Amusements never were better patronized in this city than during the present dav. winter.

The Allegheny Councils will hold a regular semi-monthly meeting to-mor row evening.

"Kite Flying" and "marble playing" iccuracy of gas metres. Second-Said Income are in vogue among our youthful population just now.

Yesterday was as warm, bright and genial as a May day. The barometer licates rain to-day.

This day week will be St. Patrick's day. There will be a procession of Irish-men in honor of the occasion.

The remaining sections provide for the manner in which gas shall be meas-ured; requiring all inches to be stamped The To-Lets are rapidly disappearing from houses as the first of April draws nigh. Not many will be left unoccupied.

Planchette, the mysterious humbug. is dead stock on the hands of dealers, as the toy no longer attracts any attention

or marked by the inspector, and a penalty is imposed upon all persons al-tering or tampering with the meters after they have been so marked or stamped and set up. The bill also provides that when a tenant has moved out of a house without paying his gas bill, the com-pany shall not hold the next tenant responsible for the same, and shall fur-Neither money nor friends can release from the tombs any person once lodged therein before a hearing is had before the Mayor. esponsible for the same, and shall furnish said tenant with gas if he requires them to do so, and if the agent or trustee

of a gas company present an exorbit-ant bill the Commissioner may contest it The Insurance Agents are preparing by giving security for the payment of statistics to present to Councils, at their next meeting, in opposition to the Paid Fire Department. the sam

Sensation at the Academy of Music-Sherifi's Officers in the Green Room. The Watch House.—There were twen-ty-three subjects in the lock-up vester-day morning, who were disposed of by the Mayor in his usual way. The entertainment at the Academy of Music was slightly interrupted last evening by the appearance of the Sheriff's

The Fifth Avenue police guard are highly creditable to the department. They perform their duties in a manner officers in the green room, a few moments before the curtain rose. It appears that the agent of the Susan Galton highly satisfactory to all citizens.

The Velocipede mania is rapidly dying Canning, Manager of the Opera House, out. It is not thought so great an ac-complishment, after all, for one to play engaging to play the company at the Opera House on the week commencing February 8th, which contract was not fulfilled, and Mr. Canning, claiming to have sustained damage by the violation the part of a bed to a wheelbarrow

The Gymnasium is attracting large at-tendance each evening. It is now in much better condition than it has been of the same, brought an action of tress-pass on the case in the Common Pleas Court against the several parties comsince 1860, financially and otherwise.

Surety.-Mary Gordon made informaso before Alderman Lindsay yesterday against Bridget Allen for surety of the peace. The accused was arrested and held for a hearing. le green room.

Why the summons was not served on the parties at the hotel, or why its ser-vice was not postponed until this morn-ing, we are unable to say, but we think either would have been preferable, as it was merely the service of a civil writ, and the officer knew that the troupe did not intend to leave the city until after Joseph Gordon was arrested yesterday on a charge of disorderly conduct, on in-formation made before the Mayor by Wm. Shields. He was required to pay ne of five dollars and costs. not intend to leave the city until after

this evening. The interruption was not, however, at-Arrested in Zauesville.-John Myers, tended with any serious consequences, as the entertainment went on as if nothing had occurred. Messrs. McCullough and sixty years of age, and claiming to be a realdent of this city, was arrested at Zanesville, Ohio, on Monday, while in the act of robbing a dry goods store.

Taylor, attorneys for the Galtons, were present, it appears, and accepted service on the writ, thereby avoiding the delay of serving it on each of the parties. Break Down.-Yesterday afternoon, a wagon loaded with hay broke down on Federal street, Allegheny, near the Mayor's office. The Manchester Pas-Little Girl Run Over. lenger Railway cars were delayed by the Monday evening, about six o'clock,

CENTRAL BOARD OF EDUCATION. The bill presented in the House by Mr. Regular Monthly Meeting-Monthly Morgan, entitled "an act to provide for Reports, the appointment of an inspector of illu-

A regular monthly meeting of the minating gas, &c., for the protection of Central Board of Education was held consumers and manufacturers of gas in yesterday, (Tuesday,) March 9, 1869, at Allegheny county," was reported by the two o'clock P. M., in the High School Committee and passed the House vester-Building, corner of Wood street and

Sixth avenue. The bill provides as follows:

The Gas Question.

First—That the Judges of the Court of Common #Pleas of Allegheny county shall appoint an inspector of gas and gas metres to examine the quality and puri-ty of illuminating gas and ascertain the Members present-Messrs. Anderson, Brush, Chadwick, Craig, Cuddy, Dun-can, Getty, Harrison, Hartman, Hum-bert, Mays, Miller, Mitchell, Necker-mann, Nobbs, Sergeant, Shaw, Taylor and President Wilson. The minutes of the preceding meeting were read and approved. -Said Inspector to hold his office

for three years, and to receive a salary of \$3,000. in addition to office rent and ex-HIGH SCHOOL REPORT. penses, to be paid out of the county treasury. *Third*—Gas companies to be taxed two

HIGH SCHOOL REPORT. The Secretary read the report of the Principal of the High School for the month of February, of which the follow-ing is a recepitulation: cents per thousand cubic feet, manufac 86 65 9 formal School

Commercial school 109 118 Total. 184 344 The Principal calls the attention of the Board to the fact that several teachers in the High School do not arrive at the school building until after the hour for

opening has passed. The report was received. On motion of Mr. Getty, the Secretary was instructed to notify the teachers re-ferred to, that they must be at the school

building at half-past eight o'clock. REPORT OF THE CITY SUPERINTENEENT -CONDITION OF THE PUBLIC SCHOOLS -STATISTICS, &C.

The Secretary read a report from the ity Superintendent, J. G. Lucky, Esq., s follows: GENTLEMEN: Having nearly complet-

ed my tour of inspection of the Public Schools of the city, I desire to submit to your body a somewhat extended report of my visits, and I do so with a desire that the Directory more hours of the state of the stat that the Directors may become more inur schools.

Opera Troupe made a contract with Mr. SCHOOL ACCOMODATIONS. As far as my knowledge sees, no city in the United States is better supplied with substantial and comfortable buildmost of which are well supplied with approved furniture. The only districts that are yet without proper school accommodations are now engaged in the erection of large and commodious build-

bosing the company. A summons was asued, and it was for the purpose of serv-ing it that the Sheriff's officers visited I am sorry to state that most of the chools are poorly supplied with maps, plobes and school apparatus, without which much of the teaching is ineffectual. Considerable good has been done by Why the summons was not served on the introduction of plain drawing cards into many of the Primary rooms, and it is to be hoped that each Local Board will

take steps for their general adoption throughout the city. SCHOOL GRADES.

SCHOOL GRADES. Since the new grade was established by the Board, the different schools are grad-ually approaching a uniform standard, and in the study of arithmetic it has been nearly attained. At the beginning of the year but little interest was manifested on the subject of reading, and in many of our schools it was almost entirely neglected, but during the last few months

lected, but during the last lew months much concern has been shown on the subject and our teachers are giving it much extra attention, and I sincerely kope that by the end of the present school year no school in the city will lag in this most important branch of study. sonooi year no school in the city will lag in this most important branch of study. In the study of geography, I find that! too much attention is given to the study of foreign lands, to the almost entire exof foreign lands, to the almost entire ex-clusion of our own country, but this plan is gradually giving place to a more ferred from the Primary to the Grammar A free circulating of teachers, one with
