The Pittsburgh Gazette.

FINANCE AND TRADE.

OFFICE OF THE PITTSBURGH GAZETTE, TUESDAY, September 22, 1868.

On the report that the Government was a seller of its surplus gold yesterday, and to-day the market declined from 144¾ to 142⅝; closing weak. The foreign bankers have been free shippers of bonds, and are pressing their exchange on the market, and likewise their gold and the proceeds of the sales. The prospect of a Republican victory in October and November next furnishes additional reasons for gold to be lower, although our imports amount over five million dollars in gold, whilst our exports only amount to about three millions in currency. It thus happens that at the export season the market is bare of prime commercial bills, and who knows how soon we will have to resort to specie exports. The amount of coin held by the banks is now quite small—less than fourteen millions—with a month and one-third before the Government can disburse any for interest due. All this is lost sight of, in the eagerness to see gold down and anticipate the effect of the November election.

The government bond market is very firm, not from any demand from inventors, but from speculators who have sold short in anticipation of a close market. The decline in gold will certainly influence the price of government bonds of the old issues, the interest of which is sustaining November 1st.

Stocks are dull and lower; New York Central has declined from 131¾ to 127½; Fort Wayne from 110½ to 109½; Pittsburgh from 88¾ to 87½; Erie from 49 to 47½; North Western from 91¾ to 86. Express shares are steady and firm. Erie shares are strong, and a large short interest exists in these shares. Ohio and Mississippi is strong, and a rise is confidently expected, although the stock is less, not quite so firm as last week.

Money is very abundant, but business is not as active as is desired.

Closing quotations as received by Ph. R. Mertz: Gold, 142⅝; Eighty-one's, 114⅜; Five Twenties, 1862, 115⅛; do, 1864, 110⅛; do, 1865, 111⅛; do, 1865, new, 109; do, 1867, 109½; do, 1868; 109⅝; Ten Forties, 104⅜; Railroads—Cleveland & Pittsburgh, 87½; Pittsburgh, Fort Wayne & Chicago, 109½; Chicago & Rock Island, 102¾; Chicago & North Western, 89⅞; do Preferred, 89¼; Michigan Southern, 84½; Reading, 92¾; Erie, 47½; New York Central, 127½; Ohio & Mississippi Certificates, 28⅝; Western Union Telegraph Co., 34⅝; Adams Express Co., 51; Merchants Union, 24. Mining shares—Gregory, 4,35; Corydon, 12; Quartz Hill, 1,00; Smith & Parmalee, 3,95; Quicksilver, 22½.

—The New York *Commercial Advertiser* says, concerning the movements of grain: "The amount of new grain sent to the seaboard is much below that forwarded at the same period of 1867. The receipts of flour at New York, from August 1 to September 12, were 57,195 barrels below those for the same period of last year, while the arrivals of wheat and corn were 1,150,000 bushels below those of 1867, as will be seen from the following comparison:

RECEIPTS OF FLOUR AND GRAIN AT NEW YORK FROM AUG. 1 TO SEPT. 12.

	1868.	1867.	Dec.
Flour	307,515	364,710	57,195
Wheat	359,210	1,066,135	706,925
Corn	2,836,265	3,302,175	445,910

"The result of this decrease of receipts is that we had a stock of grain at New York on the 19th inst. of only 1,601,226 bushels, against 2,794,844 bushels at the same date of last year. This condition of grain stocks at the seaboard, and the prospect of considerable shipments of breadstuffs to Europe, indicate that we have yet to buy a large amount of grain from the west.

"The west is full of grain, waiting for eastern buyers. From the 1st of August to the 12th of September, the arrivals of all kinds of grain at the five lake ports, aggregatidg 20,148,253 bushels, against 16,618,639 bushels at the same period of last year.

RECEIPTS OF FLOUR AND GRAIN AT THE LAKE PORTS FROM AUG. 1 TO SEPT. 12.

	1868.	1867.	Inc.
Flour	674,223	575,945	98,283
All grain	20,148,253	16,618,639	3,529,614

"It is thus apparent that grain is accumulating in large amounts at the lake ports, to be moved east as soon as western holders and eastern buyers can agree upon terms. The purchase of the grain now held on the lake has been affected by the withdrawal of western deposits from New York; when it is forwarded east the movement must be effected by eastern means, and then will come a fresh demand from the grain trade, which can not but tell very directly upon the money market."

