FINANCE AND TRADE.

OFFICE OF THE PITTSBURGH GAZETTE, THURSDAY, October 8, 1868.

Gold was very dull and weak and declined about 1 per cent.; at the close the market was steady, and numerous buyers were anxious to cover their contracts. A 6 or 7 per cent. money market, however, is unfavorable to a rise of gold premium, and the almost certainty of electing such persons to manage our finances as will restore confidence in the paper issues of the United States Government, will do much to depress the premium.

Government bonds were dull to-day, and declined about ½ per cent., in sympathy with the price of gold and the willingness of large holders to buy at present prices; any further decline in gold will likewise influence the price of securities. Speculators, however, predict much higher prices.

The stock market is very steady, and firm with an upward tendency, all the stock that were selling at concessions in the morning were firmer, and closed higher in the afternoon. A strong combination is at work at present to put up the price of Erie to the old figures; they are trying the street, and having promptly responded a sudden jump of 5 or 6 per cent. may come at any moment. Fort Wayne and Ohio and Mississippi, are the only stocks that have declined. Express shares were rumored to be a poor investment at present prices, showed more strength than was supposed.

Money is freely offered at advanced rates, and business has nearly come to a stand still.

CHICAGO, October 8.—Cattle, good shipping in fair request; sales at $3,87½ for common to good cows; $4,60a5,62½ for fair to medium and $5,25a6,25 for good smooth shipping steers. Hogs, market very much depressed and 20a30c. lower on better grades; common and light lots nominally 30a40c. lower; sales at $7,25a7,90 for ordinary to medium and $8,00a8,65 for good to choice. Freights dull and unchanged.

PITTSBURGH MARKETS.

OFFICE OF THE PITTSBURGH GAZETTE, THURSDAY, October 8, 1868.

There is nothing really new or important to note in the tone of the general markets. Wheat has advanced considerably in Chicago within the past forty-eight hours, but as the advance is owing wholly to a speculative movement, it is not likely to be permanent, and it may go lower than it has been at any time yet. Flour, notwithstanding the upward movement in Wheat, does not appear to sympathize, as yet, with the exception, perhaps, that it is held with more firmness.

APPLES—In good supply and dull but unchanged; sales at $2,50 to $3,50 for fair to prime, and $3,75 to $4 per barrel for choice.

BUTTER—Is dull, with a spply considerably in excess of the demand, and prices are lower; we now quote packed at 35 to 37c, and prime Roll at 39 to 40c.

EGGS—Dull, and under the influence of increased arrivals, prices are a shade lower; we now quote at 22 to 23c.

CHEESE—Is firm with regular sales at 17 to 20c, according to quality.

SEEDS—Flaxseed continues scarce and in demand at $2,50. Timothy Seed is in good supply and dull, and cannot fairly be quoted above $3 to $3,25. Cloverseed—no price established.

SALT—Is dull and unchanged; Allegheny River brands are still quoted at $1,75 on track, and $1,90 to $2 in store.

CRANBERRIES—Sales of prime cultivated at $16 per bbl.

HAY—Is quiet and unchanged; quoted firm from country wagons at $23 to $38 per ton, as to quality.

PROVISIONS—Bacon unchanged at 13¼ for Shoulders; 15½ to 16c for Ribbed, and 17½ to 18c for Clear Sides, and 20 c for Sugar Cured Hams. Lard 20½c, in tierces, and 21 in kegs. Mess Pork, $30,50 to $31.

LARD OIL.—Firm but unchanged at $1,25 for No. 2, and $1,50 for No. 1.

TALLOW—Prime rendered is in steady demand at 12½ to 13c.

HEMP—Quoted at $200 per ton.

GRAIN—Wheat is quiet and nominally unchanged; we quote No. 1 Spring at $1,75 to $1.78, and No. 1 Winter at $2. Barley is scarce, and with a steady demand, prices are fully maintained; prime Penna and Ohio Spring $2, and prime Canada at $2,10. Oats—sales on track at 65 to 66, and in store at 67 to 68. Corn is quiet; small sales at $1,15 to $1,17, as to quality. Rye, $1,40.

WHISKY—Is firm and in fair demand but unchanged; sales Rectified at $1,25 and Highwines, $1,35.

FLOUR—Is a shade firmer but unchanged. Spring Wheat brands may be quoted at $8,50 to $9,25. The mills continue to quote Extra Family at $10,30 in bbls, and $10, in sacks; Double Extra at $10,80, in bbls, and $10,50 in sacks. Rye Flour, $8,50.

OFFICE OF THE PITTSBURGH GAZETTE, THURSDAY, October 8, 1868.

CRUDE.

The market was exceedingly quiet today, not a single sale reported, and so far as we could learn, there was but little offering, and very little inquiry to buy. Prices however, remain unchanged, 12½ being regarded as the standard quotation for spot, as well as all the month. November and December, may be fairly quoted at 12, the last sales reported being at the figure. The first half of 1869, is nominal at 10 cents, sellers option; there has not been a sale for that delivery for some weeks, but the last one reported was at that figure.

REFINED.

The Refined market was also exceedingly quiet to-day, and compared with yesterday, there is but little change in prices. Sale of 1,000 bbls for first half Oct., at 30½ for last half at 31. Later in the day, ½ was the best offer for the last half but it is only fair to state, there were no sellers. The last three months are nominal at 30 offered, and 30½ asked; Nov. alone 30¼ to 30½ and December 30. During the past few days, October has dropped from one to one and a half cents, and November and December, are also off slightly, but not as much as October.
