FINANCE AND TRADE.

OFFICE OF THE PITTSBURGH GAZETTE, WEDNESDAY, October 6, 1868.

Gold is firm at about 140, on the rumor that Secretary Seward had been negotiating for the the Island of Cuba.

Bonds are very strong, and large lots can be bought at quotations.

Stocks are strong, under an easy money market, and the entire list has advanced.

Money is in good demand here, especially for long paper. Business quiet and dull.

—There was news to-day of more embarrassment to the late corner combination. It seems that in consequence of over issue of grain receipts, and bad faith on the part of some some who assumed to help them, the ring was obliged to pay for about one million bushels of Corn, for one-fourth of which they paid $1.10 to $1.15 which remained to be sold at 85 to 90c. We heard to-day of no less than five cargoes taken by one operator from the ring at 92½c per bushel, and received on board ostensibly for shipment, then sent back to the elevator and sold at $1.12. In consequence of this "dog bite dog" game, the profits of the ring are dwindling down; three agents have suspended to-day, and two of the country principals (the scheme was engineered by parties several miles west of this city) have also broken up, and it is rumored have departed for parts unknown. It would seem that the late corner was something like an old-fashioned prze fight, in which the winner was almost beaten to death, and the loser got killed. It was stated to-day that the June corner on Wheat only netted $13,000 to the ring when all accounts had been settled that could be settled, and there are those who think that the profit in the case of Corn will prove to be a total loss. It is devoutly to be hoped that every one concerned had his fingers burned just badly enough to keep him from meddling with such reals in the future, but there is too much reason to fear that the greatest adepts in the art have made their pile at the expense not only of the ostensible victims, but of some who were supposed to be confederates.—*Chicago Tribune, 6th.*

PITTSBURGH MARKETS.

OFFICE OF THE PITTSBURGH GAZETTE, WEDNESDAY, October 7, 1868.

The general markets continue quiet, in consequence of the great interest taken in the approaching State elections, and our merchants generally prefer running with low stocks until the result of the canvass is known and the future course of the financial policy foreshadowed. Until then it is not likely that there will be any improvement in trade, but a good business during the fall and winter months is anticipated.

GROCERIES—The grocery market is quiet but steady, with a fair volume of business, in the aggregate, while prices are without quotable change. Sugars, Coffee and Molasses have undergone no change since the date of our last report, and the same is true of all articles that come under this heading.

SUGARS—Cuba, 12¼c for good grocery 12¾ to 13c for prime; and 14c for choice; Porto Rico—good, 13c; prime, 13½; choice, 14½ to 15c; Clarified Cuba, 14 to 14½c. Refined—Standard Hard, 17c; A, 16c; B, 16½c; Extra C, 15¼c; Sugar House, 10½ to 11.

COFFEE—Rio ranges all the way from 21½ to 28½c for common to strictly prime. Java 37 to 38c.

SYRUPS—Lovering's $1,10; Silver Drips, $1,10; White Drips, $1,20; medium brands, 75 to 85c; common, 60 to 65c; Booth & Edgar Syrup, $1.

RICE—Rangoon, good, 10½c; prime to choice, 11 to 11¾c; Carolina, 12 to 12½c.

MOLASSES—New Orleans, 95 to $1,05; Cuba, 65 to 70c; Porto Rico, 75 to 90c.

SPICES—Cassia, 80 to 85c; Cloves 55c; Pepper, 38c; Allspice, 35c; Nutmegs, $1,50.

STARCH—Madison, 8c; Silver Gloss, 12½c, and Corn Starch, 13½c.

FRUITS—Layer Raisins, $4,75 per box; Valentia, 20c per lb; Prunes, 17c; Currants, 12½c for new.

BAR LEAD—12½c; Shot, $3,50 per bag.

SOAPS—"Babbit's," 12c; "Oakely's," 11½c; Rosin, 5 to 7c; "Dobbin's," 15c.

CANDLES—Mould, 16c; Star, 23c.

CONCENTRATED LYE—$3,00 per case.

BI CARB SODA—$3,50 per 100.

FISH—White Fish, $9,00. Lake Herring, $5,00; Mackerel No. 1, $22; No. 2, $18,00; No. 3, $13,50; in half barrels, 50c more.

