North Carolina, 60% @ 61; Virginia, 61 @ 62; Louisiana Levee, 63 @ 70. Railroad shares opened at about last evening's quotations and declined 1/4 to 1/2 per cent.

Business, however, was small and without features of interest. The Pacific Mail was a special feature; opened at \$10 1/2, fell to \$8 3/4, and returned to the opening figure. Mariposa was higher. Express shares were weak and unsettled in the afternoon.

Railways firm though dull, and closing quotations were highest of the day. Miscellaneous list active and higher on Mail and Mariposa. Express shares heavy and lower.

PITTSBURGH METAL MARKET. OFFICE OF PITTSBURGH GAZETTE, FRIDAY, February 26, 1889. The metal market has been rather quiet during the past week, the sales in the aggregate being comparatively light; but with no accumulation of stock, the great proportion of that now arriving is being put in on former contracts.

Prices are pretty well sustained. There is considerable inquiry for desirable grades of Foundry iron, and but little of this kind in market. The mills, generally, are reported as being pretty well stocked, and, as a consequence, the demand is firm. This source is not as urgent as it was some weeks since.

As an investment, few purchasers are found at present among the business community, or those who are anxious to get before people will actually find out what our securities are worth. The moment they will be needed for investment, and have to be brought back from Europe, they will advance above par in gold; but greenbacks have to appreciate likewise and approach the standard of gold.

Stocks were dull and lower to-day at noon, but towards the close of the day a better feeling prevailed and a general rise took place. Fort Wayne was dull at 22, and Ohio and Mississippi at 33 1/2. The latter stock is now manipulated by the Erie clique, who wish to get it off their hands and take up other stock easier to handle.

Business is gradually improving. Quotations as received by Ph. R. Mertz: Gold, 131 1/2; Silver, 124; Eighty-one's, 114 1/2; Five Twenties, 163; 117 1/2; do 185; 113 1/2; do 185; 115; do 185; Consols, 112; do 187; 112 1/2; do 183; 112 1/2; Ten Forties, 116 1/2; New York Central, 144 1/2; Erie, -; Reading, 52 1/2; Pittsburgh, Fort Wayne & Chicago Railroad, 122 1/2; Ohio & Mississippi, 33 1/2; Michigan, Southern, 97; Cleveland & Toledo, 114 1/2; Chicago & North Western, 52 1/2; Chicago & North Western Preferred, 91; Adams Express Company, 58 1/2; Merchants Union Express, 16; Pacific Mail, 100 1/2; Western Union Telegraph Company, 57 1/2; Gregory, 2 1/2; Quartz Hill, 7; Corydon, 16; Smith & Farmale, 1 65; Am. Money easy, and the supply exceeds the demand. Call loans @ 37 per cent. Prime paper 708 per cent. Sterling weaker at 83 @ 84 per cent. Gold lower on receipt of the bond quotations from London and the report of Mr. Schenck's bill in the Senate, and opened at 132 1/2, and closed at 131 1/2 @ 131 3/4 cash, and was loaned free of interest at the close. Governments closed firm, especially on new bonds. After a day of great excitement and nervousness, the advance has been equal to 1/2 @ 3/4 per cent., and some heavy purchases made for home investment and shipment for the improvement. Dispatches from Washington say the Senate will before the close of the session pass the Hooper and Schenck bills.

New York, Feb. 25 - Dry Goods - In consequence of a heavy storm the market was very quiet, but the price accept that little changed; the Great Falls brown goods are reduced from 13 to 12 1/2, and a good line of Bedford prints has been placed on sale as low as 9 1/2, but there was no important change in staple fabrics of cotton or woollen goods.
