**The Alabama Legislative Commission—Additional Revenue Appointments—The Outrages in Georgia—Cemetery Superintendent Transferred—Appointment of Supervisors—Arming Citizens of the Frontier—Negro Troops for Tennessee.**

(By Telegram to the Pittsburgh Gazette.)

WASHINGTON, Sept. 26, 1868.

**THE ALABAMA LEGISLATIVE COMMISSION.**

The delegation of the Alabama Legislature having neglected to bring an authentic copy of the resolution under which they are acting, will await its arrival by mail before officially visiting the President.

Gov. Smith is with the delegation, by request of the Legislature, to advise and support them. He has official functions to perform here in connection with the application for troops. He is of the opinion that the action of the Legislature, though unusual in form, meets the requirements of the Constitution. He is of the opinion that the securing of Federal aid he does not fully sympathize with the Legislature in its call for additional troops, and expressed his confidence in his own ability to maintain the peace of the State. The people desire peace, and he has the assurance of men of both parties of support in his efforts. There is some disorder on the line of the Tennessee river and north of Mobile, but elsewhere throughout the State there are no indications of disturbance and no disposition to resist the law. In no other portion has any officer requested to be stationed in office been resisted in the performance of his duties. The Governor is apprehensive that during the excitement of the coming election imprudent parties may commit acts which will lead to serious disturbances, unless restrained by some assurance from the President that they will be put down by Federal authority. Beyond this assurance, Governor Smith is inclined to think no Federal intervention is necessary at present.

**REVENUE APPOINTMENTS.**

The following Internal Revenue officers were appointed to-day:

Georgia: W. J. Second District, Minnesota; Wm. R. Boardman and John Sherman, First District, Minnesota; Robert S. Gray, J. S. Forman, and W. J. Hook, Seventh District, Kentucky; Joseph J. McConnell, Fourth District, Indiana; Thomas Kessley, Third District, Iowa; J. O. Neer, Fourth District, Ohio.

**STORERS' TRANSFERRED.**

James McCauley, Superintendent of the Harmony National Cemetery of Washington, has been transferred to the charge of the Butler National Cemetery near Springfield, Illinois.

**GEORGIA OUTRAGES.**

General Howard, of the Freedmen's Bureau, had an interview with the President to-day in regard to the recent outrages in Georgia.

WASHINGTON, September 27, 1868.

**NEGRO TROOPS FOR TENNESSEE.**

The Twenty-ninth regiment of United States Infantry, which has been on duty here for a year past and numbering over eight hundred men, passed over to Alexandria to-night to take passage for Nashville direct via Knoxville and Chattanooga. On reaching Nashville they will be distributed to other points in Tennessee in view of the approaching election. One-half of the regiment at Washington consists of one-third.

**APPOINTMENT OF SUPERVISORS.**

It is stated in official quarters that Commissioner Rollins will take no further action in regard to the appointment of Supervisors until the investigation before Commissioner Galt is terminated.

**THE CAMILLA RIOT.**

It is expected the report of Gen. Sibley on the Camilla disturbance will be received this week.

**ARMING OF FRONTIER CITIZENS.**

It is understood, Sherman has determined to issue arms and ammunition to citizens along the Indian frontier for protection against further depredations by savages.

### CANADA.

**Copyright Act—Great Western Railroad—Steamship Collision—Letter From William's Counsel—Quebec Legislature.**

(By Telegram to the Pittsburgh Gazette.)

Toronto, September 26.—The express robbery case came up again to-day. Judgment is pronounced on Monday.

A memorial to the Dominion (Ontario) Government to grant ten million acres of land in aid of the Huron and Ontario Ship Canal, is being largely and influentially signed.

OTTAWA, September 25.—The copyright act imposing 12 1/2 per cent. duty ad valorem on British copyrights presented in foreign countries and imported into Canada, goes into force on the 28th inst.

The Great Western Railroad traffic returns for August amount to \$200,000, and the returns of the Grand Trunk to \$227,718.