—Closing quotations received by James T. Brady & Co.: Gold, 143¼; United States Sixes, 1881's, 114⅝; 5-20's, 1862, 114⅝; 5-20's, 1864, 110¼; 5-20's, 1865, 111½; 10-40's, 105; 5-20's, January and July, '65, 109¼; 5-20's, January and July, '67 109¼; '68, 109¼; June 7-30's, par less ¼; July 7-30's, do ¼; August 119; Sept., 119½; Oct. 118½; Union Pacific Railroad, 102; Central, 103.

PITTSBURGH MARKETS.

OFFICE OF THE PITTSBURGH GAZETTE, TUESDAY, September 22, 1868.

The inclement condition of the weather had a tendency to retard business to-day which at best has been unusually dull for some days past. There is no improvement to note in the tone of the general market, so far as regards either demand or prices, and while the volume of business seems to be comparatively light, prices have undergone no important changes.

BUTTER—Is steady with a supply fully up to the demand, and prices are unchanged at 36 to 40 cts.

EGGS—Steady but unchanged, at 23c for fresh packed.

HAY—Baled is selling on wharf at $25 to $30, as to quality, and wagon Hay may be quoted at $30 to $36.

CHEESE—Unchanged at 15 to 16 for Western Reserve and Hamburg; 17 to 18c for Factory and Goshen; and 19 to 20c for Sweitzer.

APPLES—In fair supply but with a steady demand, prices are maintained, ranging from $3 to $4 per bbl.

POTATOES—Dull at $1,10 to $1,12 per bushel, and $3,20 to $3,25 per bbl. Sales of Sweets at $6,00 to $6,50 per bbl.

GRAIN—Wheat is dull and with a drooping tendency; sale of 1 car prime Red, in elevator, at $2,10. Oats steady but unchanged at 65 to 66c, on track, and 68 to 70c, for small lots in store. Corn is less active but unchanged; quoted at $1,14 to $1,15 for mixed, and $1,16 to $1,17 for prime Yellow. Rye is in demand, with sales at $1,40 to $1,45. Barley is in demand, and limited in supply; we continue to quote at $1,90 to $2.

SEEDS—The arrivals of Timothy Seed from Chicago have been liberal for some days, and the market is now well supplied; prices, however, remain unchanged at $3,50 to $3,75. Flaxseed is scarce and in demand at $2,45 to $2,50. Cloverseed is entirely nominal.

LARD OIL—Is quiet and unchanged at $1,20 for No. 2, and $1,50 for No. 1.

PROVISIONS—Bacon is quiet and unhanged at 14 cts, for Shoulders; 16½ for Ribbed and 18 to 18¼ for Clear Sides, and 21 to 21¾ for Sugar Cured Hams. Lard is unchanged at 20 in tierces, and 22 in kegs. Mess Pork, $30,50 to $31.

ONIONS—Sales in a regular way at $3,75 to $4 per bbl.

MILL FEED—Is dull but unchanged. The mills continue to quote at $1,10 for Bran; $1,30 for Shipstuffs, and $2 for Middlings.

FLOUR—Is dull and unchanged. Spring Wheat brands, $9 to $9,50 for fair to medium, and $9,75 to $10 for choice. The mills continue to quote at $10,50 for Extra Family, in barrels, and $10,20, in sacks, and Double Extra at $11, in barrels, and $10,70, in sacks. Rye Flour, $8,75.

WHISKY—Is quiet but steady and unchanged; we continue to quote common rectified per gallon $1,25; half rye and half corn per gallon $1,75; old Monongahela rye, two years old, per gallon $2,25; old Monongahela rye, three years old, per gallon, $3,50; highwines per gallon $1,35.

CRANBERRIES—Sales of eastern at $20 to $24.

PITTSBURGH PETROLEUM MARKET.

OFFICE OF THE PITTSBURGH GAZETTE, TUESDAY, September 22, 1868.

CRUDE.

The Crude market was firm and a little excited, notwithstanding their was not a single sale reported. We are cognizant of an offer to buy September or October at 11½ without meeting with any response from sellers; indeed, so far as we could learn thero was not a single offer to sell holders, seemingly, preferring to hold off in anticipation of still better figures. Oil City telegrams report the market firmer; held at $4,25 to $4,30, with no buyers.

REFINED.

The market for Refined continues firm and somewhat excited, particularly for early deliveries, and, compared with yesterday, prices have still further advanced. Sale of 500 bbls for September at 31½c, and 1,500 each for September, October and November at 31c.
