This Company, National in its character, offers, by reason of the Larg Capital, Low Rates of Premium and New Tables, the most desirable means of insuring life vet presented to the public.

The rates of premium being largely reduced, are made as favorable to be insurers as those of the best Mutual Companies, and avoid all the compileations and uncertainties of Notes, Dividends and the misunderstandings which the latter are so apt to cause the Poley-Holders.

Several new and attractive tables are now presented which need only to be understood to prove acceptable to the public, such as INCOME-PRODUC-ING POLICY and RETURN PREMIUM POLICY. In the former, the policy-holder not only secures a life insurance, payable at death, but will receive, if living, after a period of a few years, an annual incomequation from per ceal. (IU pir cent.) of the par of his policy. The I tare the Company spreas to return to the assured the to'al amount of his policy.

The strention of persons contempanty in addition to the amount of his policy. The strention of persons contempanting insurance they already have, is called to the special advantages offered by the National Life Insurance Company.
