LIBBARY ED. TION OF THE WORKS OF CHARLES DICKENS. Published by D. Appleton & Co., New York, For sale by Henry Mide., Pittsburgh. The volume completing this elegant edition of the Works of Dickens, comprises "Oliver Twist," "Great' Expectations," "Bleak House," and "Pictures from Italy." The character of these stories are familiar to the vast multitude of admirers of Mr. Dickens. and needs no commendation from us. This series is one of the best and cheapest of Dickens' works, and at the extremely low price of ten dollars and fifty cents for the set of six volumes. They are bound in superb style, well illustrated, and present a very graphic and touching incidents. showy appearance. We most heartily THE AMBBIGAN AGRICULTURAL ANNU-AL for 1869. SEEKERS AFTER GOD. By the Rev. F. W. Farrar. M. A., F. R. S. Published by J. B. Lippincott & Co., Philadelphia. For sale by R. S. Davis, Pittsburgh. Conflicting as are the opinions of

critics, of the propriety of designating Seneca, Epictetus, and Marcus Aurelius. three heathen philosophers, as "Seekers after God," we confess that their candid and earnest inquiries after truth, and fifty cents. efforts to conform their lives to the light they had attained of the true and living God, entitle them to be regarded with much charity by Christians of the present day. Living in an age of corruption, and of a low standard of morality, it shows the strange working of God's Holv Spirit in reaching these heathen teachers. These men certainly exhibited traits of character which should command the admiration of the Christian world. Events of great moment in the world's history are harmoniously woven in connection with these noted characters. The work is written with much purity of style, and will command the attention of the thoughtful and cultured reader. SEARCH AFTER TRUTH. Addressed to

young men. By George W. Egleston. Published by G. P. Putnam & Son, New York. For sale by R. S. Davis, Pittsburgh. In this work we have embodied the results of careful research after truth, in

which the topics of moral philosophy and the evidences of Christianity have been carefully elaborated, with a view to induce young men to enter the field of inquiry, and to enter upon a career of activity in favor of the Christian religion. It is dedicated to the Christian Associations of the United States and British Provinces, and discusses "Christian Truth or Belief," and "The Christian Life and | indeed, old people, too. This is a charming story, compressed within one hundred pages. Shades of life are presented in glowing colors, and in a very attractive form. The leading characters are well drawn and natural, and there is an elevated moral tone pervading the work. Readers of love tales will find much to interest and entertain them in this volume. At the time this story first appeared in Scotland it created considerable interest, and elicited high enconiums. The Put-

nams have reprinted the book by special arrangements with the Edinburg publishers. Its length is objectionable to some, but the main characters are so well drawn, and the plot so well executed that persons who commence its reading, will likely be so fascinated as to be induced to read it through.

Doubtless many of our' readers have seen some of the articles in this humorous work. Like the "Swamp Doctor's Adventures," it is full of fun, and grotesque and absurd incidents. Society in some portions of the South, in by-gone years, was in rather a crude state, and the adventures described, comic as they may appear, have some show of truth. The author being a resident of the "Sunny South," and conversant with the society of which he wrote, it is to be expected that he would be perfectly familiar with the "scenes" depicted. The numerous illustrations, by Darley, are in keeping LITERARY NOTES.
