day, for \$2,500. Parties from Ironton were the purchasers.

-The steamer Camelia and Wm. Buillér, lying aground for several days past at Car-penter's Bar and Buflington, are relieved from their unpleasant position by the re-cent rise, and are on their to Cincinnati. The Camelia is bound for St. Louis.

-Captain John J. Adams, of the Mem-—Captain John J. Adams, of the Mem-phis and Arkansas Packet Company, has contracted with Messrs. Vance & Arm-strong, of Madison, for the construction of two boats to ply in that trade, one of which is to receive the machinery now in the steamer Gleaner.

DISEASED LUNGS.

There is no doubt whatever that diseases of the ngs, or ulcers of whistever sort, on any of the internal organs may be, and are frequently cured, and

a complete condition of health established. If the elaborative functions, of which the stomach is the primary and most in portant one, are restored to a condition to do the repairing of the human system, ulcers or sores, whether upon the lungs, the liver,

the kidneys or the bowels, or upon the legs, as is frequently the case, can be made to heal, and a complete standard of health re-established.

We have frequently con these results from the carry out of the animal contary all effete and used up material. Dr. K. says that he has known the

most distressing and harassing coughs, whose vibrations would threaten to shake the whole constitution to pieces, removed in the course of a few dsys.