QUEBEC, Sept. 26.—The steamship Merit and St. George collided off Indian Point yesterday. The Merit was out down in the port bow to within six inches of the water, and returned to port with her pumps working. The St. George was not much damaged.

J. O'Farrell, the advocate who managed Whelan's defense, has written a letter to the Chronicle stating if the obstruction placed on the Grand Trunk Railway to destroy the life of O'Reilly be traced home to any of his countrymen, he will withdraw from the defense of Whelan and other prisoners, and from Irish affairs forever.

Up to this date eighty-eight sailing vessels and five steamships have arrived here more than last year.

MONTREAL, September 25.—The Quebec Legislature meets in the latter part of October. It is understood the Local Ministry will immediately grant \$5,000 to the Red River sufferers.

**Damage by the Breaking of a Dam.**

(By Telegram to the Pittsburgh Gazette.)

Worcester, Mass., Sept. 27.—The dam of the large reservoir above Head's river, in Barre, gave way on Friday night and flooded and washed away several other dams; five or six mills and five highway bridges, and badly damaged the roads. Loss nearly \$100,000.

## NEW ORLEANS.

Civil Rights Bill Voted—The Governor's Message.

(By Telegram to the Pittsburgh Gazette.)

NEW ORLEANS, September 25.—Governor Warmouth has vetoed the civil rights bill. Gov. Warmouth, in vetoing the bill, says the State Constitution fully establishes all the rights and privileges sought to be secured by it. He says, after enumerating his objections to its different sections, that every person, colored as well as white, is equally secured by the Constitution in the enjoyment of political and civil rights, and in his remedy for their infringement the Courts are open to all alike. The same rule obtains in National and State Courts. The Judges of the State Courts and their officers are amenable to and dependent upon all citizens, alike colored and white, constitute juries. Those of the colored race will not ask for more. They will rather deprecate a kind of legislation which, instead of advancing their present condition, only rendered them enemies of their race more bitter and determined in their hostility, and furnishes them weapons whereby to assail the rights which the colored race have already acquired. The Governor says further: In returning this bill without my signature it is hardly necessary for me to say that I am prepared, so far as lies in my province and power, to enforce the new Constitution as it exists. Such is my desire, as it is my duty, that when I find the act in question to be in my best judgment unnecessary and unwise, to telegraph to the public conscience and indignity dissent, which will surely yield to the power of the time and the growth of more Catholic views of our personal relations, it becomes no less clearly my duty to decline to sign it.

**NEW ORLEANS, Sept. 27.**—The wrath of the negroes at Gov. Warmouth's veto of the bill is unbounded. Threats of violence are being made against the Governor and his family.

In the House Mr. Isabella, colored, author of the bill, said if Gov. Warmouth had been elected on the Democratic ticket he should not have been surprised at the veto, but he was surprised that such a document should have come from a man elected on the Radical Republican ticket. He thought the veto was a very weak document and carried out certain principles of the Chicago platform, which he did not approve. He said the Negroes in this State are not satisfied with the veto, but they are not satisfied with the performance of his duties. The Governor is apprehensive that during the excitement of the coming election imprudent parties may commit acts which will lead to serious disturbances, unless restrained by some assurance from the President that they will be put down by Federal authority. Beyond this assurance, Governor Smith is inclined to think no Federal intervention is necessary at present.

## NEW YORK CITY.

(By Telegram to the Pittsburgh Gazette.)

New York, September 28, 1868.

The weather changed from warm this morning to a chilly eastern rain, which prevails this evening.

Police officers McCready and Sheehan were to-day held in \$1,000 bail for trial on a charge of beating a citizen who refused to pay them blackmail.

The water street prayer meetings were held to-day. One of the exhortations at Allen's organ that prayer meetings should be opened in Fifth avenue, as there were more wicked people there than in any other place.

A man now perambulates Water street daily with a sign containing the words: "Prepare to meet thy God; the time is short."

The deaths during the week were four hundred and fifty-four.

The National Labor Congress to-day voted a salary to its President. The resolutions relative to emigration were explained as follows: The National Labor Congress, which is a monopoly, practically introducing white slavery into the country.
