The Spanish Provisional Governernment-Declaration in Favor of Civil and Religious Liberty -Gladstone's Address-The Established Church in Ireland-Markets, &c.

(By Telegraph to the Pittsburgh Gazette.] SPAIN.

MADRID, October 9.—The Provisional unta have made a declaration in favor of civil and religious liberty. It is received with enthusiasm, and extensive popular demonstrations have been made in Madrid, specially in favor of religious toleration. Large numbers of workmen are idle in consequence of the agitation, which has caused a temporary suspension of industry and labor in the city. The Provisional Junta assures them that work will be furnished for all who want it. Rumor says that the Duke and Duchess of Montpensier have been allowed to re-

## ENGLAND.

London, October 9.-Right Hon. Mr. Gladstone has delivered his address to the electors of South Lancashire. After reviewing the progress of reform in England, he proceeds to criticize the course of the government, condemning the increased estimates in regard to Ireland. He says the true policy would be to make the law the friend of the Irish people. He repudiates the proposition for a general endownent of the Church in Ireland, and says the case against the Established Church is aggravated by the fact that it is the church of the rich. The arguments in favor of its continuance are a satire on misapplied funds, and the established Church is a mark of past oppression. This establish-ment will give the clergy of that Church more scope. The interests of the Irish people must be carried, for the revenue must be applied to the public and social works and not to religious establishments. Mr. Gladstone closed with an appeal to the voters of south Lancashire to support the only just policy which England can pursue.

CRAWFORD COUNTY. Republican Mass Meeting—Tremendous Outpouring of the Masses-Speeches by ex-Governor Curtin and Senator Wilson— Hon. Thomas M. Marshall at Titusville.

Special Dispatch to the Pittsburgh Gazette. MEADVILLE, Cetober 9, 1868. The Republican Mass Meeting here tolay was one of the largest ever held in Northern Pennsylvania. Miles on miles of enthusiastic Radicals came from every direction, and hundreds of vehicles, loaded with voters, did not join in the procession because there was not room enough in the streets to march. At two o'clock r. M. the meeting was called to order by the Chairman, G. B. Delamatter, Esq., and after short speeches by General Hartranft and Colonel Davidson, the Charman introduced Ex-Goyernor Curtin who, for over an hour and a half, addressed the multitude. His speech was received with the most enthusiastic applause, and the crowd insisted that he should speak for some time longer. This, however, is a section where Curtin has thousands of friends, and his friends were clamorous to hear him. About four o'clock he retired, and was followed by Senator Wilson, of Massachusetts, who made a speech of more

large that hundreds could not hear him. His speech made a marked impression, and was frequently interrupted with applause. Te-night the Grant Guards, Tanners and various clubs are out in procession, and the town is a blaze of light with torches and
