

CITY AND SUBURBAN.

Jonathan Guin was fined \$10 yesterday by Mayor Drum for driving a lot of sheep through Allegheny on Sunday afternoon, in violation of a city ordinance.

Postponed.—Owing to the non-attendance of a majority of the members, the Allegheny Police Committee failed to have a meeting last evening. Another has been called for Friday evening next.

Lost.—A key ring, containing four keys, was lost on Grant street between Diamond street and Fourth Avenue, Monday evening. Any person finding the same will confer a favor by leaving them at this office.

Accident to a Horse Carriage.—The Duquesne horse carriage broke down on Saturday night while proceeding to the fire at Father's machine shop. It will be out of service for a few days until the damage is repaired.

Crushed to Death.—Washington Bell, son of the proprietor of a coal works at Mansfield, while engaged in coupling some cars on the siding at the works on Thursday last, was caught between the straps and crushed to death.

We call the attention of our readers to the dwelling house and office situated at 180 Federal street, Allegheny, under advertisement for rent in today's paper. This house and office is in a very desirable location and is well adapted for a physician or any one wishing to live near his place of business. For terms, etc., apply at Williams Sample's dry goods store, No. 180 Federal street, Allegheny.

Leasers.—Mayor Drum yesterday morning fined three young men named Gaber, Murphy and Gabbie five dollars each and costs for loitering at the corner of Cedar avenue and Ohio street, Sunday evening, and insulting the officers who passed by. Three others were also arrested for loitering about the door of the German Church, East Lane, on the same evening. They were discharged upon payment of a fine of three dollars.

Caught Again.—Thomas Johnson, a lad charged with stealing iron from the metal yard of William Varua, Allegheny, was caught last night by Alderman Eggers, of the Eighth ward. This is an old case. Some time ago Johnson was arrested for the offense, but while being taken to jail, made his escape from the officer and manager, and being kept out of the way until yesterday. The officer made safe work of him the second time.

Officers Elected.—At a meeting of the stockholders of the Pittsburgh & Keosaupee Car Company, held at the office of Craig Brothers, at half-past ten o'clock yesterday, the following officers were elected for the ensuing year: President, W. H. Brown; Secretary, T. V. Craig; Treasurer, E. Loomis; Directors, W. H. Brown, J. N. Shellenbarger, R. C. Loomis, T. J. Craig, J. R. Dravo, W. Douglas, Jas. O'Neill.

An Evening of Sacred Song.—Mr. Philip Phillips, of New York, gave one of his best-sitting entertainments last evening in the Protestant Methodist Church on Fifth avenue. The music was admirably all sacred, and all of it simple and familiar, but as rendered by Mr. Phillips, at times assisted by Mr. Davis, with his limbed bass, gave great pleasure and satisfaction to the very large audience present. Parts of the exercises were exceedingly impressive, and will not soon be forgotten.

Coroner's Inquest.—Coroner Clawson held an inquest yesterday on the body of Mrs. Emma, aged German lady, who died suddenly Sunday afternoon at the residence of her son, on Pennsylvania avenue, in the Eighth ward. Deceased was about eighty years of age, and had been in this country about eighteen years. She had been somewhat indisposed, and died suddenly. The investigation yesterday showed that she died of paralysis, and a verdict to that effect was rendered.

Serious Cutting Affray.—A serious cutting affray occurred at Fairview Station, on the West Pennsylvania railroad, about two o'clock Sunday afternoon, between Wm. F. Ferguson and "Madness" Sheridan, during which the latter, with his limbed bass, gave great pleasure and satisfaction to the very large audience present. Parts of the exercises were exceedingly impressive, and will not soon be forgotten.

Pittsburgh Female College. This well known and popular educational institution continues to flourish, and is gaining influence and favor every day. The last half of the winter term, just commenced, is even more largely attended than any previous term, there being but one vacancy in the boarding department. This is certainly a gratifying exhibit, and evidence in a more forcible degree than any language, the appreciation and esteem in which the institution is held. President Pershing and his able corps of assistants have reason to be proud of the success attending their efforts.

Serious accident. A serious accident occurred yesterday morning at Coleman's Mills, in the Twelfth ward, by which William Yost was severely injured. Mr. Yost was employed at the mill, and while engaged at his work the sleeve on his right arm was caught in the coupling of some shafting, and his arm, being drawn swiftly around with the shafting, was broken and torn apart above the elbow, the hand and forearm remaining attached to the shaft. The injured man was conveyed at once to the office of Dr. C. T. Jacoby, and after an examination it was found necessary to take the arm off at the shoulder joint. This was promptly done by Dr. James Robinson, assisted by Dr. C. T. Jacoby and L. F. Remberg. The patient is doing as well as could be expected.

A Disreputable Practice. There are few men connected with the cattle business in Allegheny, who do not attend the stock yard on Sunday, thus getting the choice, and ahead of their more conscientious and reverent fellow traders. Time and again complaints have been made to the authorities to prevent this practice, but owing to the difficulty of making out a positive case, the offenders have escaped punishment. Yesterday a number of dealers named respectively C. H. Boulton and John Clark, were arrested for engaging in this practice, and after a hearing, each was fined five dollars and costs, according to the city ordinance. They paid their fine and departed, evidently with a determination to be more careful in their future operations.
