RIVER NEWS. The river was falling slowly yesterday

afternoon with tifteen feet in the channel by the Monongahela marks. Both rivers are entirely clear of ice, and in splendid navigable condition. The weather yesterday was clear and pleasant, and warm enough for April.

We noticed some of the towboats with steam up yesterday, getting their tows in shape, and quite a number will doubtless take their departure to-day. The Messenger arrived on Friday fore-noon after a long and tedlous St. Louis voyage, having been delayed several weeks

by ice. She is now up for New Orleans.

The New State, sunk at Coxe's Ripple, near Wellsbury on Friday, in about eight feet of water. As the river has risen several feet, it is feared that she will be cut down by ice.

Pilots—St. Johns and Hamilton. -The Memphis Appeal of Sunday, says

Vandergrift's Argosy has been chartered for sixty days by the Arkansas River Packet Co. —The steamer Malta was sold by Deputy United States Marshall Irwin at Wheeling the other day day to Wm. Seawell, of Ar-kansas, for \$1,450. He intends placing her in the White river trade.

-We are credibly informed says the Cin-cinnati Commercial, that all the Louisville Insurance companies holding risks on the mail boats, United States and America, tock & have unanimously agreed to pay the same -The G. A. Thompson, en route from New Orleans to Pittsburgh left Ch.cinnati on Wednesday, with a full cargo, including 400 barrels molasses, 100 hhds sugar, 325 bales hay, and engagements above. Pilots

-Bobo and Hall.

-We will probably, at no distant day, see steamers plying the river with immense lenses in their chimneys to concentrate heat instead of ______for the es. cape of smoke. John Cannon's new boat will be built on this principle. -Captain Jas. R. Lockhart, and others, have sold to Captain Ed. Cahalan (or Cal-ahan) four-twelfths of the St. Louis and Vicksburg packet Julia for \$7,500, Capt. Calahan will assume the command in place of Lockhart, who retires.

—A Cairo telegram says: Columbus packet General Anderson reports the river almost gorred in the narrows above Columbus. The Post Boy and Clifton were de tained there several hours. The Norman is still there, unable to come through. —Captain T. H. Sweeney has reached his home at Wheeling. He reports the St. Marys as doing a good business in the Washita river trade. She has been making feet tree. ing fast time on several occasions, having

run two hundred and ten miles, during one trip, in nineteen hours, and on another in eighteen. The Armadillo, from New Orleans to Pittsburgh, met with an accident some fifteen inilee below Island 63. A sheet in the forward part of one of her boilers parted, and the steam came out with a rush, but fortunately injured no one, nor damage the boat. Her passengers came to Memphis on the Bismarck. Her captain arrived there on Friday and secured the services of two or three boiler makers, but the engineer, in the meantime, repaired the boiler in such a way as to enable him

to bring the boat to port. -The Champion arrived at Cincinnati on Thursday with about 350 tons. She re-ports passing the Mary Davage, lying at Buffington Island, with both her barges aground square across the river, one on the upper and one on the middle bar. The Champion passed down between the barges. The ice was filling up against the side of the lower barge. The Champion reports the Leopard lying opposite Blg Hocking; Stella and another towboat at the head of Blennerhassett. The Kenton A Cot 120 aks corn, S B Floyd & Co; 5 bbis beans, 5 hf bbis butter, 1 bbl eggs; 14 aks aks cornmeal, Head & Metzgar; 7 bbis beans, 1 do cider, MeBane & Abjer; 50 kgs pigs feet, Reymer & Bro; 25 do do, Kramer & Rohn; 12 bgs feathers, F G Craighead; 6 kegs apple tutter, 5, bbis walnuts, 17 do beans, 1 do comons, 6 hf bbis butter, 2 bbis dry apples; 2 do sorghum, 1 do butter, 2 bbis dry apples; 2 do sorghum, 1 do butter, 2 bbis dry apples; 2 do sorghum, 1 do butter, argo of freight, and several passengers on board. No lives were lost. She lies in butter, H Rea Jr; 2 bbis beans, Morrison & a resposed position, and abould there be a freshet, will probably go to pledes. We could not ascertain whether she was insured or not, but presume she was as that could not ascertain whether she was in-sured or not, but presume she was, as that precaution is now almost universally taken by the owners of such property. The Storm No. 2 passed down an hour or two after the accident, and her Captain re-ceived in answer to an inquiry as to the cause, that the unfortunate boat had struck a snag which had run entirely through her hull. She want down in a few min. her hull. She went down in a few min-utes, the water covering her lower deck. It will be remembered that the Ingomar met with a similar misfortune last summer when running in the trade between this city and Pittsburgh.
