GOLD. Money active and firm at 7 per cent. currency to 7 per cent. gold, or 7 per cent. currency with a commission of 1-16. The drain of currency to the South and West continues and banks are indisposed to expand more in view of the approaching quarterly statement. A heavy shave is submitted to for the use of money thirty or sixty days. Discounts quiet at 7@10 per cent for prime short paper. Sterling, 9%@ 9%. Gold lower, influenced by sales of the bear combination and Senater Morton's speech, lopened at 134% and closed at 134%

The Commercial's money article says that Morton is mistaken in his statement of the quantity of gold in the country. It says the supply outside of the Treasury, available for market use, cannot be estimated at much, if any, over forty millions. The exports to-day were \$180,000. A dispatch from a member of Congress says it is considered certain that the Supreme Court will affirm the constitutionality of the Local Monagement. the constitutionality of the Legal Tender act, and that the decision will be rendered within two or three weeks.
