PARTIES DESIRING TO INVEST IN UNION AND CENTRAL PACIFIC BONDS can save one per cent. by purchasing before JANUARY 1st.

FINANCE AND TRADE. OFFICE OF THE PITTSBURGH GAZETTE, FRIDAY, JANUARY 22, 1889.

The gold market remained steady to-day, at 135 1/2, opening at 135 1/4, advancing to 135 3/4, and closing at 135 3/4; with a limited business.

In government bonds the market is firm with scarcely any fluctuations. Large speculative sales are made for future delivery, but the actual movement demand is light.

Stocks are strong, and every lot offered now is readily taken up; speculation is now centered on Fort Wayne, Michigan

Our local stocks are also more inquired for, especially in Columbia, which would bring near 10 after dividend. Allegheny Valley bonds are at present neglected.

Money more inquired for, but business shows no signs of improvement. Closing quotations as received by Ph. R. Mertz:

Chicago, Jan. 22.—Eastern Exchange firm at par selling, and 140 per cent. off buying. Flour—Wheat active and excited.
