The river continues to recede slowly at this point with four and a half feet in the channel by the Monongahela marks last evening. The weather has again turned cold and at this writing, it is trying to show. Thermometer at noon was up to 28-we expect to see it almost down to zero this morning.

Business was moderate at the landing yesterday, taking everything into consideration, though it might be considerably better, and then be nothing to brag of.
The Zanesville packet Julia No. 2, has

not been here now for two weeks.

The R. R. Hudson arrived from Cincinnati about nine o'clock on Sunday night with an excellent trip, including a considerable amount of sugar and molasses. The Camelia, Capt. Thos. Poe. will be

the first boat out for Nashville.

The Champion, Capt. Fuller, will be the first boat out for Cincinnati. She is advertised to leave this evening. The Bellevernon, Capt. J. J. Darragh, is filling up slowly for St. Louis, as is also the Mollie Ebbert, Captain G. W. Ebbert, for New Orleans. These are both tip-top boats,

The Pink Varble was sold at Louisville on Friday last, to Captain Paul, for \$7,500. She is to ply in Cumberland river trade.

The towboat Lake Erie, New Orleans to Pittsburgh, was at Cairo on Friday, and the A. J. Baker passed Louisville the same day, en route for this port. The decision of the local inspe regard to the collision between the tow-boat Tiger and J. N. McCullough, has been published. The license of Carlton C. Tiger, suspended for 60 days. -The Minneola, of the Cincinnati and Memphis packets, has discarded the use of carbon oil, and substituted lard oil. -Lawrence Roddy, of Pennsylvania, 19 years old, second engineer of the Glide, died on Sunday, at the Charity Hospital, in New Orleans, from the effects of the injuries received by the explanation of that heat plosion of that boat.

The prospects are that there will be no opposition between these companies, and that rates will be established which will avert the ruinous competition of last year. The party taking the initiative in this matter has not transpired.
