FINANCE AND TRADE.

OFFICE OF THE PITTSBURGH GAZETTE, WEDNESDAY, November 25, 1868.

Gold advanced suddenly from 134⅛ to 135⅜ by the manipulations of the operators in railroad shares and government bonds. Foreign exchange has now advanced to such a figure that it will be just as well to ship gold as exchange, and sight exchange is scarce.

Government bonds had not advanced today at the early board, but towards noon a reaction set in, and all descriptions were slightly off, especially 1864s and 1865s. The The market can hardly be sustained at such a rapid advance. The transactions are enormous; should a reaction set in, the sales would be immense, since everybody who helped to create the rise would be just as anxious to get rid of his bonds.

The stock market is in the hands of a few bull operators who are trying to get out on some of their large purchases made before the recent decline.

PITTSBURGH MARKETS.

OFFICE OF THE PITTSBURGH GAZETTE, WEDNESDAY, November 25, 1868.

There is nothing that is really new or important, to be said about the markets in a general way. As noted yesterday, Flour and some kinds of Grain are considerably firmer, bnt there is no excitement, and no material improvement to note in the demand. There is this difference, however, some days since, there seemed to be no buyers at scarcely at any price, while now there are parties who are willing to take hold, though, counselled by the past, they exercise more discretion, and are not willing to go it blind.

APPLES—There is a continued good demand, and the market is steady with regular sales at $2 to $4 per bbl.

APPLE BUTTER—Dull but unchanged; sales at 70 to 75 in kegs, and 80 to 85 in crocks.

BEANS—Under the influence of increased arrivals are a shade easier, and we now quote at $3,50 to $4 per bushel.

BUCKWHEAT FLOUR—The demand is rather better, and we can report regular sales at 4½ to 5 cts.

CHEESE—Is dull but unchanged at 17 to 20c, as to quality.

CRANBERRIES—Supply in this market exceedingly small, and prime to choice eastern cultivated may be quoted at $24 to $25 per barrel.

CIDER—Unchanged; sales of prime Sweet at $8 to $9 per barrel.

DRIED FRUIT—The demand is improving slightly, though it is by no means urgent, and prices are unchanged. Peaches 12c for quarters, and 14c for halves. Apples, 9 to 10c

EGGS—Scarce, and fresh packed are quotod at 34 to 35c.

HAY—Baled continues very dull, but unchanged. We continue to quote at $18 to $25, as to quality and condition.

GRAIN—Wheat is firmer, although there is but little doing in this market; and but little here except what is in the hands of millers. We continue to quote Red Winter at $1,75 to $1,80. Oats quiet and unchanged. May be quoted at 60 in first hands; 62 to 63 on track and in elevator, and 64 to 66 in store. Rye is decidedly better, and there are buyers at $1,10, which is an advance. New Corn is rather firmer while old, if anything, is more neglected. We quote the former at 70 to 75, and the latter at $1 to $1,05. Barley also is firmer, and there is little or none offering. Prime Spring may be quoted, in the absence of sales, at $1,85 to $1,90 and Fall at $2.

POTATOES—Peach Blows continue dull and unchanged at 70 to 75 by the car load in bulk, and 80, sacked. Jersey Sweets $6 to $6,50 per bbl.

LARD—Is scarce and in steady demand, at 17 for prime kettle rendered.

LARD OIL—Is in demand, and limited supply; sales of No. 1 Winter strained at $1,50.

MESS PORK—Dull but unchanged at $27 per bbl, for new.

ONIONS—Very dull but unchanged; we continue to quote at $1,25 to $1,50 per bushel, as to quality.

TALLOW—Rendered 11½c.

HOMINY—Is quoted at $6,50 to $7 per barrel.

FEATHERS—Sales to the trade at 75 for Live Geese Feathers, and 80 to 85 for small lots in store.

FLOUR—Is in better demand and firmer, but prices are without quotable change. Western Flours are still quoted at $7 to $8 for Spring, and $9 to $9,50 for Winter. The Pearl Mill quote their brands, made of the best Wheat, as follows: Extra Family Flour, in barrels, at $9,50, and, in sacks, $9,20 per barrel; Double Extra Family, in barrels, $10,20, and, in sacks, $9,80 per barrel; Spring Wheat Flour, in barrels, $8,00, and, in sacks, $7,70 per barrel. The City Mills quote prices as follows: Extra Family, (Winter) in barrels, $9,50, and, in sacks, $9,20 per barrel; Double Extra Family, in barrels, $10,00, and, in sacks, $9,70 per barrel, and Spring, $8,00, in barrels, and $7,70, in sacks, per barrel.

PITTSBURGH PETROLEUM MARKET.

OFFICE OF THE PITTSBURGH GAZETTE, WEDNESDAY, November 25, 1868.

The oil market was somewhat offish today, the transactions, in the aggregate, being comparatively light, and at the close, prices ruled lower. There are various causes assigned for the very sudden reaction, none of which, up to this writing, are very definite, or of a very satisfactory character. Suffice to say, however, that for the present, at least, the excitement has subsided, and, as already intimated, prices are lower.

CRUDE.

The operators in Crude were very insignificant reaching less than ten thousand bbls against thirty-six thousand yesterday, and prices are lower. Spot oil, which sold yesterday at 12¼to 12¾, sold to-day at 12 cents, and even at the reduction the market was devoid of that life and activity which has prevailed for several days past. Sales 1,000 bbls (40 to 45 gravity) on spot at 12; 1,200 do do at 12; 4,400, January to June, seller's option, at 12¼; 1,000 seller's option, first six months 1869 at 12¾; and a "put" of 1,000 bbls (40 to 45 gravity) seller's option, January to July at 12, and two hundred dollars.

REFINED

As in the case of Crude, was also weak and lower to-day, and the transaction were also comparatively small. November sold at 32c, against 32½ to 32¾c yesterday, and December at 31 to 31½c, against 32c yesterday. There was but a single sale reported for next year, and it was a very small one, January and February at 30½c. January to June sold yesterday at 31½c to 32c—to-day there was not a single sale for that delivery. The reported sales were as follows:

500, November	32c
500, December	31c
1000, November	32c
1000, December	31½c
500, December, 1st to 15th	31c
1500, December	31½c
1500, December	31c
500, December	31½c
500 each January and February	31½c

—Since the above was put in type, we heard of the following sales: 500 bbls, November, at 31c; 500 do, December, at 31c, with more oil offering for December at same price, without finding buyers.
