## RIVER NEWS

The river fell some two or three inches during Saturday night, but was at a stand nearly all day yesterday with seven feet in the channel by the Monongahela marks. On Saturday the Allegheny was reported falling at Oil City, but as there has been considerable rain since then we still entertain hopes of a good rise in that stream. It was reported yesterday that more water was coming out of the Monongahela, we presume- The weather continues cloudy and sultry, with frequent showers of rain. The Bayard, from Parkersburg, and Robt. Moore, from Portsmouth, have arrived since our last report, and the J. N.

McCullough, from Cincinnati, is due here Quite a number of towboats have arrived, and many have departed again with tows of coal. It was supposed on Saturday that about a mill on and a half bushels would be sent out on the present water, mainly destined for Cincinnati and Louis-The Armadillo, Capt. D. H. Swaney, is

filling up steadily, and will soon be ready to take her departure for St. Louis and The Bayard, Capt. A. S. Shepard, is the regular packet for Parkersburg to-day, leaving promptly at noon. We may here remark that the Bayard has been thoroughly repaired and is in excellent condition for business.

The 1 N. McCallengt Control The J. N. McCullough, Capt. George D. Moore, is announced to leave for Cincin

nati to-morrow at noon. The McCullough is the finest steamer that now comes to this port, and she is, and deservedly, too, very popular in the Pittsburgh and Cincinnati packet trade. The Bellevernon was to have loft St. Louis for Pittsbugh on Thursday.

The New York was advertised to leave Cincinnati for Pittsburgh on Saturday. —The Emma No. 3, en route from New Orleans, passed Memphis on Wednesday -The towboat Alps was to have left Cin-

innati for Pittsburgh on Friday with a tow of empty barges -Deputy United States Marshal J. E. has taken charge of the D. M. Seckler, at Gallipolis.

The J. N. McCullough was again com-pelled to lie over at Cincinnati on Tursday in consequence of the rain. -Capt. Barney Martin lett Cincinnati by rail on Thursday for St. Louis, where he will at once load the Maggie Hays for Pittsburgh.

The Talisman has been chartered to carry a load of people from Nashville to St. Louis, to attend the Agricultural Fair. —The Camelia arrived at Cincinnati on Thursday evening and it was expected that she would leave there the same night for

St. Louis. The J. N. McCullough and R. C. Grayleft Cincinnati for Pittsburgh on Friday. The McCullough had 200 tons pig iron and blooms, and 100 tons sundries.

-Capt. F. Y. Batchelor received a dispatch at Cincinnati, Wednesday evening, informing him that he had been appointed General Storekeeper for the Second District of Ohio. -The Robt. Moore was sold on Saturday at Cincinnati to Capt. James S. Wise, for \$5,000. She will take the place of the Pine

Grove, recently burned in the Cincinnati and Nashville trade -It is reported that Mr. Smedley, of Paducah, has sold his one-half interest in the Fanny Brandeis to Commodore Hughes, of Nashville, for \$5,000. The other half interest in the boat is owned by

Capt. H. Miller, her commander. -The Kentucky River Navigation Com-

pany for the steamer Gov. H. W. Allen, each getting the best of the bargain, for each had a boat that was not adapted to the trade in which she was engaged. It is not to be supposed, however, that the "trade" was even.
