RIVER NEWS.

The river continues to recede steadily with scant five feet in the channel by the Monongahela marks last evening. The weather continues cold, and the Allegheny river is still pretty well covered with floating ice. Business was rather dull at the landing

yesterday, the offerings of freight being comparatively light, and unless it moderates very soon, we should not be surprised to see navigation entirely suspended within the next day or two. The Sallie (Captain J. T. Stockdale's

mountain steamer) arrived about noon yesterday with a very good trip. She would have reached here two weeks ago had she not have been detained at Louis-ville waiting for water to ascend the falls, being considerably too long to pass through the canal. The steamers in port yesterday had their flags at half mast as a token of respect to the memory of pilot Thomas Crawford, who died suddenly on Wednesday night. The remains were sent to his friends for

interment on the Kenton.

The New York for Evansville, and Wananita for New Orleans, it was said, would anita for New Orleans, it was said, would get off last night.

It is not likely that there will be any departures for St. Louis for a day or two, as the Mississippi above Cairo, is said to be full of floating ice.

The Armenia has a sign out for Memphis and New Orleans. and New Orleans.

The Mary Davage and Barges, Captain Shedden, are announced to leave for New Orleans to-day, and shippers should bear this in mind. The indefatigable Gen. Chas. Barnes is her agent. Barnes is her agent.

The Grey Eagle, Capt. C. L. Brannan, is the regular packet for Parkersburg to-day, leaving promptly at noon.

The Camella, Capt. Thos. Poe, will be the first boat out for Nashville. -The Leonidas, en route from Cairo to Pittsburgh, was at Cairo on Wednesday. -The Bellevernon, Pittsburgh to New Or

leans, and the Messenger, St. Louis to Pittsburgh, were at Louisville on Wednesday. -Captain C. A. Dravo is negotiating for th John Kilgour, to take the place of the St. Charles in the Cincinnati and Pittsburgh trade. -General D. C. Buell will bring out coal-

on this rise to Fulton, on the Mississippi River, for steamboat use. It will be a great accommodation to the boats. Thomas King, second clerk of the Bismark, Is missing. It is supposed he was robbed and murdered, or absconded. He had \$1,500 in freight collections when less than 1808.