BUTTER—Is in fair supply, but prices remain unchanged; 38 to 40c for packed, and 42 to 43c for choice Roll.

EGGS—Scarce and in steady demand at 25c for fresh packed.

CHEESE—Is firm with regular sales at 17 to 20c, according to quality.

HAY—Sales at Allegheny Diamond Scales of 53 loads at $28 to $38 per ton.

SEEDS—Flaxseed continues scarce and in demand at $2,50. Timothy Seed is in good supply and dull at $3,50. Small sales of Cloverseed, in a retail way, at $9.

POTATOES—Small sales of prime Nehannocks and Peach Blows at $1 per bushel, and $3 to $3,25 per bbl. Jersey Sweets firmer at $5 to $5,25. Sales of Ohio at $4.

APPLES—Coming in freely, and while the market is dull, prices are unchanged. We continue to quote at $2.50 to $4.00 per barrel.

GRAIN—There is little on nothing doing, and there are no established prices; the tendency, however, is downward. Corn is steady with sales of some Cars at $1.15 to $1.17½. Oats sales on track at 65 to 66, and in store at 68 to 70. Rye is unchanged at $1.40 to $1.45. Barley is unchanged at $1.90 to $2.00.

WHISKY—Is firm and in fair demand but unchanged; sales Rectified at $1,25 and Highwines $1,58.

FLOUR—Is dull and weak but unchanged. Spring Wheat brands may be quoted at $8,50 to $9,25. The mills continue to quote Extra Family at $10,30 in bbls, and $10 in sacks; Double Extra at $10,30 in bbls, and $10,50 in sacks. Rye Flour, $8.50.

PITTSBURGH PETROLEUM MARKET.

OFFICE OF THE PITTSBURGH GAZETTE, WEDNESDAY, October 7, 1868.

CRUDE.

The market presents no new characteristics worthy of special notice. The demand for this month, as well as spot, is fair, and prices, compared with yesterday, have undergone no change. Sale of 1,000 bbls, on spot, at 12¼c, and 1,000 for all the month, buyer's option, at 12¾c. The demand seems to be restricted almost entirely to supplying the immediate wants of consumers, there being but little, if any, inquiry, of a speculative character, though there are some dealers who consider it a safe investment at present prices.

—The Titusville *Herald*, of Tuesday, says: "The feeling on the Creek among all classes is "bullish," and the same can be said of most of the outside markets.

REFINED.

The Refined market was also very quiet to-day. The sales in the aggregate were very light, while prices compared, with yesterday, are a shade lower; we are cognizant of offers to sell the first half of October at 30¼ to 30½, and the last half at 31. Sale of 1,000 bbls for last half at 31; and two lines of 500 each for November and December at 30. The last three months may be quoted at 30 offered and 30½ asked.

RECEIPTS CRUDE OIL.

PITTSBURGH WOOL MARKET.

OFFICE OF THE PITTSBURGH GAZETTE, WEDNESDAY, October 7, 1868.

The Wool market is exceedingly quiet, with only occasional sales of small lots, scarcely sufficient to establish quotations. The ruling rates are about as follows: Unwashed, 25 to 27c; pulled, 30c; very clean tub, 40 to 43c; fleece, common to one-fourth blood, 40 to 43c; one-fourth to one-half blood, 42 to 45c; one-half to three-fourths blood, 45c, and three-fourths to full blood, 45 to 50c. To realize the last named figure will require something very nice and fine.

New York Dry Goods Market.

(By Telegraph to the Pittsburgh Gazette.)

NEW YORK, October 7.—Dry Goods market stronger for most descriptions of Cotton and Woolen goods, in sympathy with the advance in raw materials, but the demand is not sufficiently active to warrant farther improvement in price of manufactured fabrics. Printing Cloths are however an exception; sales extra brands at 7⅛ for 64 picks square. Prints are consequently held with more firmness at 12½ for all standard makes, such as American, Richmond, etc.; 13c for Spragues and Pacific; 13½c for Cocheco and Merrimac D; 15c for Merrimack W; 15½c for Merrimack W, double pink and purple. Standard Sheetings are firm at 15½a16c for Pacific extra, Atlantic A, and other favorite brands. Mouslin Delaines of the best makes are steady at 20c, and Ginghams at 18a18c for the Glascow and Lancaster brands.

Cincinnati Iron Market.
